Die Republiek van Suid-Afrika was eers die Unie van Suid-Afrika genoem. Suid-Afrika se vlag is gebaseer op die ou *Prinsevlag*, waaronder die Hollanders hulle onafhanklikheid in Europa verkry het. In die middel van hierdie vlag is daar drie ander vlage gesentreer; hulle is, van links na regs: die "Union Jack"; die vlag van die Oranje Vrystaat (met die drie-kleur van Holland in die vryhoek); en die Vierkleur van die Transvaal (die vlag van die ou Zuid-Afrikaanse Republiek vanaf 1857 tot op die einde van die Anglo-Boere-oorlog in 1902). Die Latynse leuse van Suid-Afrika "Ex Unitate Vires" beteken 'Eenheid is Krag'. Die wapenskild bevat 'n leeu, inheemse bokke (springbok en gemsbok) en wildsbokke (wildebees) en 'n anker.

[Note: A new exciting, historically accurate book ("Bulala Tagati") on the True history of South Africa (from earliest times to end of the 2nd Boer War, written by Cuan Elgin and edited by Robert Alan Balaicius and published by Sacred Truth Ministries will soon be available. STM has also reprinted several older good books on South Africa: The History of Great Boer Trek and Origin of the South African Republics (1899), Hon. Henry Cloete, LL.D., 200pp. book-size, plastic comb-bound, 20.00 + P&H; Story of the Nations: South Africa (1894), George M'Call Theal, D.Litt., LL.D., 452pp., 8.5x11 (2x2), comb-bound 22.50 + P&H. The Boer Fight For Freedom (1902), Michael Davitt (observed Boer War first hand, resigned from Parliament and wrote this book in protest), 600pp. book sized, comb-bound 35.00 + P&H.
