

**New Petition / Constitutional Amendment  
by the Government of the United States (the *true* people)**

**Abortion on Demand of Partial Term or Full Term Politicians  
whenever they violate the Constitution or pass any unconstitutional “law”.**

**Politico-Medical Procedures to Remedy the Problem:**

[6th option: Do it yourself and save the people the trouble.]

Treason is still a crime and a capital offense.

“But everyone is doing it,  
*what difference does it make?*”

—is not a valid defense.

A political measure  
whose time has come...!

Cast your ballot (or sabot) today...!

If illegal aliens and other non-American citizens can vote in U.S. presidential elections, then unborn babies can vote concerning the abortion of politicians. So far there are 46 million aborted babies that have voted in favor of “Partial or Full Term Abortion of Politicians”. What’s good for the goose is good for the gander...!

[Note: while 46 million that have already been aborted have cast their vote, another 10 million that have not been born yet and another 30 million that have not been conceived yet have “written in” their vote in advance. If Democrats can vote beyond the grave, then fetuses can vote *beyond the grave* and “before the womb”.
