

The Modern Apostate Babylonian Barnyard Abomination - PART III

Yeah, this ain't no laughin' matter. We've got feelings you know. We're sheep too. *Species* is just a “social construct”... BIGOTRY...! A MENTAL DELUSION...! NOW WE ARE HUNGRY SO COME WITH US TO LUNCH! You're BIGOTRY is so HATEFUL and VIOLENT we've almost lost our appetite...!

That's right little tyke... listen to mommy and don't be such a homophobic redneck neaderthal racist xenophobe islamaphobic antisemite. Come with us for a “bite to eat” and embrace other peoples, cultures, and religions. Stop being so hateful and fearful.

But I thought that the mainstream mind-controllers and shapers have said that “experience” is what dictates “reality”... and I have determined that I have enough “experience”—and more important than my experience is what God commanded...! He commanded separation. He commanded that we “put a difference” between clean and unclean because He did. He commanded “everything after its own kind”.

And Jesus said that He sent His disciples out as sheep among wolves... to search out the lost sheep—not to “fellowship” with and “become one with” the wolves. Jesus said that He came only for His sheep; and He commanded, “Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you.” (Matthew 7:6) What verse is it that you and Tucker Carlson are quoting? I seem to have missed it.

Bigotry is IMMORAL! There is NOTHING more “UNAMERICAN” than THAT...! So says even Tucker Carlson. Now, my little lamb, go play with the nice strangers. Don't judge all wolves and hyenas by the bad experiences you have had or have heard about or read about. Jesus broke down all barriers. I am sure that the vast majority of wolves and hyenas (and sharks and crocodiles) are wonderful wonderful animals who have so much to contribute to the world, and so much to teach us. DIEiversity is really so very, very wonderful. Put aside all that BIGOTRY and STOP JUDGING every wolf and hyena according to your own narrow-minded, fearful, prejudiced, subjective “bad experience” and embrace all animals as the same. We all bleed red blood don't we? We all breath God's air and bask in His sunshine don't we...? We all eat the same grass don't w... uh... er... well, nevermind that... We all are equal and none of us has any more right than any other. All animals have equal right to the sheepfold. Jesus is not merely the Good Shepherd, but the Good Goatherder, Swineherder, Wolflover, etc.

[Yes, that's actually where the leaders of the modern “Christian” Church speak out of...]

But mommy, when did you start worshipping Molech...? I thought you loved me...? When did you stop following The Good Shepherd and start following the Pied Piper of Babylon...?

Bigotry is IMMORAL...? Oddly, Tucker does not quote Scripture or offer *any logical philosophical argument* to validate his blatant authoritarian assertion. You really have to wonder when professed sheep spokespersons parrot “wolf-doctrine” *as if* it is “unimpeachable truth”...! The word *bigotry* is a late 17th-century word derived from bigot, from the French *bigoterie*—which word is of UNKNOWN origin or meaning...! If it is of “unknown origin or meaning”—WHO determines what it means? —Anti-BIGOTS...? But I thought it was “BAD” to be “ANTI-” ANYTHING...? Why is it that the SHEEP in the SHEEPFOLD are expected to play by the wolves' rules and interpret meaning and reality according to wolf-logic, wolf-definitions, and wolf-law...? “BIGOTRY (of unknown meaning) is ANTI-AMERICAN—and NOTHING is MORE ANTI-AMERICAN than that”...? That's funny, I don't remember reading that in the U.S. Constitution, the Articles of the Confederation, or the Declaration of Independence (and NOTHING is more “American” than those documents). Our Constitution preserves our right to contract and NOT to contract, to associate and NOT to associate and THAT is the *right* to *discriminate*. God commanded that we discriminate. The Constitution is part of the Common Law, the Common Law was founded upon the Law of God and Christianity (in its true form) is part of the Common Law. Mom, do you do drugs...? Have you been sniffing synthetic horse-hoof glue? Did you sell your soul to the Devil?
