

Modern-Day Peanuts - The “New Improved” Lucy on Steroids = treasonous RINO politicians.

Once gullible, trusting Charlie Brown kicks and misses (because Lucy once again pulls the ball away) and lands on his back, the knife will be plunged through the heart. Life / Freedom is not a game - Politicians should not be left to police themselves by the “honor system” — but be held accountable for their lies, crimes, and treason; and the ultimate criminal penalty executed upon all who violate their ONLY Job: to PRESERVE and DEFEND the Constitution and the safety and rights of TRUE AMERICANS (NOT the rest of the world; they have their own nations). “Trust me Charlie Brown... I promise it will be different this time...!” See also:
