

Does Your Elevator Reach the Top Floor?

If “thinking” was legislatively declared to be a crime... would there ever be any evidence to prove that you were guilty...?

Modern society is ruled by the pseudo-religion / dictatorship of “political correctness”; and the “expediency of the day” is determined by those who think *they* have the right to rule over you: body, mind, and soul. By edict (decree of the tyrants) truths that have endured for 6,000 years are now declared to be *untruth*; while the *diametric opposite* supplants reality—and the masses are warned that they had better “play along” and dance to the Pied Piper’s *new* tune. The modern gods of society demand that all bow and worship their new theology / morality (*whatever* they decree)—regardless of fact, tradition, morality, authority, or valid Law.

Like the EMPEROR WITH MAGNIFICENT SUIT OF *INVISIBLE CLOTHES*, these “self-appointed” gods demand that each person *profess faith* in what he knows is *untrue*. They expect the masses to fawn over and offer worthless prattle in worship of the “beauty and elegance” of the *nonexistent* clothing. How many men and women have the wisdom and courage of that little boy who thought, *No!*, and declared, “I can’t see it!”

How many such “little boys” yet exist in our society? Any?

1. most have learned to just play along and pretend (lie, practice falsehood and participate in the deception of his countrymen) with the masses;
2. many have learned just to keep their mouths shut, ignore all the evil, lies, and contradictions that they see;
[But silence is most often construed as *consent*; so remaining silent is almost as wrong as laughing along with delight—since it is the duty of all freedom-loving, honest Christians and true Americans to warn others about error, danger, and bondage. God declared through James, “To him that knoweth to do good and doeth it not, to him it is sin”. Even ignorant sin is still sin and brings God’s Judgment. “And that servant, which knew his lord’s will, and prepared not *himself*, neither did according to his will, shall be beaten with many *stripes*” (Luke 12:47) Why...? —because it is the *duty* of servants to know their master’s will; so they have no excuse for not knowing it.]
3. some of those who have spoken out in the past have been warned to *stay out of the marketplace* whenever the Emperor is showing off his wonderful new invisible clothes (which is *all* the time);
4. some who spoke out in the past are now locked up in a “Boys Reform School” somewhere, never seeing the light of day.

Sadly, our nation has been subverted and nearly all our rights are *passé*. The freedom of religion, speech, press, assembly, to be secure in ones person, houses, and effects, and the rights to life, liberty, and property / pursuit of happiness are now *practically nonexistent*, and will *soon* be *formally outlawed* by dicta-

torial edict. The younger generations are raised in ignorance, propagandized, in a mental prison cage, and do not even know what freedom is. They think freedom is the ability to choose McDonald's or Burger King for dinner.

How has this happened to the greatest nation on earth? Benjamin Franklin warned,

“Those who would give up essential liberty to purchase a little temporary safety, deserve neither liberty or safety.”

“A nation of well-informed men who have been taught to know and prize the rights which God has given them cannot be enslaved. It is in the region of ignorance that tyranny begins.”

Thomas Jefferson, the author of the DECLARATION OF INDEPENDENCE likewise warned,

“If a nation expects to be ignorant and free... it expects what never was and never will be.”

The self-appointed dictocrats of modern society are attempting the forceful conquest of the minds, and the terroristic commandeering of the consciences of free men—and they demand, at gunpoint, that falsehood and foolish ideas be confessed by all as “truth”. Yet, consider these profound declarations:

“If fifty million people say a foolish thing it is still a foolish thing.” (Anatole France)

“Here it is, plain and unvarnished. Unless I am convicted [convinced] of error by the testimony of Scripture or (since I put no trust in the unsupported authority of Pope or councils, since it is plain that they have often erred and often contradicted themselves) by manifest reasoning, I stand convicted [convinced] by the Scriptures to which I have appealed, and my conscience is taken captive by God's Word, I cannot and will not recant anything, for to act against our conscience is neither safe for us, nor open to us. On this I take my stand. I can do no other. God help me. Amen.” (Martin Luther)

Okay, I've started out in a rather serious tone—but let's have a little fun now...

Let's consider the truth in the general market place to be like a 42-story building with an elevator. There is / are:

- 1 FLOOR OF THE LOBBY
- 8 FLOORS OF “DUH...” STAGE
- 8 FLOORS OF “HMMM...” STAGE
- 8 FLOORS OF “COOL!” STAGE
- 8 FLOORS OF “WOW!” STAGE
- 8 FLOORS OF “EUREKA!” STAGE
- 1 FLOOR OF THE PENTHOUSE

[Oh..., by the way, there are also 6 levels “Oops” of basement and sub-basement.]

Understand the following:

- This building is public property. It is owned by the people. Any lawful citizen can enter it.
- Between the LOBBY and the PENTHOUSE, at the beginning of each LEVEL OR STAGE OF FLOORS, there is posted a *Sentry* (Security Guard).
- When those individuals in the LOBBY try to take the elevator to the 1ST FLOOR OF THE LEVEL OF “DUH...” the Sentry stops them and says,
“You really need to change your dirty diaper before you may be admitted to this FLOOR.”
[Now, this of course is silly, but play along.]
“We do have a dress code here. We don’t have any spare diapers, but the LAUNDRY SERVICE in the LOBBY will wash your diaper for you for free—and you may eat a complementary bowl of Franks & Beans while you are waiting for your diaper to be pre-soaked, washed, dried, and ironed.”
[—just long enough for those Franks & Beans to go through you on your back way to the ELEVATOR; at which time the Sentry will again inform you that your diaper again needs attention, direct you back to the LAUNDRY SERVICE (and complementary bowl of Franks & Beans to start the endless cycle over again).]
- When those individuals who somehow, by some Miracle / Act of God, have made it out of the LOBBY and past the Sentry at the 1ST FLOOR OF THE LEVEL OF “DUH...” (either through learning to pass on the franks & beans, or through bowel strength exercises), they progress along the 8 FLOORS OF THIS STAGE at their own pace; seeing what there is to see (to the degree that their curiosity and powers of observation allow them to see).
- I should also point out that the Sentry in the Lobby, by orders of his “superiors”, is required to tell everyone who enters the Lobby, desiring to take the elevator up:
“In order to travel up, you actually need to go *down*. When you get into the elevator, be certain that you press the *down* button so that you do not get lost.”
[You would be amazed at how many people actually believe and follow this foolish Alice-in-Wonderland logic and never even make it back up to the Lobby: getting lost in the labyrinth of levels and rooms in the basement and sub-basement levels of “Oops” or being content to remain there thinking that they have actually made it to the Penthouse, when they are in the lowest level of the sub-basement (where “free” lobotomies are performed).]
- When those on the 8TH FLOOR OF THE LEVEL OF “DUH...” attempt to take the ELEVATOR to the 1ST FLOOR OF THE LEVEL OF “HMMM...” the Sentry posted there says,

"You are welcome to come in—but you'll miss the great "THREE STOOGES, STAR TREK, and DUKES OF HAZARD FILM FESTIVAL MARATHON" that is going on right now there in the LOUNGE on the 8TH FLOOR OF THE LEVEL OF "DUH..." Free T-shirts of each series will be given away to each person who stays for the *entire* FESTIVAL. ...great shirts! ...I have a set myself! ...you'd better hurry back down there now; it starts in 5 minutes."

- When those who have progressed on to the 8TH FLOOR OF THE LEVEL OF "HMMM..." try to advance to the 1ST FLOOR OF THE LEVEL OF "COOL!" the Sentry there stops them and says,

"Hey, great to see you... you are certainly welcome...h-o-w-e-v-e-r, I hear that they are giving away free *Crossword puzzle, Find-the-hidden-items-in-the-picture, and other* "brain teaser" books there in the LOUNGE on the 8TH FLOOR OF THE LEVEL OF "HMMM..." But I guess that will only interest you if you are one of those "brainy types"—not like me... I'm pretty dumb; that's why I'm just a Security Guard (besides, I'm stuck with this job because I kept forgetting to say, "Would you like some fries with that Ma'am...?")."

- When those who have progressed upward to the 8TH FLOOR OF THE LEVEL OF "COOL!" try to move up to the 1ST FLOOR OF THE LEVEL OF "WOW!" they are stopped by the Sentry stationed there who says,

"I'm sorry, but you must have a SECURITY CLEARANCE AUTHORIZATION Pass to be admitted to this Floor. H-o-w-e-v-e-r, you may apply for authorization in the LOUNGE back down on the 8TH FLOOR OF THE LEVEL OF "COOL!", where they will screen you, test you, train you, debrief you, and give you clearance—*once* you pass the *12-hour* examination... If you don't pass, don't let that discourage you... you're allowed to re-take the exam as many times as you want, but *only once every 6 months* (hey, it took me 3 tries to pass it myself... but my perseverance paid off: here I am)."

[The average person does not realize that this statement by the Sentry is not really a *factual statement*; people do not really require any such "authorization pass". In reality, it is a **secret code phrase**, whereby, if you know the *password response* you can just waltz by the Sentry as if he is not even there.

The password code response is, "Screw you! I'll think what I want and follow the truth where it leads me... get the h*ll out of my way or I'll drop you down the elevator shaft!!"

[A bit crude for refined and civilized people (few of which are left in the world today), but firmness is often needed to demonstrate that you have all the clearance that you need and it is the only language that the Sentries understand.]

Most people are fooled by the bogus "Authorized Personnel Only" statement made by the Sentry, and simply follow orders that anyone in a uniform barks at him.

In fact, *each floor* of each level finds only 75% passing to the next floor. You can do the math Einstein, and let me know how many people out of 2 billion make it to 8TH FLOOR OF "EUREKA!" and how many make

it to the PENTHOUSE. We will not take the sub-basement levels into consideration or those who are trapped there, since we are only counting individuals with actual brain activity measurable by an EEG.]

- When those on the 8TH FLOOR OF THE LEVEL OF “WOW!” persevere to the 1st FLOOR OF THE LEVEL OF “EUREKA!” they are stopped by the Sentry on duty there who tells them,

“Too much knowledge is a dangerous thing. You already know too much (that which the “government” does not “approve” of)... I must warn you that if you continue on your current path, you will be placed on the “government’s” list of subversive groups and cult members. This could become very unpleasant for you, to say the least. Why not just go back down onto all the other floors and *have fun and enjoy life?* Leave the thinking up to the “experts.” *They* alone know what is best for you.”

- When those on the 8TH FLOOR OF THE LEVEL OF “EUREKA!” persevere to the PENTHOUSE they are stopped by the Sentry on duty there who tells them,

“You already know everything there is to know. There is nothing on this floor for you to see that you have not already seen. You can come on up if you like, but you will miss the special AWARDS BANQUET being held in your honor in the LOUNGE back on the 8TH FLOOR OF THE LEVEL “EUREKA!” at which you will be given your PH.D. and the NOBEL PEACE PRIZE.”

Well, that’s it for our little story...

Is it any wonder that so very few ever get to the higher stages of truth?

Is it any wonder that so very few ever get to the higher stages of truth? On my way to the Penthouse, I passed an old acquaintance who told me:

“—...Hey great to see you. I hear that on the ROOF of the PENTHOUSE a HELICOPTER is waiting to take you *wherever you want to go...* but I don’t really know that for sure... I personally haven’t made it to the PENTHOUSE, *yet...* those *idiots* at the AWARDS BANQUET have mis-spelled my name on my Ph.D. *8 times now* and I am still waiting for them to get it right! Supposedly, I am not able to collect my NOBEL PEACE PRIZE until I show the COMMITTEE proper I.D. and my Ph.D.; so I am certainly not going to take that helicopter to a private island in Hawaii until I have my Ph.D. and Nobel Prize. Gotta run... the BANQUET starts again in 10 minutes and I hear they are having Prime Rib this time... Whitney Houston is supposed to be singing and David Copperfield will be putting on a killer of a magic show so I don’t want to be late. Hey, why don’t you come along? —it will be fun.”

I declined.

I hope you make it out of the Lobby. Don't dawdle... get to the helicopter as soon as you can... you never know when a terrorist may crash an air bus into the building.

[If my math is correct, out of 2 billion people, 15,084 make it to the 8th floor of Eureka and 11,313 make it to the Penthouse. Will you be one of them...?]
