

Whose Law and Moral Code Do You Follow?

The U.S. Supreme Court is *supposed* to rule according to the U.S. Constitution, which is to be interpreted in light of what the Founders intended, and by the Common Law, which is inseparable from Christianity and the Law of God. Most lower courts (judges) ignore the Constitution (and thus, they should be arrested, tried for their crimes, violation of their oath to uphold the Constitution, and they should be replaced). They instead rule by “Civil Law”; which cannot trump the Constitution, which is *the Supreme Law of the Land!* — and when Civil Law contradicts the Constitution it is no law: no one needs to obey it, no police or courts need to enforce it. The Supreme Court (comprised of aliens and antichrists) mostly “re-interprets” the Constitution in light of modern perverse notions of what they think that reality should be — not according to the Constitution. They too should be arrested, tried for their crimes, and replaced.

“Whosoever therefore will be a friend of the world is the enemy of God.” (James 4:4; Matthew 6:24)

The *true* Remnant of God keep the Commandments of God and have the Faith and Testimony of Christ Jesus. (Revelation 12:17; 14:12)

Christ Jesus never abolished God’s Law. (Matthew 5:17-19)

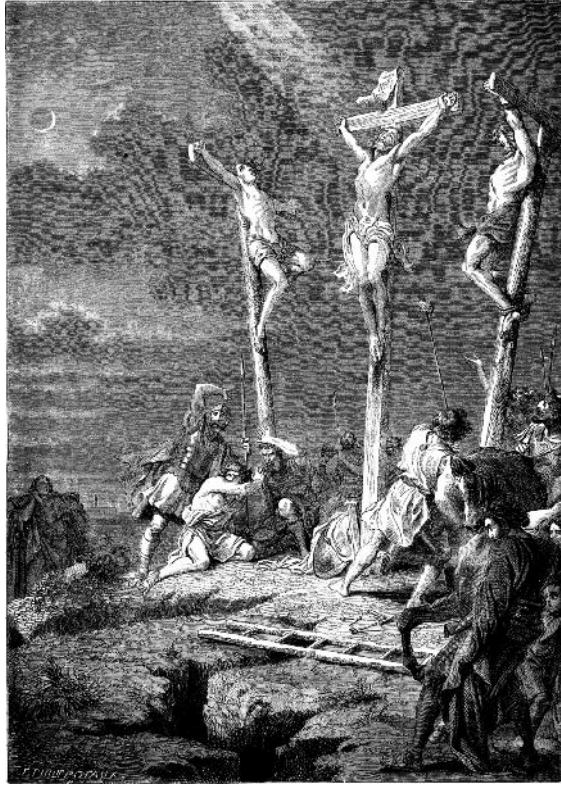

God never changes.

God’s Law — the only Standard of Morality — never changes.

Sin never becomes virtue.

Abominations never become wholesome.

If you believe it really doesn't matter if you break God's Law, thinking it's not really sin because no one gets hurt...

You're DEAD wrong!

“¹⁷Think NOT that I am come to destroy the Law... I am NOT come to destroy, but to fulfil [make complete]. ¹⁸For verily I say unto you, Till heaven and Earth pass, one jot or one tittle shall in no wise pass from the Law...” (Matthew 5)

Why do the vast majority of “Christians” believe and do *the very opposite* of what Jesus commanded? — because they are not of His sheep (or yet unregenerate). Jesus said, “My sheep hear My Voice ... and they follow [obey] Me...” (John 10:27) Jesus said that if you truly love Him you will obey Him (John 14:15) — and His Commandments are the self-same as the Father's: Who is One with the Father and Whose Will He came to do. However, if you don't obey God's Commandments, you don't even know God and Christ Jesus is not in you (I John 2:3-6), and He does not love you (John 15:10). Every tree is known by it's fruit. Obeying God does not earn or contribute to salvation — it is what honorable children do.

See my book: Are We Keeping God's Law Yet?, in-depth discussion, reveals spiritual meaning behind laws of God, physical reason why given; detailed, practical, insightful study; 500pp., 6x9, pb., 25.00 + P&H. God's Law establishes morality in every area of life, which never changes. God promises to bless us when we obey; and judge when we violate.
