I'm offended that you white dudes owned slaves.

Who gives a rip what you think... bite me, dog, and see what it gets you...!

I agree with Grant, but I am too much of gentleman to say it; so I will say, "I'm offended that you're offended at me. This is our nation. My offense cancels your offence out, therefore, you have no reason to be offended". In Africa, who would care that I was offended? Some blacks did own white slaves in Africa; or have you not studied history?

I agree with Davis, I'm offended that your own black people sold your people to my people. Why do you think that the purchaser is somehow astronomically more-guilty than the seller? Americans treated their slaves quite well—*far better* than your own people treat you even today. If you'd go back to Africa then you could not be offended by us any more: So *whose fault* is it that you are offended...?

By George, I think you've got it! And there was an error by the typesetter at the printer, I actually said, "Nothing is more certainly written in the book of fate than that these people will be perpetual freeloaders".

I don't care what anyone says, I think you are a wonderful group of people; the best...! the best people, a great bunch... wonderful people... wonderful, wonderful people ... {ftszzz crkkl sjhht pop} .... wonderful, wonderful people {ftszzz crkkl sjhht pop} wonderful, wonderful... {ftszzz crkkl sjhht pop}
