

A *parody* (with a slight face-lift) from the back of my 1995 book, [So, You Call Yourself A Christian...](#), a primer showing that God's Law was never abolished; that most "Christians" live as if they are lord of their own lives, and which shows that *Peter's Vision* had nothing to do with abolishing the dietary laws; and that no other NT passage abolished the dietary laws. 76pp., 7.00 + P&H. WHO is your God...? —the CREATOR and LORD GOD or your belly...? If you don't think that it matters and that is not worthy of actual, honest study to see whether you may be in sin against God, you just confessed who your god is.

THE ORIGINAL "ANTINOMIAN'S COMPANION"  
**ERASE-A-BIBLE**

Don't be offended by the Bible any longer... simply *erase* any passages that upset you, those you don't like, or those that are *obviously* "out-of step" with *progressive, enlightend* modern society...

—then **you** can entirely re-write and re-word all those "rocks of offense" and "stones of stumbling in Holy Writ." Let go of the gloomy and confining past and embrace a *new spirit* of liberation and freedom. Be creative:

"If thine neighbor's eye an offense be, pluck it out so he can't see; if *any* *verse* offend thine heart, *rub it out* and blunt guilt's dart. Live not in dread if God will choose, your transgressions great to blot or lose; *blot out the Law, itself*, you may: to live carefree in every way. Where there's no Law *there is* no sin; no need for pardon's mercy win. Where there is no sin there is no guilt; so live life fully to the hilt. Where there's no guilt, no judgment's noose; so live your life fast, free, and loose. For thou art god and God is not; with one small stroke all sin is naught. Fear's dreaded spirit God *wrought not so*; to  *cage thee fast up*, with fear and woe; so fear thee not of judgment's dread, put law and fear at last to bed. Rewrite the Law, change every letter; no *more let it* bind and fetter. Reform each jot and every tittle; *pen and compose* your own acquittal. God's Word reborn, catered to your fancy; don't be afraid to take a *chancey*; your whims and bias give full reign—give "Christ's religion" a *new name*. A face-life here, and an implant there; give your old faith, a full head of hair. Don't lose dear sleep at night to guilt; your own ideas sew comfort's quilt. Don't believe in dreaded fire; find sweetest sleep in Satan's lyre (but don't forget flame-proof attire)." (New Damnations 2:L8 [or "too late"])

Give that *vengeful, racist, sexist, intolerant* "God of the Old Testament" a total Make-over... even change his (her) Gender...!

"Ever learning but never able to come to the knowledge of the truth." (II Timothy 3:7)

The Original **Apostate-Laeodacean** “Holey” Bible: **Unique Features:** ♦ Available in all the colors of the rainbow. ♦ The entire text of the Bible is printed with **eraseable** ink for your tender or selfish conscience’s convenience. ♦ Erase any verse that you don’t agree with; edit in **your own opinions** and ideas of how *you feel* the Bible should read. ♦ Faithfully preserved from the original manuscripts **until you change it yourself:** to conform to **your own idea** of what God and the truth should be; based upon *your own fallen thoughts and feelings*. ♦ **Red-letter words of Christ** are *equally eraseable*. Rewrite Christ’s Words in **black (or pink)** ink to “take out **the fire**” of some of Christ’s **hotter** denuncements of certain peoples or sins. ♦ Glossary and Lexicon also erasable so you can change the **meaning** of the words too. ♦ *Politically Correct* Notes & Commentary added by the publisher in **indelible (noneraseable)** ink. Special church denomination editions available with your denomination’s own rules and regulations, replacing God’s Law (in **indelible** ink so that you can keep your congregation in bondage to *your own legalism*, while freed from God’s “oppressive lawfulness”). ♦ Manufactured with *special binding* allowing for *easy removal* and *scrapping* of *entire pages, chapters, or books (even the whole Old Testament* and “outdated”, *intolerant, non-inclusive, rigid* New Testament passages); which also allows easy insertion of pages from the Talmud, Koran, or any other “holy” book. ♦ Comes with 9\* long-lasting, fire-proof eraser tips which fit any ink pen. (Pens with *eraseable ink* available for those who change their minds frequently until they find a doctrine they are comfortable with). [\*—the NUMBER OF JUDGMENT.] ♦ Printed with **dog-eared** pages (for those who have ears to hear only the high-pitched pied-piper of Babylon); beautifully bound in genuine **pigskin** leather—*waterproof*, pigskin leather (in case your Bible comes to life and stampedes down a ravine into a lake by some unseen spirit). ♦ Always a “happy” ending (if **you** want one). ♦ Not *Yahweh*—but **your way**...! ♦ Change anything and everything you want to, to your heart’s delight:

- ♦ Re-write stories that make you uncomfortable;
- ♦ Change God’s Moral Law and Standards of Holiness;
- ♦ End chauvenistic male domination [Example: “When Godette created the Heavens and earth SHE said, let there be light—I am woman hear me roar...!” (I Perversions 1:1)];
- ♦ End racial and gender discrimination and all forms of inequality;
- ♦ End the old-fashioned rigidity of “only one way” for salvation;
- ♦ Your favorite sins now celebrated with a holiday.
- ♦ Make changes anywhere, any time, any reason, every season.

**Self-Erasing Bible**

The FRIEND OF THE WORLD PUBLISHING COMPANY in conjunction with *Apostates Anonymous* and *Proud Harlot Productions* now offers a new edition of the popular, IGNOBLE PSEUDO-PEACE PRIZE-winning *Erase-a-Bible*. This modern *politically and religiously correct* “Bible,” is now available with these new, cutting-edge, state-of-the-art, soul-pleasing features (see following page):

“If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are.” (I Corinthians 3:17)

“NEXT GENERATION” Antinomian’s Companion  
**Self-Erasing Bible**

- ◆ Perfect for “Gender Fender Benders...” - pen *your own* new Biblical text in any color of the rainbow or invent your own color...!
- ◆ All the pages of this entire Bible are **completely blank** so that each person can actually “entirely write *his / her / its* own Bible”, enabling each individual to have the “Word of God” say **exactly and only** what *he / she / it* wants it to say—or leave it entirely blank and just “meditate” on nothingness (the less you write, the less evidence there is against you).
- ◆ Pens with erasable ink & erasers are still available for those who like this older feature.
- ◆ For those who are prone to *completely changing their entire* “meology” every year or so, we now offer a special pen that contains “disappearing” ink. The entire text of the Bible “you write” will *fade into obscurity* within a year, so that you can start with a “clean slate” and “re-write the Word of God” each year, based upon any new-found theology, and the current *politically correct* “Doctrine of the Day”, and how you happen to *feel* at the time; let your emotions be your creative guide...
