- **The Lost Little Princess**, 8½x11 stapleback 60pp., laminated cover & thick, light blue paper; touching allegory on Israel Message in metered rhyme, beautifully illustrated with original (non-multicultural) art work. Even Nonchristians & mainstream Christians like it. The reader sees a story according to the spiritual plane he is on. The more you know the more you see. - **The Christian Israelite and Polygamy: The Frenzy, The Facts, The Foundation & Other Controversial Topics Concerning the God-Ordained Roles of Man and Wife; Neither promotes nor condemns polygamy; but reveals what Scripture says, in law and principle.** The minds of modern Christians have been corrupted in many ways by liberalism as feminism and paganism have crept into the modern church. The carnal mind (masquerading as a converted mind) rebels against clear teachings of the Word of God in numerous areas considered by modern society as "old-fashioned," "archaic," "obsolete," "oppressive," "barbaric," etc. God established the boundaries of morality. It is ironic modern society condemns polygamy which God does not condemn--yet modern society sees nothing wrong with indiscriminate and multitudinous sexual encounters as long as people are not married, which God calls *whoredom*; 80pp., 7⁰⁰ + P&H.

- **The Christian Israelite & Salt: The Two-Fold Purpose of Believer: Judgment and Blessing**; very deep study into parallels between salt & true Christian--even down to chemical analysis of salt & molecular structure; deep study, yet nothing too technical average person cannot easily understand. Bible Numerics is used to help show the parallel. What is the role God's true people are to take today in society infected to the core with evil? Why do we not have more books of the Bible than we have? Why are so many ignorant concerning the deeper truths of God's Word? These and many other questions answered. 88p. 7⁰⁰ + P&H.

- **Confessions of an Anesthetized Person known as Jewish**, 60pp., very hilarious, but revealing, illuminating expose of the entire conspiracy against Christendom, introduction of the Christian-Israel truth, and lucid explanation of what will happen to the U.S. if we give up our guns. Very easy to read; in dialog format. 5.50 + P&H.

- **Deliverance or Delusion...? —Which Do We Want...?**; 88pp., 7⁰⁰ + P&H. (goes well with Calling the Remnant..., Who Is Responsible...?, Why Christendom is on the Verge...?, and What's Keeping God...?)

- Does God Repent...? Can God Change His Mind...? [And an Utter Demolishment of the Humanistic Myth of Man's "Free Will" and Arminianism], 506pp., pb., 25.00 + P&H. Dovetails nicely with my (final in the series) The Sovereignty of God... and God and Evil Lively, profound, revealing, thought

provoking, convincing thought, logic, Scripture. My book on 911 was one of the first on the market, endorsed by Eustace Mullins, Lieut-Col. Gordon "Jack" Mohr, and Col. Donn de Grand Pre. Col. Donn de Grand Pre wrote:

[Col. Donn de Grand Pre was a decorated Army Air Corps fighter pilot (WWII and Korea) and OSS (Office of Strategic Services), he was appointed by Secretary of Defense Robert McNamara as Director of Grounds Weapons Systems; he was also former arms salesman to Pentagon. - **The Book of the Prophet Jonah**, 634pp., 32.00 + P&H. No commentator that I know of, understands the purpose and message of the Book of Jonah. This book is an amazing journey; a simple book misunderstood in regard to its general purpose and overall lesson; and many elements of the book are interpreted different by many. A very short book with remarkably very little detail, actually presents a larger-than-life story with amazing insight that no other commentator or theologian has ever uncovered; the illogic and outright heresy of many commentators and "experts" is scrutinized and refuted.

Was Rahab a "Canaanite" ...? and Was Rahab the Rachab in Christ's Genealogy? - The Promises and Covenants Stand...!** The audience of each was *Israel*—not "nonIsraelite Gentiles"—both those in the Land of Israel and those of the dispersion in the lands whence God scattered them; the law was not done away with, love = obedience = good works = keeping the Law of God = walking in the Spirit = doing righteousness = walking in His Ways, etc; Predestination and Election of Israel alone; Also containing: - a detailed account of Jericho. - introduction concerning author of Epistle of James; discussion of the apostles, 49 illustrations, numerous original charts; genealogy of Christ & disciples (Christ's 1st & 2nd cousins); names of disciples, sealing of 12 tribes, gates of new Jerusalem, time-line from Jericho to building of Solomon's Temple; much more. 522pp., pb., 25.00 + P&H.

- **The Epistle of Paul the Apostle to the Romans**, 758pp., pb., 40.00 + P&H. Possibly the only correct commentary since Paul wrote his epistle... chapter by chapter, verse by verse... shows the "Gentiles" and "Greeks were the Israelites of the dispersion, identifies all the Old Testament quotations and allusions made by Paul, shows that Paul in no way suggested that the law was abolished, or changed, or that it was "optional"; lays bare the error of anti-Paulines and defends Paul's identity and office. Shows the correct method of Biblical interpretation will prevent/dispell all false interpretations and false doctrine, also shows how many people, for some reason, read truth backwards and confuse themselves, and also misunderstand things because they focus on a minor point of a passage, rather than the major point; and often like a deer in headlights, focus on what they do not understand instead of focusing on what they do understand while meditating until God gives greater light on what they don't understand. Ties in a plethora of Old and New Testament Scripture. One of my most important works.

- **The Gospel of John, Chapter 3 — Including Nicodemus' Secret, Night-time Meeting with Christ and a Discussion whether the Passage means, "Ye must be born again" or "Ye must be born from above" What is the 'World' that "God so Loved"...?**, 88pp.; lively/enlightening commentary ties together many portions of Scripture, baptism, why Christ symbolized as raised serpent on pole, insight into feasts, sacrificial system, more. 7.00 + P&H.

- **Genesis 31-37, 48, 49:5-7 & Judges 19-21—Culminating in Dinah’s Defilement with an Examination of the Near-Extermination of the Tribe of Benjamin** (Including: Origins of Adamkind, most in-depth History of Jacob-Israel (from Call of Abraham to Israel going into Egypt) detailed accounts of “call of Abraham,” rescue of Lot, flight of Lot from Sodom, sacrifice of Isaac, origin of Abraham, true location of Ur of Chaldees, exegesis of Genesis 31-33 (history of Jacob from when he left father-in-law Laban, wrestling with angel, fearful reunion with Esau, relocation to Succoth, Shechem); 34 (Simeon & Levi’s massacre at Shechem); 35 (flight to Bethel, etc.); 48/49 (judgment on Simeon/Levi) exegeses also covering significant portions of Genesis 10, 11, 14, 18, 19, & many other passages); numerous charts (+3 fold-out maps); illuminating detailed study unlocks many mysteries of Scripture, ties together large segments of Israel’s history (& prophecy), resolution of chronological conundrums; detailed analysis of Nimrod/Tower of Babel, foundation of Ninevah, history/origins most all peoples/empires of Bible (Akkad, Aramaeans, Assyrians, Babylonian, Canaanites, Chaldeans, Edomites [“Esau-ology”], 9 tribes of Giants, Ishmaelites, Medes, Parthians, Persians, Philistines, Sumer, etc.); proof Simeon & Levi’s extermination of Shechem for kidnapping/raping sister Dinah not really unusual (God ordered similar things, some are covered, including complete exegesis of grisly, odd history of Judges 19-21 with the near-extermination of tribe of Benjamin). Extra-biblical sources also consulted and explained. After reading this book, you will understand, better than ever, early Adamite and Israelite history and the racial identity of majority of nations/races in O.T., Bible prophecy, & God’s overall plan. Deepest study of many of these key Biblical stories ever written. Don’t let size of book scare you; you will learn more from this book than reading 12 other books. It is equal to about 5 books (but at the price of 2.5). If you liked What Was the Mark...—this one is even better. Around 60 commentaries were consulted, among many other books, a very deep exposition of historical and spiritual truths. 711pp., pb., 40⁰⁰ + P&H.

- **The Gospel of John 18-21: Passover, The Betrayal, Arrest, Jewish & Roman Trials, Crucifixion, Resurrection, Post-Resurrection, & Ascension of our Lord, and Pentecost, with a Harmony of the Gospels, the Making of the Apostle Peter, and the Intricate Depth of Irony Revealed**, 800pp., pb. 40.00 + P&H. Many mysteries re-

vealed no other commentator has uncovered, deep spiritual truth, verse-by-verse commentary, harmonization of Gospels, several charts, shows relation of half of disciples to Christ, Christ’s genealogy, consultation of 60 other commentaries distilling their best valid thoughts, and much more. This book will be hard to put down (I put superglue on the cover); incredible depth and insight.

- **Jeremiah 31**, covers entire chapter exhaustively verse-by-verse with extensive commentary & detailed exegesis; clearly shows God’s Law was not done away with, gives insight into overall prophecy & God’s Plan; reveals numerous mysteries of Scripture; contains introduction to Jeremiah (both the book & the prophet); gives an overview of the pagan kings and king of Israel who were contemporary with Jeremiah. 328pp. pb.; 18⁰⁰ + P&H. (rewritten)

- **The Truth About Ruth: Ruth the Israelite**, 328pp., pb., 18⁰⁰ + P&H. (in *Apologetic Exposition Series* as well as *STEC Series*) Powerfully proves God’s Law not abolished; Covenants not spiritualized to all peoples; deep, chapter-by-chapter, verse, by verse exposition proving Ruth was not Moabite; an in-depth primer on Understanding God’s Word, the Rules of Biblical Interpretation; ties in God’s law and issue of race, along with hundreds of other Bible verses, explains immense ramifications if Ruth was a Moabite; explains why this heresy has been promulgated; also contains an in-depth section showing how the errors on this subject in numerous commentaries is easily refuted.

- **Who Was the Serpent in the Garden...? A Case of Reptilian Rebellion or Angelic Anarchy...?** [Sacred Truth Expository Commentary on Genesis 3] **Charming and Smashing the Serpentine Myth Concerning Original Sin in the Garden that Makes Nonsense of the Scriptures & “The Waters That Covered the Earth:” A Flood of Questions / A Deluge of Controversy** [Sacred Truth Expository Commentary on Genesis 6-9], 776pp., 40.00 + P&H; showing from numerous different angles of logic (both textual, court-room/legal, and Scriptural) that the Serpent, could not have been a “snake” (or a snake Satan possessed, or beast of the field)—but Satan himself.

- **Zechariah 4**, covers entire chapter with extensive commentary & detailed exegesis; clearly shows God’s Law not done away with, gives insight into overall prophecy & God’s Plan; gives overview of all visions in book of Zechariah & Nehemiah, Ezra, Haggai, Daniel, Revelation, in conjunction with return of captives, rebuilding of Walls & Temple in Jerusalem. 378pp., 20⁰⁰ + P&H. deep spiritual / historical study also touching many controversial topics.

- **So, You Call Yourself A Christian...**; Powerful primer proving God's Law could not have been done away with not only because of God's Promises, but because of God's very nature. What makes a Christian a Christian? What makes God God? Proof that Peter's Vision (and all other N.T. passages

the average person things "did away with" the dietary laws) did **not** abolish God's Dietary Laws in the slightest. 76pp., 7⁰⁰ + P&H.

- **The Sovereignty of God, Predestination, "Free" Will, and the Protestant Reformation**; 192pp., 16⁰⁰ + P&H. Prequel to **God and Evil**; dovetails nicely with **Does God**

Repent...?. All 3 are essential to understanding God, His Nature, His Plan, What He requires of us.

- **Stephen Hawking: Cosmic Tragedy — Hawking Fake Science... & A New Evolutionary Theory of The Universe**, 78pp., 7.00 + P&H (exposes atheistic anti-God evolution

and utterly shreds Hawking's illogic).

- **Survival Alert: America The Occupied: Part 1: United Nations Troops in America "Re-loaded"** (updated); A Report on imminent foreign military takeover of the US, abolishment of all freedoms, and the institution of Martial Law and One World Government. How close it this to coming to pass? Should we be afraid? Should we prepare? 56pp., 5⁰⁰ + P&H.

- **Survival Alert: America The Occupied, Part 2: The Largest, Most Powerful & Most Dangerous Cults in America: ATF, FBI, CIA, IRS, etc. and Who Was Behind Oklahoma City Bombing?**; Information on this "gov't"-orchestrated terrorist attack & cover-up; revealing info. 27 characteristics distinguish a group as a cult; decide for yourself whether patriots or the "gov't" is the *real* cult; 56pp., 5⁰⁰ + P&H.

- **Ten Commandments For You(th) —For Everyone!** - For Youth and Young-minded* Adults An Explanation of the Ten Commandments and A Memory System using Bible Numerics; Balaicius 440pp., 6.25 x 9.25, pb., 25.00 + P&H. **not** on a child's level, but for older youth and adults. [*

young minded, of course, refers to the opposite of "you can't teach an old dog a new trick" and also Christ taught that if one wanted to see/enter the Kingdom he had to become as a little child, that is child-like faith and obedience.] shows that 10 Com. not 10 individual laws, but 10 categories of law under which the entire law of God is organized; shows how other laws are categorized; how breaking any one is tantamount to breaking all; that all 10 categories if violated are sins against God and all 10 categories if violated are sins against our kinsmen. detailed, enlightening, instructional; profound new thought and clear teaching that will be hard for antinomians to refute, if they will read; detailed exposition of Matthew 5:38-40 concerning loving our enemies, turning the other cheek, giving thy coat and cloak, etc. These were not general, broad based, universal statements, but only referred to accepting just punishment in court if one had truly sinned and damaged a kinsman and thus to accept the punishment gracefully, showing your true remorse for having damaged a brother and "going the extra mile" likewise had specific (not universal) application; but modern christianity has perverted this Sermon on the mount teaching to mean we should just bend over and accept abuse and lie down and

die. Christ taught Occupy till I come, and Paul wrote, have no fellowship with the unfruitful works of darkness but REBUKE them... this is not consonant with “turning the other cheek” to God's enemies, the enemies of Christendom, immoral people, criminals, etc., which is not what Christ was teaching.

- **True Caucasian Christianity Corrupted into Well-Intentioned Nordic Paganism**, shows how Norse mythology is a corruption of Bible doctrine and history and prophecy; 64pp., 6.00 + P&H.

- **Ultimate Reconciliation: The Ultimate Doctrinal Affront Against God**, 48pp., 5⁵⁰ + P&H; lucid, concise study in Scripture showing according to God's Word, Judgment awaits those who reject Christ & there is **no** Scriptural support for belief every last soul or fallen angels (including Satan) will be reconciled back to God. Just because eternal judgment makes us uncomfortable does not invalidate God's decree. If there is no future judgment, Christ's death was unnecessary & there is no reason for people to obey God or accept Christ, if they will be saved eventually anyway.

- **Uncovering the Mysteries of Your Hidden Inheritance**, 6x9, 192 pages; Illustrated; pb 18⁰⁰ + P&H; Hb 28⁰⁰ + P&H. The foundational book upon which all my other books are built: Irrefutable proof from Bible, history, archaeology, philology, that Anglo-Saxon, Celtic, & related peoples are only legitimate descendents of Israelites of the Bible; not to be confused with “jews” who are Canaanites of Bible times, who stole Israel's name & language after God cast true Israel out of their land & scattered them to the 4 corners of earth whence He will one day regather them. Around 10,000 hours went into the research and writing of this book. I highly document all my sources. This is no mere fancy or opinion, but substantiated fact. The truth revealed herein is the key to understanding all Bible (and secular) history, God's Law, and prophecy. [Available in Danish and Afrikaans online for free; soon also in Slovak.]

- **Void of Offense to God and Man: The Christian-Israelite in Relation to Mainstream Christian's and God Himself**; a much-needed indictment against the attitude & mind-set of many Christian-Israelites today. We ought to be able to convince gainsayers by true love, sound doctrine, gentle strength--not by arrogance/caustic name-calling. What God expects our attitude to be toward blind brethren & Him. Every Christian-Israelite needs to read this! very deep spiritual meat 88p., 7⁰⁰ + P&H.

- **The War Between the Children of Light and the Powers of Darkness: How the Christian-Israelite Can Live In An Evil World System (Including the TRUE Story of the Phinehas Priesthood)**; [Highly endorsed by Col. Jack Mohr & Eustace Mullins.] No Patriotic, God-fearing Christian should be

without the valuable information this book presents. Hard times are coming. Wise men see trouble afar off and prepare. Already proven to be a powerful tool of deliverance by thousands who've read it... a bold, profound, in-depth discussion of many thorny but vitally-important topics dealing with the Christian-Israelite's position in an ungodly world in which evil pervades and prevails. Errors of both extremes are refuted by sound Biblical interpretation, combined with logic and common sense. Some topics covered include: The Christian-Israelite and Hate, Militancy or Pacifism, Vigilanteism, Obedience to God or Subservience to Evil, the Difference between “Power” and “Authority,” The True Story of the Phinehas Priesthood, Self-Defense, Dominion, Carnal Retribution or Divine Judgment, and much more. Information key to preparing for the Time of Jacob's Trouble and How the Remnant can Hope to Endure and Overcome is also discussed. Many other peripheral topics are explained with enlightening analogies, clear Hebrew/Greek exegesis, Bible numerical interpretation, History, God's Law, and much more. Credited with changing the lives of many who have read it. 506p. pb 20⁰⁰; Hb 30⁰⁰ + P&H.

- **What's Keeping God from Delivering America, Britain and Europe from Destruction...?**, 112pp., pb., 9⁵⁰ + P&H. **powerful** book will hopefully help wake up our people to fact that God's Law was never abolished and the violation of God's Law (which Christians think was “done away with”) is what keeps God from hearing our prayers and delivering us from our national enemies threatening the very existence of Christendom. Order one and read it and then order it in bulk to distribute to help save our nation.

Covers many other mysteries of Scripture. Don't let the size of this book scare you. This is a fascinating study which is essentially an in-depth commentary on the chapter 4 of Genesis (which also partly covers Genesis 3,5,6,9, and 10). Though very in-depth and informative, it should be an easy read overall. This is practically a whole-year's Bible study (a college course) in 1 book. read you will not be able to put down and one of those rare books that you wish would never end. · One rash decision, a regrettable mistake, can snowball and cause a chain-reaction like an avalanche; so-far reaching one may wonder if it can be outrun even if he flees to the other side of the world. When such a brief mistake is made, as Tom McCauley finds out, it can carry you about like a beach-ball in the ocean, and all you can do is hang on for dear life and pray to God that you land safely, somewhere, eventually. · Here begins a touching story of down-to-earth people (well... most of them), often real life stories from an earlier era. A story of love and romance interwoven with cultures spanning several nations of a bye-gone era, hard work, drama, intrigue, foul-play, good versus evil, faithfulness, respect, devotion, desperation, and hope combined with real historical events. The epic story of all creation is presented in a whirl: a momentary fall from grace followed by repeated attempts at restoration, while battling a myriad of unforeseen obstacles to that goal which creep out of the past into the present like vipers from a pit that just won't die. You will not be the same after reading this book; you may become a part of the drama itself: your heart knit with those of this story, as if they were family or dear friends. At least, that is how it affected me. Step back into the 1800s and enjoy an amazing story. . . . I cannot help but think of a paragraph penned by the eminent Charles Dickens, which shares similar sentiments with this moving, gripping, lively, fascinating story: "It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going direct to heaven, we were all going direct the other way — in short, the period was so far like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only." (A

Tale of Two Cities) —the Editor, Adapter, and Publisher, R.A.B. A must read. This could be the next Hallmark t.v. miniseries or motion picture. First edition, limited printing of 150 copies (which may become collector's items).

(Davies' book is replete with error, but since some people still show interest in his works, I spent over 500 hours to correct all the error in these, and they serve as a good teaching tool to recognize illogic, error, and false doctrine)?

- **Rebutting a Limp 'Refutation': Christian Anglo-Israel Defended; 'Heresies Exposed' — Exposed as Impotent Hearsay**, by Robert Alan Balaicius, 88pp., 7.00 + P&H. This begins with a 10-page "exposé" from a book I reprinted by a mainstream author, "Heresies Exposed" (entire book deals with many false doctrines, and the author included a 10-page chapter on "British Israel", though he proved himself ignorant, dishonest, and inadequate) and ends with my 72-page rebuttal.

[* In this book Cox exposes the practice of Southern plantation owners breeding with their slave women (and having mulattoes as concubines) because the mulatto slave brought a higher price. Personal notes: *Thank You* For Supporting This Ministry for all your book needs, rather than going to Amazon, Barnes & Noble, etc. Please consider tithing to a ministry (whether it is STM or some other worthy ministry) that preaches the **full** truth in obedience to God—standing on the Front Line for the truth, facing the enemy—rather than supporting a mainstream church (which uses your tithe or donation to support God's enemies, sin, and evangelizing the Third World). We cannot do what we do without regular support. Thank you, please tell others.

Also please consider remembering Sacred Truth Ministries in your will / trust in whatever way God may lead you. The work of the Kingdom must go on, even if our friends and supporters (whom we will miss) themselves go on ahead of us to the Kingdom itself. Also, make certain your legacy and/or library will be used to further the work of the kingdom, if you have no family that will appreciate your library (or who will simply sell it or even throw it in the garbage, as we have learned happened to several people we know who passed on—even the children of a Christian Israel minister threw out all their fathers' books and tapes). **If ministries like ours received even a fraction of the support mainstream ministries and churches receive, we would have the funds to do whatever we need; but sadly, that is not the case.** I lived below the poverty level for many years working in full time ministry for the Kingdom for 32 years, doing without most things others take for granted, and I put in 90+ hour weeks, and have for 32 years. If you know of other believers who do not know of this ministry / needs, please tell them about us. Thank you!

To the Reader: For those unfamiliar with my works, I need to stress that my book Uncovering the Mysteries... is my foundational book, upon which most all other books of mine are built. Those who do not understand the central thesis (explained in Uncovering...) that the Anglo-Saxon and related peoples are the actual descendents of the Biblical Israelites (and that the people who modernly are known as "jews" are not the Israelites of the Bible) may not understand the reasoning for certain details in other of my books. To briefly explain: After God cast *true* Israel out of the Promised Land (because of their unrepentant sin), the Edomite-Canaanite descendents of Esau moved into the land and claimed it as their own possession (since Jacob had tricked their forefather Esau out of his inheritance). Of the Israelites of the House of Israel (northern 10 tribes) and of the House of Judah (southern 2 tribes) who were taken into

captivity into Assyria and Babylon—99.5% never returned to the Promised Land, but migrated north-westward and “disappeared” from history, at the very same time the “Anglo-Saxon” and related peoples “appeared out of nowhere.” A careful study of history, culture, ethnology, language, archaeology and Scripture, proves beyond the shadow of a doubt that the Anglo-Saxon and related peoples are the very Israelites of the Bible who left Assyria and Babylon and migrated into Europe in fulfillment of prophecy. Though this concept may seem incredible to the average person (and though the mainstream media has denounced such teaching as “racist”—so people will eschew it, rather than actually study it to see if it is true), without knowing this all-important truth, one cannot understand what God requires of us, how He expects us to live, why our nations are being judged modernly through corruption, chaos, terrorism, injustice, invasion, etc.—or how we fit into God’s plan and what Bible Prophecy truly means. I encourage everyone who has never truly studied this issue, read my heavily researched and well documented book. Read it with an open mind. Then, you can read what modern critics have to say against this doctrine and decide for yourself which is true. Most books which denounce the Christian Anglo-Israel doctrine are “hatchet-jobs” which do injustice to the truth and are unscholarly. Don’t accept this doctrine simply because of what I say. Meditate upon it. Scrutinize it. Search it out. But give my presentation an honest, objective study before passing judgment. May God bless you as you study and pray that He leads you into all truth and into conformity with His Will. May you grow in the knowledge of Grace and Truth. Salvation comes through faith alone in the sacrifice of Christ on the behalf of His people; but as in all things, man must conform to God’s terms; not vice versa. It is not a matter of “who’s right and who’s wrong” in any given area of doctrine and practice—but a matter of each of us getting right with God. We have all sinned. We have all fallen short. But Scripture says, “For a just *man* falleth seven times, and riseth up again...” (Proverbs 24:16). God can only deliver us (individually and nationally) if we are walking in obedience to His Will. We cannot walk in His Will unless we know it. We cannot know His Will unless we understand who we are. May each person reading this truly desire to know. I pray my book Uncovering... is the first step in this process. I have invested 50,000 hours and over \$100,000 in the research and writing of my many books. Please invest the few hours it will take to read at least, my foundational book, Uncovering... Robert Alan Balaicius **Note:** Books retain value if taken care of properly. Resist temptation to write in books. Instead: use post-it notes or 3x5 cards indicating page#, paragraph, and notes. **Old Books?:** If you have old, new, used, un-used (any type, religious or secular) lying around you do not want, pack them securely in a box (with packing material on all sides to protect them) and ship them to us BOOK RATE and we will find a use for them. Thank you.

NOTE: If you are not a regular supporter of this ministry,

please consider becoming one. I cannot do what I do without you; without *your* regular prayers and support. It takes thousands of hours and thousands of dollars to produce the books I produce. Help me help our people. I always have about 12 other titles in various stages of progress, in addition to the 30-50 rare books we reprint each year and the 50-100 new titles we add to the catalog each month or so. A few people even *carefully* box up and mail us their old books (or bequeath their library to us) they no longer want, in addition to tithes, donations. Email us for lists of new and rare books added to the catalog each month. If you have no family that cares about the truth, consider leaving this ministry in your will (though we pray you live to see Christ’s Return) so we can continue to spread the truth. Inquire concerning the best way to do this.

CATALOG of 7000+ books,* music, posters/charts, software, videos, etc. [* covering categories such as: Alternative Health, Anglo-Israel, Apocryphal Literature, Bible Translations, Biographies, Childrens’ books, Civilization, Classics, Commentaries, (exposing) Conspiracy, Construction, Covenants, Crafts, Fitness, Health, History (Church & Secular—including 500+ rare, out-of-print, history and Anglo-Israel classics unavailable elsewhere), Home Industry, Homeschooling, Inspiration, Languages, Law, Lexicons, Natural Living, Organic Gardening, Philosophy, Pilgrims/Puritans, Race, Reference, Reformers, Repairs, Science, Self-Improvement, Spiritual Growth, Theology, Trivia, etc.]; 250+pp., 8.5x11, stapled; 6⁰⁰ + P&H. —**or a searchable PDF version is available via email for free** (though any small donation appreciated). *Since so few people ever order books or the catalog, being lazy and apathetic and selfish and preferring instead to support Antichrist Amazon, who takes the lion’s share of any book sale (and then uses that money to help destroy Christendom) due to easy checkout, free shipping, etc., rather than actually supporting the author and ministry / publisher; I do not have time (about 80 hours) to fully update the catalog; therefore, things will be out of place, and the PDF catalog is best as you can do a keyword search. The full catalog and other book lists / fliers are available via contacting me directly through email, stm@mounet.com; or downloadable from my website link: <https://sacredtruthministries.com/books/uncategorized>*
