Tragically, most people modernly confuse the identity and history of the *Jews* with that of the *Hebrews* and *Israelites of the Bible*. However, they are two *separate* and *distinct* and *completely different* races of people. Are the people of the State of Georgia in the US related to the Georgians of the nation (and former Soviet Republic) of Georgia in the Caucasus mountains in northwest Asia? Of course not. Are the *modern* inhabitants of New York City's ghettos or Chinatown related to the *original* inhabitants\* of New York City? The modern Greeks are hardly related to the ancient Greeks. A very simple study of Greek art and the features of modern Greek inhabitants will prove this. Likewise, the Jews and the Israelites of Bible times never were the same and neither are their respective descendents today. A "terrible switch" has been made and most people don't even realize it.

[\* —this would be predominately: Swedes, Dutch, Germans, English, Irish, and Norwegians.]

In another 50 years, after the history books have been "doctored" *once again*, *who* will exist to remember that the U.S. was actually founded as a Christian nation by White, Anglo-Saxon (and primarily) Protestants...?

Britain and her Commonwealth of Nations have already fallen—having apologized for her goodness and greatness, consented to mass whoredom, and then calmly committed *hari kari* (ritual suicide). The U.K. lingers on as vestiges, museum pieces of former greatness—like an ancient temple, abandoned, forgotten, the roof having caved in, being overgrown by the jungle, inhabited by vermin feeding on detritus and each other.

South Africa was stolen, undermined, betrayed, hijacked, inundated, raped, pillaged, plundered, vandalized, and scuttled and now is merely floating, burning flotsam waiting to self-extinguish, sink, or wash ashore.

The nations of Europe are now held hostage by the Jews, who have de-Christianized and demoralized them—forbidding them to even speak about certain issues, forcing them to parrot lies (to the point the younger generations believe lies, as the only "truth" that ever existed). Christianity has been stripped from their culture and Europe is basically one giant atheistic state that is now being Islamicized.\* Held captive by their antichrist captors, true Europeans are now forced to watch as the barbarians are allowed to pour in through their gates, flooding their nations. Europeans are taxed to support them, and of course *taxed for each child* they have, so European birth rate has decreased; while the massive influx of foreigners have 3 to 6 times the birth rate, and they *are given more government funds* the more children they have. These foreigners then rape and pillage the nations of Europe, and are responsible for the majority of all crimes committed in once-safe and peaceful Europe. The days of *Heidi's* Switzerland are gone; *Apocalypse Now* is now show-

ing—and *Planet of the Apes* is the coming attraction. Those who originated civilization, law, and freedom and the freedom of speech and made it available to the whole world, now are not free to speak or act in accordance with their conscience, right, customs, laws, and religion in their own lands (which are no longer theirs).

[\* Understand: Islam is run, at its highest level, by Jews and various muslim “noble” families were originally Jews who changed their names and intermarried with muslims. Likewise, a large portion of the leaders of Nazism (Hitler himself) were themselves Jews. This has always been their *modus operandi*: control the opposition and you control your enemy. The majority of the masses will simply believe whatever they are told to believe and do whatever they are told to do. The opposition contains those who will not be herded. Control the opposition and the threat has been eliminated. Islam is being used to weaken and destroy Christendom. However, once Christendom has been eliminated, and the millions of fanatical muslims find out their own leaders are Jews, what will keep them from turning on their corrupt leaders and the Jews themselves? Well, parasites don’t think of where their next meal will come from when their current host dies. Likewise, megalomaniacs are blinded by their own arrogance and think they will always be in control.]

The U.S. itself is on the way down. It has been on the way down for decades, but clearly now has passed *the point of no return*. It is inevitable and imminent. Once a sea-going vessel is swamped with 50% water, it cannot recover. Its destiny is the abyss: the grave-yard of nations—and no great nation will ever again arise from the ashes, when submerged *in the mud* in the depths of the sea. Our civilizations are self-destructing: committing suicide by inviting and absorbing nonwhite, hostile, foreigners—which is tantamount to opening the hatch of a submarine *while submerged*. It is like Noah (knowing that they were to be on board the ark for over a year), declaring, “What, *just 2 pair* of termites and rattlesnakes...? No...! That just will not do...! —bring *all* the termites and rattlesnakes aboard, the more the merrier...!”

All these crimes against our nations have been made possible and have been instigated by the Jews. The nations of Christendom are the only thing that stand in their way of world domination. In order to create their one world government in which they reap the harvest of everyone else’s labor and property, their ancient enemy must be destroyed. Christendom could not be destroyed from without, so it has been skuttled from within. Jews can be found to be behind everything that have turned our nations from Godly, prosperous, safe havens and bastions of liberty, to the godless, Statist corruptocracies that they are today.

After our civilization has imploded and the interloping savages have burned our nations to the ground and they then “rewrite” history, *who* would ever have *any reason* to believe *otherwise...?* Who could *possibly* believe *anything* different than the politically correct, “truth of the day” (which changes with the fickle and corrupt political winds of power)—unless someone, somehow uncovered *older, legitimate* books that represent true history...?

[Sacred Truth Publishing reprints hundreds of such books. Email or send SASE for a list.]

Note: This is not some rabid, racist diatribe. It is factual reality and it is a warning. No white nation is invading nonwhite nations, raping their women, robbing, committing acts of arson, terrorism, torture, and murder; demanding them to change their laws and religion to suit us, demanding them to give us welfare and a free ride, demanding they dismantle their nation and hand it over to us. *This* is what is happening in our nations. White nations such as Sweden are being raped by blacks and arabs and it is never even reported on the news. Thousands of peaceful white farmers in South Africa are being hacked up with machetes and it is never reported in the news. If you think this is all hype or racist diatribe, do a web search and learn just how bad the problem is. It is not merely an issue about preserving property values—it is a *matter of life and death survival of our entire race!* Do a Google *image* search on “Mexican drug cartel torture dismemberment murder.” How they act in their nation is how they act in ours and it will only get worse if we ignore it. The U.S. border control cannot even cope with the drug cartels, who have military weapons and armies. Yet U.S. citizens are groped by TSA when they want to fly from one point to another.

So, *what* is this “terrible switch”...? How have the Jews come to be known as “God’s Chosen People” if they are not the Israelites of the Bible...? Well, imagine we are still in the days of the Old South, shortly after the Northern War of Aggression. Imagine a Plantation owner, Marcus Duke King. Imagine his former-slave, now his trusted head foreman (servant / employee), Toby. Imagine Toby one day “goes off,” kills Mr. King, chops him up into little pieces, and buries him under the staircase in the basement. Imagine that Mr. King did not have any close family, he was a widower and his relatives (who live in another state) and he having become estranged, rarely spoke to one another. Imagine that for many years after the secret murder, whenever anyone came to the estate on business, Toby answered the door, and after the visitor asked, “Is Mr. King in...?” Toby replied, “No, Massa King not here... he trablin on bizniss in Yur-up... can eye’z be uv surviss...? Massa left me in charge uv hiz affairz.” Several decades later, fewer and fewer people in the community even remembered Mr. King. One day, someone knocks on the door and says, “Hi, my name is Calhoun, I just moved to town and heard that the King Plantation produces some excellent cotton. I am a clothier and would like to purchase some of King’s Cotton. Is Mr. King in...?” This time, Toby replies, in as refined a voice as possible (having learned more refined speech over the years), “Yass, I am Mr. King, come in and let’s talk. Can I have the servant bring you a cup of coffee...?”

Things like this have happened quite frequently throughout history, but are rarely reported. Things like this *still* happen commonly in modern society, but are rarely reported (elderly widows being swindled out of all they own by some nice young couple, then poisoned; businessmen being forced out of business, after threats upon the lives of their loved ones, etc.). “Truth is strange; strange indeed—stranger even than fic-

tion,” said George Gordon, Lord Byron.

Can you now *begin to imagine* how a switch was made in regard to the understanding of who Israel is, since it transpired not merely over a few decades, but several millennia? —even as the modern inhabitants of New York City have little-to-no relation to its founders, even as the modern Greeks have little-to-no relation to the ancient Greeks.

Understand: This is not some mindless diatribe against Jews, but documented fact. The point is not whether it is Jews or Martians from outer space who are guilty—but the fact that *crimes have been committed*. Is it just a “coincidence” that 95% of the founders and leaders of Communism were Jews...?—who murdered *150-180 million white Christians...!* Why isn’t *that documented fact* in the history books...? [Inquire.]

Consider the following Jewish testimony:

“We Jews, who have posed as the Saviours of the World, we are to-day nothing else but the World’s seducers, its destroyers, its incendiaries, its executioners.” —Dr. Oscar Levy’s preface, to The World Significance of the Russian Revolution (1920) by Pitt-Rivers

“We Jews, we are the destroyers and will remain the destroyers. Nothing you can do will meet our demands and needs. We will forever destroy because we want *a[n entire] world* of our own.” (You Gentiles (1924), Maurice Samuels, p.155). [Emphasis mine.]

“You resent us, but you cannot clearly say why... [we are] money-grubbers... no art and no profession is safe from Jewish invasion... We shirk our patriotic duty in war.... we are the arch-plotters of universal wars and the chief beneficiaries of those wars.... [we caused the] revolution in Moscow.... what is that compared to our staggering influence in your churches, schools, your laws and your government...? .... You have not begun to appreciate the real depth of our guilt. We are intruders. We are subverters. .... We have been at the bottom ... of nearly all your wars... [you] will never know the real blackness of our crimes.... we Jews have always taken your anti-Semites rather lightly, as long as they did not resort to violence...” —Marcus Eli Ravage (“A Real Case against the Jews,” *Century Magazine*, Jan.-Feb., 1928)

The reader should understand that the majority of people (both secular and religious) believe the Jews to be the Israelites of the Bible. However, this is simply not true—the Jews are not the descendents of Biblical Israel. It is because of this “Great Lie” that the nations of Christendom are at risk of *extinction*. The nations of Christendom have aided, abetted, invited, absorbed, surrendered, and turned the reigns of our nations over to these hostile imposters, thinking them “God’s Little Darlings.” The peoples of Christendom have supported the Jews under great delusion (and conspiracy), erroneously believing the Jews to be “God’s Chosen People.” Well-meaning Christians have allowed corrupt politicians to support the Jews and turn our nations over to them, under the deluded mis-application of Scripture, “God said He would bless those who bless Israel and curse those who

curse Israel, so we have to support the Jews.” However, the truth is that the Jews are not Israel; they never have been: they never will be. Just the opposite—the Jews are *the very enemies of God and Christ, Christendom, and freedom itself*—as they have historically shown themselves to be (and Scripture also tells us that a leopard cannot change its spots, nor can a diseased tree bring forth good fruit).

God declares in His Word that He chose one people and one people alone (whether people like this notion or not, that’s what God did)—the pure line from Adam who had not intermarried with nonAdamic peoples. [The Hebrew words for *Adam/man* (when referring to *Adam-man* or *Adamkind*) mean, “to show blood in the face, to blush, to be rosy-cheeked, to be ruddy.”]

God chose one people, who like their ancestor Noah, were *pure in their generations* from Adam (Genesis 6:9). The Bible is the book of the race of Adam (Genesis 5:1) and God forever barred from His family anyone but His people pure in their generations (Deuteronomy 23:2). Many people don’t like this. That is a matter they will have to take up with Him on Judgment Day. American clergyman, Joel Hawes (1789-1867), truthfully expressed: “Few people disparage a distinguished ancestry except those who have none of their own.” Such are the *real* haters. They hate others for something they cannot have; something God commanded those who have to preserve.

God revealed Himself to Abraham (who was not a Jew), a pure Hebrew, and declared to him that He had chosen him and through him would raise up a people to His Own Name. God commanded Abraham to separate himself from all other peoples and move to the land of Canaan, which God would give to him as his home (which was inhabited by Canaanites, from whom the Jews descend). Abraham’s son was Isaac. Isaac had two sons: Esau and Jacob (twins). Esau, sadly, was morally degenerate and he *married outside the race*, in violation of God’s command—he married God’s very enemies: the Canaanites.

[God had no intention of allowing the older brother Esau to inherit as the firstborn. God allowed Jacob to trick his brother, who forfeited his inheritance. Over the years Esau probably recounted his sour grapes to his illegitimate (half-Canaanite) children, who became known as Edomites (meaning, “red”\*)].

\* Millennia later, Esau’s modern descendents, the Bolshevik Jews chose for themselves the name, “Reds.”]

Jacob, sired 12 sons from whom descended the 12 tribes of Israel. The Israelites entered the Land of Promise and obeyed God (though not completely) in His command to exterminate or expel all Canaanites because of their vile immoral nature. However, the Israelites also lapsed grossly into sin and paganism.

Here is where we get to the part of the story that explains how the “terrible switch” and “identity theft” took place. God promised His

people that if they obeyed Him, He would bless them, but if they sinned without repentance, He would use their enemies to judge them. The *ancient Biblical* Israelites fell into long-term sin and refused to repent, so God allowed the growing, pagan powers of the day to oppress, conquer, and deport His people from the Land of Israel, force-marching them to foreign lands where they would be kept in bondage. Between 722 and 586 B.C. all of the true Israelites were deported to Assyria and Babylon. In 516 B.C. only a tiny remnant (32,000 / 1.5%) of the Israelites of the 2 tribes of Southern Judah (2 million people at the time of their deportation) returned to the land of Israel and the 11 million Israelites of the northern 10 tribes of Israel never returned. When the remnant returned, *the land was filled with Canaanite and other vile peoples* (who attempted to “reclaim” the land of Canaan and steal back Esau’s inheritance). When this remnant returned Ezra and Nehemiah commanded the Israelites to repent and obey God and put away all foreign wives and children by them. The genealogical records were consulted and those not found in the genealogies were *exposed* and *thrust out*. This did not sit well with those who thought their infiltration had been successful. True Israel again experienced blessing and prosperity. However, over time into Christ’s day and beyond, Canaanite imposters gained power in the highest offices. Learning from history they infuriated Rome who in A.D. 70, sent its armies to quell the rebellion in Jerusalem, stirred up by the Edomite *agent provocateurs* (the same ones who stirred up the people to crucify Christ). In the confusion *Jewish priests themselves* (Canaanite imposters, not Israelites) set fire to the Temple, which burned to the ground. The Temple was where *all the genealogical records were kept*. After that *act of sabotage* no one could expose the imposters. *Now* these Edomite imposters *claim* to be God’s people, Israel, with no evidence to disprove it. However, destroying evidence does not destroy the truth. The sword of truth cuts both ways: No one, by genealogical records, can prove the Jews are not the legitimate Israelites—but neither can the Jews, by genealogical records, prove they are! The *Encyclopedia Judaica* (1925) revealed: “Edom is in modern Jewry.” (Vol. 5, p.41).

However, there *are* litmus tests to prove who *true Israel is*—and who true Israel *isn’t*—and these tests are found in God’s Word. Christ told us, *Every tree is known by its fruit*.\*

[\* See: II Samuel 23:6,7; Matthew 13:24-43; John 8:39-44; Revelation 2:9; 3:9.]

There is a reason Jews have *been kicked out of every nation in Europe*—why they were barred from business, the military, and public office in Europe and the early U.S. It is not because they were “persecuted.” The Jews have never been kicked out of any nation for being “too holy.” The Jews’ Talmud, Kehilla, and Protocols instruct the Jews to cheat and kill Christians whenever they can, and all the abominations of Hollywood that have become reality in our society comes straight from the Talmud and the Protocols instruct the Jews to subvert the Christian church, the government, law, medicine, and business. [Inquire for

books on these topics.]

We saw that God cast *true* Israel out of the land of Israel. But what ever happened to them? While in captivity, over many centuries they became blind to their own identity (even as the majority of Caucasians today do not know their own ancestry, the meaning or national / ethnic origin of their own name). God declared, “Who is blind, but My servant?” (Isaiah 42:19) “My people are destroyed because they lack knowledge.” (Hosea 4:6) The Caucasian peoples of Christendom have ever been God’s servants (and bear all the fingerprints and fulfill all the prophecies of *Biblical* Israel—and their migrations from their lands of captivity to their new homes in Europe can be traced in an unbroken line). They migrated into Europe where they became known by new, but similar names (in fulfillment of Bible prophecy):

- *Danes / Danaans / Danoi* (the tribe of Dan);
- *Jutes* (the tribe of Judah);
- *Saxons / Saka-suni / Sacae-sunna* (“sons of Isaac” — “In Isaac shall thy seed be called” {Genesis 21:12});
- *Cimmerians* (meaning, “those in darkness” — “Who is blind, but My servant Israel...?” {Isaiah 42:19});
- *Germans* (“authentic race of people”);
- *British* (“people of the Covenant”);
- *Scythians / Scots / Skuths* (“people of booths or tents”; which proves their Israel identity);
- *Guthones / Goths / Getae / Jeats / Deutsche / Dutch* (“the people of God”);
- *Celt / Keltoi / Galatai* (meaning, “the hidden people”);
- *Gaels / Gauls* (“to be the next of kin, redeem”).
