Note: This “confession” is merely a work of fiction. It did not really happen as I have depicted (at least, not that I know of... though I am sure it has happened many times in many ways, I just am not privy to them to be able to say this was a documentable conversation). However, the information contained in this little work is true. The facts can be authenticated by a study of the books mentioned in the back of this booklet.

One day a White Christian dentist (WC) in Germany was about to do some dental work on a Jew (J) and while the Jew was lightly under anesthesia, the dentist thought to ask a few questions before putting him fully under and beginning the procedure. There were many controversies, inconsistencies, and contradictions that had been dogging him for decades, and he decided to see if he could get some answers. It turned out to be a lot more than the dentist ever imagined and he opened up the mother of all kosher cans of worms.

Here is how the conversation went.

WC: What's your ethnic identity?

J: I am a Jew.

WC: What's your religion?

J: I am a Jew.

WC: But I can't call you a Jew...?

J: No.

WC: Why not?

J: It is not allowed.

WC: By whom?

J: By the Jews.

WC: Why don't the Jews allow it?

J: Because of the Holocaust.

WC: That was over 50 years ago.

J: Yes.

WC: And it never even happened.

J: That may be the case.

WC: But we can't talk about the Holocaust.

J: No

WC: Why not?

J: Because of the Jews.

WC: So we can't talk about the Jews because of the Holocaust, and we can't talk about the Holocaust because of the Jews...?

J: Exactly.

WC: That's a pretty good deal you have going there.

J: You bet.

WC: What about the 150 - 180 million white Christians killed by

the Jewish Bolsheviks who took over eastern Europe and the Russias?

J: What about them?

WC: Why doesn't anybody talk about them?

J: Who gives a damn?

WC: Wow. So you don't care that *30 times more* white Christians were *actually* brutally murdered (and all of their property stolen), than the amount of Jews that are "claimed" to have been holocausted, but who actually weren't?

J: Not a bit.

WC: Why not?

J: Why should I? It's not even enough to notice.

WC: What? How can you say that? 180 million isn't enough?

J: No, that, as you pointed out, is a mere ration of 1:30. The Talmud teaches the life of one Jew is worth more than 10,000 nonjews.

WC: But what about *our* reparations...!

J: Good luck getting blood out of a Kosher turnip.

WC: 10,000 to 1...?

J: Probably more than 10,000, that's just a conservative estimate.

WC: And you actually believe that?

J: Of course we do.

WC: Is it true, "Once a Jew always a Jew" ...?

J: Always.

WC: Marriage or "conversion" doesn't change you being a Jew?

J: Never.

WC: Are you proud to be a Jew?

J: Definitely.

WC: I just can't call you a Jew?

J: Right.

WC: Why not?

J: Because you don't understand what it means to be a Jew.

WC: But you can call me a German?

J: Correct.

WC: But you don't know what it means to be a German.

J: I don't know what it means to be a cow either, but I can call a

cow a cow.

WC: Wow, that's racist.

J: Not really.

WC: Why not?

J: Because we are the only race; the rest of you are cattle.

WC: (cough, cough)... ahem... uh... (cough) Why are we cattle?

J: It is your place to serve us.

WC: It says that in the Bible...?

J: No, we Jews don't believe in the Bible. The Talmud is our holy book. The Old Testament Bible is merely our "cover story" and an amusing book for children.

WC: What do you mean "cover story."

J: Edom is alive in modern Jewry. (Good thing you've never read our *Encyclopedia Judaica*; not that we worry, you don't even read your own Bible.) The bulk of the Pharisees were Edomites.

WC: What's an Edomite?

J: Haven't you read your own Bible? The Edomites were the Canaanite descendents of Esau, the brother of Jacob (have you heard of him...? —the founder of Israel).

WC: How are the Jews Edom if they are the Israelites?

J: I didn't say we were Israelites dummy.

WC: But you call yourselves Israelis...?

J: Exactly.

WC: uh... I don't follow... What do you mean?

J: We are Israeli's because we gained control of the holy land through back door machinations of the powers that be ("us") during World War II... that's one of the reasons *we* orchestrated it (we financed both sides, let you kill each other, and we reap not only the financier profits and interest, the war industry profits, but also the spoils of war—concessions, reparations, your humbling, devastation, demoralization, rape, pillage, plunder and all that good stuff).

WC: (gasp)... uh... I don't understand. What good would it do for the Jews to have the holy land—and why didn't you have it to begin with? I thought the Jews always had the holy land.

J: Read your Bible. The Canaanites dwelled in the land of Canaan (which centuries later became the land of Israel; it was / is also

called Palestine because the Philistines once inhabited the coast-lines). Esau, Jacob's brother, was disinherited because he married Canaanites. His descendents, Edomites (and also Amalekites) God declared to be illegitimate. After bringing Israel out of Egypt, God told the Israelites to drive all the Canaanites out of the land. Our ancestors did not like that. Our ancestors had lived there for centuries. But your Bible says "the earth is the Lords" and that He "established the bounds of the nations." Your people believe God created the world, so you believed God had the right to do whatever He wanted, and so you killed and expelled us. Anyway, we had to gain control of the holy land and live in it, otherwise you stupid goyim would never believe we are God's Chosen people (which is essential to our survival that you believe). Further, no Christian nation would ever think of bombing us or letting the Arabs bomb us (not that there is much chance of that—we control Islam at the highest level and the leaders are part Jew themselves). If you bombed us or let the Arabs bomb us you would lose all your own dear, sacred holy artifacts. We don't care about them unless we can make some money off them; but they are good bargaining tools of leverage, plus, it perpetuates your delusion that we are Israel. Thus, you blanketly take our word on everything as the ultimate truth, and also give blanket support to all our war crimes, thinking, "But we must support the Jews or God will curse us." Ha. Fools.

WC: (we...? our God...? our artifacts...? he's not making sense... maybe too much gas, better lower it a little...) uh... why did God want you expelled...?

J: Because we don't give a rip about the Laws of your God. They are too restrictive and cut into how we want to live (and we have been teaching this philosophy in your schools and churches for decades, and it is finally working well, we have demoralized you to our level and that is why God does not hear your prayers). Your God said we were evil to the core, by our very nature, so your God signed our death warrant and you evicted us.

WC: (we evicted you...?) uh... Why didn't God tell us to try to convert you?

J: Because we can't be converted. We are the tares sown in among the wheat. Do you even read the New Testament...?

WC: But so many Jews have converted over the centuries.

J: Yeah, right. And I am an extinct dodo bird come back to life. If all these Jews you talk about converted, where are they now...? Just like the first Muslims who move into your nations, act like choir boys, only to pave the way for millions more. Then, once in and secure, the mask comes off and they openly chant, “Death to Christendom, soon the flag of Islam will rule and the white infidel dogs will die”—and you let them. What fools. They pretended to “convert” or be “nice Muslims” only to gain entrance to your nation and your institutions. It is no different with us (in fact, they are only copying what they saw us do; they’re not smart enough on their own to have figured that out). We only pretended to convert in the early days so you would not kill us or kick us out. We were kicked out of every nation in Europe at least once, we learned our lesson... “O yes, we love Jesus, we want to convert and be good little Christians”—ha, and you believed us? You fools. Once we were allowed to stay, we worked behind the scenes subverting not only your nation, but your religion too. Your God never said anything about converting us, but destroying us when your Christ returns, so until then, we are trying to destroy you so your Christ has no one to return to. Then He will have lost and the earth will be ours because if He loses, then He really isn’t God is He...?

WC: Wow... uh... getting back to what we were talking about... oh, yeah, who were the Philistines?

J: Good grief, have you never studied the Bible *or* history? The Philistines were the cousins of the Canaanites. The Philistines were descended from Ham, as was Canaan (father of the Canaanites).

WC: Ham was cursed, right? and God turned him black.

J: No, ninny, Ham was not cursed, only Canaan was cursed. No God did not turn Ham black, that is foolish nonsense (actually, we came up with that false theology so you would think the blacks are your brothers and amalgamate—just one more way to destroy you, our hated enemy).

WC: Why was Canaan cursed?

J: Because like the Ammonites and Moabites, Canaan was born of incest. Only Canaan was cursed, all the rest of Ham’s children were legitimate and pure Adamites.

WC: Ham was Shem's brother, right.

J: Yes, it seems you went to Sunday School at least once. Good job Jimmy, you get a gold star.

WC: And you claim nonJews are Antisemitic because you descend from Shem?

J: No, we claim you white Christians are Antisemitic because we learned black magic from the Kaballa and we use that magic word to make you dumb goyim shut up and do whatever we want.

WC: (cough, choke)... ahem... So, you are not Semites?

J: Not legitimate ones, and only partially. We are Hamite Canaanites. We are only partially (and illegitimately) Semites through intermarriage with you Anglo-Celto-Saxons, whenever you disobeyed God (because we seduced you away from the truth) and married outside of your greater family.

WC: But I thought we were Japhethites. That's what we were always told.

J: That's because God gave you up to spiritual blindness—and we, disinformation specialists, and opportunists that we are, capitalized on it.

WC: Huh...

J: Never mind.

WC: Okay... uh... What happened to those Amalekites?

J: They were pretty much wiped out by Israel.

WC: Why didn't Israel wipe out the Edomites too?

J: God declared there must be perpetual warfare between the seed of the woman and the seed of the serpent, so God forbade Israel to wipe us out. You reap what you sow and all that nonsense... but it worked out well for us.

WC: Why weren't the Edomites driven out of the land of Israel?

J: Read your Bible you idiot. They were never in it. It *should have* been ours, but since Esau was disinherited, he went down south into the rocky mountain desert of Seir, where he had obtained his Canaanite wives, and exterminated all his inlaws and made himself their overlord. His descendents then ruled the area, which became known as Edom.

WC: But how have you come to be known as Jews when you are Edomites?

J: God's true Israel people had made a covenant with God. If they

sinned and violated His Law, God would punish them. They sinned and neglected to obey Him for so long, God had His people conquered and deported *en masse* to Assyria and Babylon. That's when we moved back in.

WC: What do you mean *back* in...?

J: It was our land to begin with. Try to keep up.

WC: But I thought you just said the Edomites were never in the land of Israel.

J: That's right.

WC: uh... I am confused.

J: I said the Edomites were never in Israel before that time. Put on your thinking cap. The Edomites were the descendents of the immoral Hebrew Esau and Canaanite women. Remember, God had the Israelites drive the Canaanites out of the land. Jacob had robbed Esau of his inheritance and that land should have been ours not only by our (Canaanite) original squatter's rights, but also by our (Edomite) inheritance; but Jacob cheated our father Esau out of it. Esau was the firstborn. It was his by right.

WC: But if Jacob had been the firstborn (I remember them struggling in the womb, maybe Esau wrestled Jacob out of position and Jacob was supposed to be the firstborn)... if Jacob had been born first and it was Esau who had cheated Jacob out of the inheritance, and you had gotten the land by trickery, you would have been fine with that...?

J: Of course, but that is beside the point.

WC: What do you mean?

J: What's mine is mine and what's yours is mine and thus actually, nothing is yours so it is a moot point.

WC: So, how did the Edomites come to be known as Jews and Israeli?

J: If you'd stop interrupting me (or had you ever really read your Bible) you'd know already. God deported the true Israelites. We Canaanites (Edomite and otherwise) moved back in and reclaimed the land and also stole the name Israel, because we were living in the land of Israel, and we claimed the name Jew (a corruption of Judah), because those of us in the south of Israel lived in Judea.

WC: I'm confused, you jump around too much.

J: Think about it. You have Turks and Africans and Arabs living in Germany now, and they are known as Germans, right?

WC: Sadly, yes.

J: Well it is no different now than it was then. The invaders of your nation are not ethnic Germans. They are interlopers. They are Germans only geo-politically (and we broke down all these national barriers *only* within Christendom to weaken *your* nations from within since we could not defeat you from without).

WC: Wow.

J: We are no different than they. We are interlopers. But though we once owned the land of Israel, we were robbed of it, Esau was robbed of his birthright. Esau told us that his father prophesied that one day we would become strong enough to throw off the yoke of his younger brother and we would again become the head and you the tail. When you were kicked out, we took back the land and also assumed the name.

WC: What do you mean when *my people* were kicked out?

J: The European peoples, the white peoples of Christendom are the true Israelites of the Bible — why do you think we hate you so much you fool!

WC: What? I thought the Israelites returned to the land of Israel.

J: Don't you ever read your own Bible? 32,000 returned.

WC: That's a lot of people.

J: You ninny, 32,000 out of 13 million!

WC: 13 million! What happened to all the rest?

J: They migrated into Europe and became known as Saxons (sons of Isaac, sakka-suna), Jutes (Judah), Danes (Dan), Brits (People of the Covenant), Angles (People of the Bull, the major animal of their sacrificial system—that's why we call you cattle), Cimmerians (those in blindness or darkness), Sythians/Scots (people of tents, or tabernacles), Khumri/Ghomeri (captives), Germans (genuine or authentic race of people), Gauls/Gaels (to be the next of kin or kinsman redeemer / avenger of blood), Getae/Goths (people of God), Celts (hidden people), etc. Haven't you ever even studied the history of your own people? Didn't you ever as a child have a "connect the dots" coloring book? It is not rocket science. How did you ever get into medical school...?

WC: You're awfully free with insults considering you are insulting a man who is holding a scalpel and has you semi-sedated.

J: So what. You Germans are too civilized to commit such acts of

violence against helpless, innocent people.

WC: You claim to be innocent?

J: Just a figure of speech.

WC: And yet you claim the horrors of the Holocaust?

J: yeah... funny, isn't it. That's our little secret.

WC: I could really mess your teeth up, you know, and you would be in pain the rest of your life.

J: Yeah, yeah, and I'm Dr. Joseph Mengele. If you did anything like that (which your Christian morality won't let you), I would scream Anti-semitism and Holocaust from the rooftops, I would sue you for everything you own, after 25 years in prison you would come out to find your dentist license has been revoked, and you would wind up living in a homeless shelter, your family having abandoned you after the first 2 years.

WC: But you have no compunction about cheating, robbing, poisoning, and killing us?

J: No, the Talmud tells us that not only *can* we, but that it is our *duty*.

WC: What...! Did God write this Talmud?

J: There is no God.

WC: What...!

J: Are you now deaf as well as dumb?

WC: No, but what do you mean there is no God?

J: What don't you understand about that concept?

WC: But you are supposedly God's Chosen people?

J: (heh, heh) I know, ironic, isn't it?

WC: What about the Messiah?

J: What about messiah?

WC: Do you not believe in Him?

J: Of course we believe in messiah.

WC: I don't understand.

J: I know, that is why we are Jews and you goyim are cattle.

WC: uh... okay, but if you don't believe in God how can you believe in the Messiah?

J: I didn't say I believe in *the* Messiah. I said I believe in messiah.

WC: I don't follow...

J: I know.

WC: uh... so when do you believe uh... messiah will come...?

J: He already has.

WC: What? When? Who is He?

J: There is no "He"—we Jews are our own messiah. There is no need for us to "come" we are already here.

WC: Wow. So the Apostle John was right.

J: What do you mean?

WC: If you and your people think that you yourselves are messiah, then you are antichrist, not messiah.

J: You say potayto, I say potahto...

WC: So, you believe in ...uh... messiah, but you don't believe in God?

J: You're catching on.

WC: But don't you believe that God created the world?

J: No. The Jews created the concept of God to make it easier for us to rule the superstitious cattle.

WC: Wow, I can't believe you said that.

J: Who cares.

WC: Nice. uh... so why do you then claim certain things about God choosing the Jews, giving them the holy land, etc.?

J: A useful delusion.

WC: But how can you talk about God when you claim He doesn't even exist?

J: Semantics.

WC: Semantics?

J: What means God to you does not mean God to us.

WC: What does God mean to you?

J: A mythical spirit of the ages. He doesn't really exist, but we talk about him even as you talk about Lady Liberty, even though she doesn't exist either.

WC: Well, we talk about Lady Liberty, not actually believing that she exists as a person, but that what she represents, Liberty itself.

J: That doesn't exist either. Thanks to us.

WC: Thanks to the Jews liberty no longer exists?

J: Right, but you can't say that, only I can.

WC: What...! Why not?

J: Because if you do I will say you are Antisemitic.

WC: ugh... uh... So you don't actually believe in a literal God.

J: Of course not, have you not been paying attention? We invented the myth of God because it is useful. We say that God has great reverence for the Talmud and even consults it when He is confused; but we don't believe in a literal God, we are again referring to the Jewish people; we are our own messiah, our own god.

WC: Wow... okay. So who wrote the Talmud?

J: Jewish rabbis you moron.

WC: And what were their credentials?

J: They were Jewish rabbis.

WC: But what makes what they wrote true?

J: Because we say it is true.

WC: That sort of sounds like the Holocaust dogma's foundational rhetoric.

J: You are catching on.

WC: So you are an atheist?

J: That is the term for someone who does not believe in God, is it not?

WC: But what about all the Jews in the holy land?

J: What about them.

WC: Are they also atheists?

J: About 95% of them. The rest are deluded, but it is a useful delusion for those of us who are not deluded.

WC: uh... okay, ... uh... What about all the Jews in New York, Chicago, South Florida, London, etc. ...?

J: What about them?

WC: Are they atheists also?

J: They are Jews aren't they?

WC: Huh...?

J: If they are Jews they are atheists. Do I have to spell everything out for you?

WC: But what about all the synagogues?

J: What about them?

WC: If you don't believe in God, what do you do at your synagogues?

J: Wouldn't you like to know.

WC: Does that mean you are not going to tell me?

J: Exactamundo.

WC: But you call yourselves God's Chosen people.

J: Another useful delusion.

WC: So, you are Jew, but you don't believe in the Bible (even the Old Testament), you don't believe in God and you don't believe in any individual who is yet to come as the Messiah.

J: Very good. You get an A.

WC: But I can't call you a Jew?

J: We're back to that again...? What don't you understand?

WC: Why can't I call you a Jew?

J: It's rude.

WC: Why is it rude? You are a Jew, are you not.

J: Yes, but that's for us to know and you all to pretend not to know even though you know.

WC: What?

J: Right.

WC: Huh...? uh... explain....

J: We're invisible.

WC: Invisible? How can you be invisible?

J: It's an expression. Something in plain sight... you are so accustomed to it, it becomes invisible. You don't notice it.

WC: But we notice you.

J: I know, but you are supposed to pretend that you don't.

WC: Says who?

J: We do.

WC: The Jews?

J: Yes. But you can't say that.

WC: Ugh... So this invisible government actually exists.

J: Of course it does. You'd have to be a fool not to see it.

WC: How can I see it if it is invisible?

J: Exactly.

WC: Huh...? uh... so, why do you have to remain invisible?

J: We don't have to.

WC: Huh...?

J: We choose to.

WC: Why?

J: Because it is safer.

WC: What do you mean safer?

J: The Talmud itself says that it is forbidden for a Jew to teach the goyim what we say about them in the Talmud or they would kill us openly in the streets. Why do you think the Talmud was burned in nearly every nation of Europe? Why do you think your great Reformation leader Martin Luther exposed us and our Talmud? You outnumber us. You are stronger and smarter than us. So we rely on our main weapon

WC: What is that?

J: The subtle, evil cunning we inherited from our father.

WC: Your father...?

J: Don't you ever even read the words of your own Christ?

WC: Huh...?

J: Never mind. More anesthesia please, your ignorance hurts my head.

WC: uh... you mentioned Jesus, wasn't He a Jew?

J: Of course not you fool.

WC: I don't understand.

J: That seems to be the predominate pattern.

WC: Huh...?

J: Never mind. No, Jesus was not a Jew. He was a pure Judean, a pure Israelite, just like that traitor Paul; he was brilliant and had great talent, we had great plans for him, to use him, since he was a real Israelite that the others would respect and listen to. But then he was converted and saw through our evil plans.

WC: What are you talking about?

J: I'm answering your question, were you day-dreaming?

WC: uh... no, it's just a lot to absorb.

J: get a sponge.

WC: huh...?

J: Never mind. Pay attention. Jesus was not a Jew. Jews are Canaanites (predominately Edomites). Jesus' bloodlines were pure, that's why His genealogy is given twice. If He had not been pure He could not have been the Redeemer of Israel according to the Law of the Kinsman Redeemer. He could not have redeemed true Israel, who is now known as the nations of Christendom.

WC: uh... you Jews killed Christ.

J: Yes, but you can't say that.

WC: What...? Why not? You just said it...!

J: We can say what we want; you can't.

WC: What...? Why not?

J: Because we are Jews and you are not. Because if you do I will accuse you of Antisemitism... and then, just for good measure, shriek, "The Holocaust! Never Again! Never Forgive! Never Forget!" (works even better than "boil, boil, toil and trouble...").

WC: Why did you kill Christ?

J: Because he was ruining our plans.

WC: What plans?

J: The subversion of the tiny remnant of Israel and eventual world domination once those damn Romans waned in power.

WC: The Romans...? What did they have to do with anything?

J: They were the mightiest nation on earth you fool. And the influence Christ was gaining, soon even mighty pagan Rome would be converted and then things would be even harder for us. The pagan Romans were as corrupt as could be, they could be bribed to leave us alone. That's how we got an Edomite established by Rome to be the king of Israel.

WC: An Edomite as a king over Israel?

J: Herod was an Idumean.

WC: I don't follow...

J: Stupid goy... Idumean is the Greek form of Edomite.

WC: oh... I never realized...

J: I know... that's your downfall, God said of you, "My people are

destroyed because they lack knowledge, because you have forgotten the Law of your God I will forget your children.” We’ve got your kids strung out on drugs, wasting their brains with comic books and video games, having free sex, inter-racial pairings, we’ve dumbed them down and they don’t even know a trade. We’ve lobotomized them and they are handicapped for life. They don’t know their math tables, can’t even speak coherent English, and couldn’t quote a full Bible verse to save their lives.

WC: whew... I think I do need some anesthesia (sniffiff.....)... ah, that’s a little better... whew... you were saying about Rome...?

J: Yes, we could not let Rome convert to Christ, or we would not stand a chance (at least, not for many centuries; that would set back our plans quite a ways). So we had to have Christ killed to shut Him up. He was exposing us as being the children of the devil, the evil tares that the enemy sowed in among the wheat... He was exposing our financial and religious racket... He had to die before He could do any more damage. Even after killing Him, the damage He did eventually spread through Rome. But we soon infiltrated the Church and perverted the true faith into Catholicism. Things were going well too until those damned Reformers stirred up the true faith once more. It’s taken 400 years, but we have finally stamped out those fires and most of you stupid goyim don’t even know their names or what they died for, you don’t have a clue about what your Bible really says, or what true freedom really is.

WC: I feel sick... ugh... so, you Jews are proud you killed Christ...?

J: Of course. We eagerly accepted His blood upon not only us, but upon all our children. It is an honor.

WC: An honor... ugh... unbelievable... uh... er... If you consider it a badge of honor then why are you so afraid of it being publicly spoken that you Jews killed Christ, to the point that we are not even allowed to mention it in public...?

J: The honor is for us to know, not you stupid goyim to realize. Plus, we still kinda fear retribution. ... yes, I know, it’s been 2,000 years... but if your Bible is right, He’s coming back to judge us and He won’t be in a good mood.

WC: How do you know so much about the Bible?

J: Yes, we Jews read your Bible, Old and New Testament. “Know your enemy.” That is the motto. You Christians once knew that

and practiced it, but we weaned you off that and all other truths in favor of “tolerance,” “equality,” and “love” (twisting the teachings of your Scriptures to suit our ends and weaken you, like Samson, once your strength is gone we will put out your eyes and then put you to the grind stone and have a little fun humiliating you before we finish you off). Sometimes we know your Bible better than you do... but when we teach it to you (having infiltrated your schools, universities, seminaries, churches, and so-called Christian book publishing companies), we teach it to you with our own “spin” on it.

WC: Don't forget, Samson made a little come back in the final quarter; don't start celebrating just yet.

J: Is that a threat.

WC: No. Just remembering a Bible story... uh... so you know that Christ Jesus is returning.

J: We know that's what your Bible says. If it is true, we're in a Hell of a mess. That's why we are working so hard to cause your dying extinct species to be snuffed out as soon as possible. We are running out of time. But if we can completely mongrelize or kill all you white Christians, your beloved Saviour will have no one to return to, and thus He will be proved to be a fraud, and not God: because He promised there would always be a remnant and He would sift you among the nations as wheat but not a grain would be lost and that all the sheep His Father gave Him, He will not lose one. We need to do everything we can to make sure that does not happen.

WC: So, you read the Bible but won't repent of your sins?

J: We have nothing to repent of except not having killed all you Christians off far sooner. You have stood in the way of our world domination for millennia, but we just about have you finished off.

WC: What do you mean?

J: We have subverted nearly all of your nations. We have opened the floodgates of the third world: Africa, India, the Orient, Central America, and their most deadly enemy yet, Islam—and barred European immigration into the U.S. (which was the last major hold out of freedom, but she shall soon fall). Your nations are swamped, you can't protect your own children, we own all your politicians who tax you worse than at any time of your history, you work your butts off and don't even break even, and when you

are not working you live in fear behind locked doors.

WC: What do you mean the U.S will soon fall?

J: We have flooded their nation with hostile, nonwhite, antichristian masses more than any other nation. They still have bastions that believe the Bible and their decrepit constitution. They still have the freedom of speech to say whatever they want about the Jews; though it is castigated and we will ruin the careers of anyone who does so, but they still have that freedom... and most importantly, they still have their guns. Once they give those up, they are dead.

WC: What do you mean, I thought giving their guns up was to stop the killing.

J: You stupid fool. We can only take over a nation after the guns are gone. That's why Russia fell. We took away their weapons. Before that, they were the most heavily armed people in Europe. We got rid of their guns and swords then got rid of their cursed Tsars.

WC: Why did you kill Tsar Alexander II. was very kind to the Jews.

J: Yes, and that is why we killed him early on. That sign of weakness is pathetic. It makes us puke. We used him for all we could, then simply dispensed with him. We planned to assassinate his son Alexander III. but the plot was discovered and 5 of our people were executed (including the older brother to the Jewish-Kalmuk Lenin).

WC: But the Romanovs were some of the most godly rulers of all Europe.

J: Yes, and that is why they had to go. They stood in our way. We wanted their incredible wealth, and we got it. We wanted their empire, and we took it. But most of all, we got rid of them. Tsaritsa Elizabeth Petrovna a few century or so earlier had decreed that all Jews were to be expelled from the provinces. Her cabinet members quivered, "but the economy will suffer." She boldly like a lioness replied, "From the enemies of Christ I desire no profits." The whole family was polluted with their love of righteousness and their beloved Jesus. They had to go.

WC: But you murdered Tsar Nicolas II. and his wife, their 4 young daughters and their young son... you shot them all in the head.

J: Yes, so what. Then we killed the rest of the household staff, witnesses, other family members (including a grand-daughter of the Queen of England, and the mighty Queen didn't even raise a whimper of protest). We threw them alive down a 30-foot mine

shaft and then threw in a few hand grenades on top of their broken bodies. Some died quickly, but others took several agonizing days I hear.

WC: That's horrible.

J: No, just business as usual. We then set out across the entire empire, killing all the intelligentsia, nobility, patriots, anyone who would stand in our way (over a hundred million, as you pointed out earlier), and we then turned the common people against those few upper class that we let live, brainwashing the commoners into thinking it was the nobility and educated class that was responsible for all their woes. Just like we did a few centuries earlier in the Bolshevik Revolution in France.

WC: The Bolshevik Revolution in France...?

J: Oh, you know it by the euphemism of the French Revolution; but it was not the French, but us. We had them revolt against themselves. That's what we always do.

WC: You mean you actually *incite* Christians to kill each other.

J: Of course. Sometimes we do the killing ourselves; like when we murdered the Tsars, or like in WWII when we murdered a few tens of thousands of Lithuanian and Polish officers and then blamed it on you stupid Germans. Anything we blamed you for stuck, and you didn't do any of it. Ha. Weak fools! And still you apologize, cower, lick our boots, and pay reparations. Other times we have you kill each other; like in the U.S. Revolutionary War, the U.S. Civil War, World Wars I and II, and the Anglo-Boer Wars.

WC: Getting back to the U.S. ...?

J: We're planning it again in the U.S. Once they give up their guns (someone who writes for Moscow's *Pravda* recently wrote an article, "America Don't Give Up Your Guns")... once they give up their guns they're dead...!

WC: How so?

J: For decades millions of Mexicans have been pouring over the borders (thanks to us Jewish politicians in the U.S.). U.S. ranchers live in fear along the border. The illegals just traipse across their ranches, with armed guides. The U.S. Border Patrol, fools, don't do a thing. Washington has tied their hands because they want their nation subverted. Instead of more armed Border Patrol or Military, what do the stupid Americans do...? —they put

up *road signs* on the major 10-lane highway along the border with signs telling American motorist to “be careful and not hit the illegal immigrants running across the highway!” HA! What fools! The U.S. Border Patrol cannot match the manpower or firepower of the Mexican drug cartels. The cartels have virtual armies, with military weapons. They do as they please within Mexico and within the U.S. Border. The Border Patrol has standing orders to “stand down” and basically look the other way. The members of Congress are not cowards—they are all *bought and paid for traitors*. The American people are just too stupid to realize it. Anyone who says anything about subversion is branded a “conspiracy theory nut.” What fools! Anyone who does not believe in conspiracy is either part of the conspiracy himself, or the world’s biggest ignoramus! HOW can EVERYTHING *go wrong* “just right”—*for the enemy, every single time in every single matter, time and time again...*—and it all be just some “grand coincidence...? I’d go to Vegas with those odds...! I’d make a fortune! It is *all* planned. The American people refuse to believe it because they have been dumbed down in the schools, they can hardly find their way from the couch in front of the tv to the bathroom on their own. Further, even though they have been dumbed down, they have all be told “how smart” they are... they all pass high school with A’s today I hear (yet they can’t read, write, or add). Yet the U.S. (back when it was Christian) led the world in education... they led the world in everything. Now they are a garbage dump. We have turned the beautiful “city on a hill” into the valley of the sons of Hinnom (Gehenna—a burning, putrid garbage dump full of refuse, dung, and rotting road kill carcasses). They *think* they’re “smart,” so if they ever recognize and admit the grand scheme of our conspiracy, their own intellect would be dwarfed and they would have to admit what fools they really are. They are too stupid to even realize they are fools! If the dumb rednecks and patriots give up their guns, they are all dead. We are all circling like buzzards and sitting like vultures on barren trees... just waiting... drooling. Do a “google *image* search” using the key words: Mexican drug cartel dismemberment murders. If you have a weak stomach, you might want to keep a barf bag on hand. If anyone crosses the cartels, they kidnap him, take him out to a warehouse, skin his face off so it can be worn like a mask, then cut his arms and legs and feet and hands and head off. Then, they take his

body to some prominent place in town, like the main theatre and toss all the parts out, with his torso, and hang his his skinned face on a barrier post in front of the theatre. This takes place all the time. Tell me, what do you think is going to happen once all the Mexican drug lords, once all the hundreds of thousands of Mexicans who pour across the border every year, once all the tens millions of Mexicans already in the U.S. (1/3 of the 2 million prisoners in U.S. prisons are illegal Mexicans)... what do you think they are going to do once they learn the people of the U.S. *have all given up all their guns...*? There are about 200,000 nonwhite gang members in the major cities across the U.S. who have automatic weapons and who commit crimes each and every day. Do you think they are going to turn in their guns...? Do you think the police are going to protect the American citizens from them? The police practically have “unlisted phone numbers” in those areas of town and don’t respond to most calls right now. What do you think they will do when crime increases once the gangs realize everyone they want to rob is *unarmed...*? Violent crime in Australia shot up 40% when they were disarmed. Statistics show U.S. cities that have more guns have less crime. Once disarmed and the gang violence and robbery, rape, and murder increase, the cops will respond even less. They are cowards against other people with guns, but really brave when shooting women holding their infants. What about all the violent muslims and Chinese and other terrorists that have been allowed to flood the nation? What about all the Cubans and Jamaicans and Haitians (and Mexicans) in South Florida...? the Puerto Ricans in the Northeast...? The Mexicans that fill all the border States...? What about all the millions of blacks that live in the inner cities... what do you think that they are going to do once they learn that whitey has been disarmed...? What’s going to happen when the corrupt U.S. politicians (whom we own) stage other “terrorist acts,” then stage some “natural disasters” and when the grocery stores are all empty and the power grid has been shut down...? Tell me... what is going to happen...? We will have created the perfect racial storm: a Rembrandt. It will be over for the whites. If they give up their guns. They are dead. True, some may say, but if I don’t give up my guns the government will shoot me—like the did in Australia, murdering several thousand Australians who refused to give them up. That was pretty funny. That’s sort of like that old cartoon,

“We want peace...! —even if it means *going to war* to get it!” Ha. Hilarious. The Americans with guns need to answer for themselves one simple question: Do they want to have *one last chance* for freedom by resisting illegal and unconstitutional dictatorial decrees in gun confiscation, even though they might get a bullet *in the front* of the head...? —or do they want to peacefully give up their guns and then have a bullet *in the back* of the head after having watched the Mexicans and blacks rape their wives and daughters...? It’s their choice.

WC: (puke....) ugh... I don’t feel so well.

J: Wimp.

WC: So then, the Protocols are true...!

J: Of course they’re true you idiot. Anyone with half a brain can tell that. The first *public* mention of them was in the 1870s by that fool British Dutchman who assumed the name Osman Bey, a major in the Turkish Army. Our Lord James de Rothsilde bore testimony to them in *Le Revue des etudes Juives* (Review study of the Jews) about 15 years later (but they date back to at least 1489). Then that Russian priest of Austrian descent, Nilus published them in the early 1900s and after that the Brit Victor Marsden translated them into English. After that the Polish dame who married into Lithuanian nobility, Princess Catherine Radvilas or Radziwill, caught wind of them and began exposing them in high society circles in New York. After that many conservative Christian groups and even industrialists like Henry Ford jumped on the bandwagon. We simply discredited them and cried “Antisemitism.”

WC: Then they really are true.

J: Of course they’re true you nincompoop, have you been dozing off again...? If they are not true, Bey and Nilus were the most profound prophets to have ever walked the face of the earth: for if the Protocols were not authentic, those 2 men predicted 150 years in advance every single area of life in your nations that we have subverted and taken over to the “t” as laid out in the Protocols. If they are not true, it is one of the greatest miracles in history that they could have predicted it so perfectly, at a time when we had not even begun to make our public ascension.

WC: You’re diabolical.

J: So, what of it...? We have not even scratched the surface of our guilt. Write it all down. Publish it if you like (and we will arrest

you and have your dental license revoked). Even if we let you publish it in Europe, no one would believe you. Your people are too good natured, too naïve, too gullible. You cannot begin to imagine the patience it has taken to pull this conspiracy off over several millennia, with numerous major setbacks. But like that Chinese proverb says, “The ox is slow, but the earth is patient.” Similarly, the old Arab proverb describes the Jew too (for Jews are part Arab and Arabs are part Jew), “He who takes his revenge before 40 years has passed acts in haste.” Your goody-two-shoes Christian people (whom we have nearly de-Christianized) can’t even begin to comprehend the depth and intricateness of our cabal, our hydra which touches every area of your lives and is slowly squeezing the life out of you. If it was presented to them in all its glory, your minds would simply shut down. It would cause too much cognitive dissonance... it would be too emotionally and mentally upsetting, so you would just go back to watching your silly tv or lose yourself in watching some sport (all of which we also control)—glamorizing and supporting all the promiscuous and criminally inclined blacks just because they are big or tall and can play with a ball.

WC: So you are really a Jew.

J: We’ve established that several times now.

WC: But I can’t call you one?

J: Have you been sniffing the anesthesia yourself again...? Wake up and pay attention.... why are you fixated on this question...?

WC: It just blows my mind. You’re a Jew, you admit it, you’re proud of it (and all your evil), but I can’t say it.

J: Exactly.

WC: What about Jewish?

J: What about Jewish?

WC: Can I say, “Jewish?”

J: Why do you want to say, “Jewish”...?

WC: Well, if I wanted to refer to one of you Jews—which I can’t say—it would really be helpful to be able to have a word I am allowed to use.

J: We’d prefer you simply not talk about us at all.

WC: It would really be a lot easier if we could say “Jewish”.

J: For example...?

WC: Say I wanted to tell my friend where I bought a good bagel. It is really cumbersome and confusing to have to say, “Do you know where you can get a good bagel, that bagel shop on 4th and Dusseldorfstrasse owned by the invisible guy we can see but who we are supposed to pretend like we can’t see.”

J: I see your point.

WC: Can I say Jewish?

J: It is allowed.

WC: Allowed by whom?

J: By Jews.

WC: So I can say Jewish but I can’t say, “The *Jews* let me say ‘Jewish’.”

J: Right.

WC: Why is “Jewish” allowed but not “Jew”...?

J: Jewish is more polite.

WC: And you Jews are really known for being polite, right?

J: Ironic, isn’t it...?

WC: But you don’t call me Germanish?

J: I call you whatever I want.

WC: Wow... okay, uh... So, I can’t call you a Jew?

J: Right. We’ve covered this. Write it down. Mashugana!

WC: So, what am I supposed to call you?

J: You don’t call me anything. When I need something, I’ll call you.

WC: Wow.... uh... You came in for a root canal, right?

J: That’s what I was told.

WC: Do you remember the contract and disclaimer waiver that you signed before you came into my operating room?

J: Yes.

WC: Remember the part that said if for any reason I begin to operate I can choose to not complete the procedure or not operate at all and you will still be liable for the bill?

J: Yes. A nice little bit of fine print, I believe my cousin came up with that cunning idea.

WC: Well, I am going to invoke that right and not operate.

J: Why the h___ not...!

WC: I don't want to risk infection.

J: You mean you don't want to risk my bloodstream being infected from my tooth...?

WC: No, I mean I don't want to risk infecting my own mind and conscience talking to you any more.

J: You *^@#(*&%^%\$#!

WC: That's nice. Find yourself a dentist that is a Jew. Oh... that's right, I can't say Jew. Find yourself a dentist who is like you... you know, one of those invisible guys that you can see but who you are supposed to pretend like you can't. In fact, while don't you make yourself permanently invisible right now and don't come back here again. I am not taking new patients and I've lost mine with you.

J: You *^@#(*&%^%\$#!

“And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven.” (Exodus 17:14)

²⁰In that day shall there be upon the bells of the horses, HOLINESS UNTO THE LORD; and the pots in the LORD's house shall be like the bowls before the altar. ²¹Yea, every pot in Jerusalem and in Judah shall be holiness unto the LORD of hosts: and all they that sacrifice shall come and take of them, and see the therein: and in that day there shall be no more the Canaanite in the house of the LORD of hosts.” (Zechariah 14)

⁸Shall I not in that day, saith the LORD, even destroy the wise men out of Edom, and understanding out of the mount of Esau? ⁹And thy mighty men, O Teman, shall be dismayed, to the end that every one of the mount of Esau may be cut off by slaughter. ¹⁰For thy violence against thy brother Jacob shame shall cover thee, and thou shalt be cut off for ever. ¹⁷But upon mount Zion shall be deliverance, and there shall be holiness; and the house of Jacob shall possess their possessions. ¹⁸And the house of Jacob shall be a fire, and the house of Joseph a flame, and the house of Esau for stubble, and they shall kindle in them, and devour them; and there shall not be any remaining of the house of Esau; for the LORD hath spoken it.” (Obadiah)
