

Sacred Truth Ministries / Publishing,

List of new / used / damaged books

NOTE: This is a jumble of data from a download of books that I had listed at a book seller site...

it is a mess to look at...

however, if you find a title that you are interested in BLOCK IN and COPY AND PASTE ALL LINES OF DATA of each title that is of interest to you... email it to me, and I will then check to see if it is available; because I will not be able to update this PDF (I have dial up) each and every time a single title is ordered.

The PRICE in the below data jumble will be the number after the sku code. I will HIGHLIGHT IN UNDERLINED BOLD FACE the first several prices (since they don't look like a regular price, unless there is a cents value, like .50. Then you should be able to pick out the prices.

email me in the email subject title, "Inquiry from Special List of Books"

email to: stm@mounet.com

Phoenician Origin of the Britons, Scots, & Anglo-Saxons [Paperback] Prof. L.A. Waddell and None We ship normally on
Mondays and Thursday or Friday; so your order may ship the same day (if you order on Monday) or if you order too late on
Monday or earlier in the week, it will ship within a few days.
450pp., 6x9 paperback, high quality,
computer-enhanced, facsimile reprint of this rare (1924) title.
NOT an "OCR" - scanned and
reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray background, or crooked/
shifting pages, no underlining, marginalia, notalia, no missing pages, no blurred, unreadable pages) faithfully as clean, clear
images, most often producing a product better than the original from which it was scanned.
100% scanned, placed, straightened,
cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred
Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to
finish. Also, these are NOT lightning

print on demand; they are a professional press run of books boxed and waiting to be ordered... hence you will not have the
unprofessional "wave" in the books that lightening print on demand seem to have. 0802SRUMJ98 1 0 - U R U D -

Meat Eaters Are Threatened McClure, Jon “After 10 years as a meat cutter for 8 different companies, Jon A. McClure bares his shocking story in vivid detail, through personal experience in 60 markets throughout the country. With incident and affidavit, he shows how large American meat sellers are almost literally getting away with murder: appalling meat cutting practices, filthy conditions, negligent safety precautions, short weights and mismarking, dangerous additives, adulterated ground beef, slovenly packing, advertising and sales fraud, and exploitation of employees and customers alike.”

This young country;: A saga of America in transition, Koch, Viola E “Like fermenting grapes which can turn either into wine or vinegar, America has reached that point in her historic evolution where she can fulfill her destiny now or be swept backward into new dark ages of lost purpose and forgotten visions of greatness. This Young Country is a historiographic dissection of the climactic hour; of America’s involvement in two world wars, a crippling economic depression, a police action, and the grand symbol of her decline, the United Nations Organization. Digression from sovereignty into international independence commences with Woodrow Wilson and is crowned by the assassination of President John F. Kennedy, a progressive decline preempted, in the autor’s view, by a much earlier departure by America from her spiritual foundations.”

Uncovering the mysteries of your hidden inheritance Balaicius, Robert Alan This book shows the importance between the Bible and history and prophecy. It delves into ancient and Biblical history and traces it to the modern era. Lively and intriguing, it is well-documented and well illustrated. It is highly endorsed by many famous people: Eustace Mullins, Col. Gordon “Jack” Mohr, Col. James “Bo” Gritz, F. Tupper Saussey, and many others. So impressive and convincing is it people who order this book, frequently turn around and order several other titles by the same author. The author does not state opinion, but fact, and firmly backs up what he says with documentation from the Bible, history, archaeology, philology, anthropology, and other sources. A highly informative book, the only people who can truly dispute the evidence are those who have never read it. Highly recommended. The information in this book holds the key to understanding not only the Bible, but past history and also prophecy.

The Power of Prayer — Illustrated in the Wonderful Displays of Divine Grace at the Fulton Street and Other Meetings in New York and Elsewhere, in 1857 and 1858 (1858) [Paperback] Samuel Irenaeus Prime; NONE and Robert Alan Balaicius		
6x9 paperback - retypeset annotated version, with additional illustrations added by the modern publisher. We ship normally on Mondays and Thursday or Friday; so your order may ship the same day (if you order on Monday) or if you order too late on Monday or earlier in the week, it will ship within a few days. 100% produced from start to finish in the USA by with painstaking time, care, and integrity by the founder/director of Ancient Heritage Foundation. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. These are NOT lightning print on demand; they are a professional press run of books boxed and waiting to be ordered... hence you will not have the unprofessional “wave” in the books that lightening print on demand seem to have. An amazing book. It incredibly shows the moving of the Spirit among our people. Why does this not happen today? God's people don't care. They are more concerned with watching tv, movies, or criminals playing with a ball, than our God or their responsibility before Him or the state of our nation. They are passive spectators. They don't read, don't care, don't share. Ordinary businessmen got together for prayer during their lunch hour... in one church, and God answered their prayers in miraculous ways, people were converted without any hype, any emotionalism, it spread to churches throughout the nation. People prayed for were converted on the other side of the nation while they were prayed for; unconverted people felt drawn to sit in these services, which rarely had a sermon preached; they sang a hymn, read a Scripture, took prayer requests, and prayed. In many places where the spirit was moving, people who were vile sinners who never attended a meeting felt led to start family worship in their own houses, having never done so before, and were converted in the process once the Holy Spirit convicted them of their sin. Truly an amazing book.	0627S9EFAHQ 4D-N6Y0-USFF 16.5

Today's evangelism: Counterfeit or genuine? (Trinity paper) Clark, Gordon Haddon "Perhaps never before in the history of the Church has there been so much attention paid to evangelism. But are the messages that are being preached today the Evangel? Or have we substituted method for message, and church growth for growing in the grace and knowledge of Jesus Christ? Clark analyzes the problem and offers a solution: a return to what the Bible has to say about evangelism."

Erma Ryan's Victory Over Cancer: Immunotherapy, Diet and Vaccines - The Final Answer? [Paperback] Ryan, Alan E. and McNabb, Leonie "Erma Ryan's Victory is a true story of the body's ability to recover if it is given the optimum environment internally and externally. Erma is one of hundreds of thousands of patients world-wide who are turning to dietary modification, meditation, nutritional supplements and various immune-modulating therapies for remission from 'the death sentence' imposed by orthodox medicine. This book documenting the principles and practice of the Livingston-Wheeler Clinic, is in my opinion, well written and should be read by all cancer patients, their physicians, people at risk of cancer and our politicians." 0114GHBHK4W 70-VLDJ-4DXE 62.25 1 2010-01-14 04:25:28 PST y 1 Paperback, 250pp., Clean with no markings. How Mennonites Came to Be: 1832 (Mennonite Faith Series) [Paperback] Wenger, J C "Fear, loneliness, and despair describe the pain so many people feel today. One alternative to the emptiness of our time is a living faith. How Mennonites Came To Be sets forth such a faith. It's a faith rooted in Jesus Christ and His word, a faith born of intense suffering and persecution. The author, a noted historian and biblical scholar, writes of the people he loves so well. His story touches the real meaning of life." 1207E5Z50WE 92-6U9B-K52K 8 1 2009-12-06 18:12:07 PST

Bulala: A True Story Of South Africa [Paperback] Cuan Elgin and Robert Alan Balaicius Eustace Mullins read this book and said, "This is great. They ought to make a movie out of this one!" History of South Africa from earliest times. Afrikaner, Boer, Coloured, Dutch, English, Indian, Irish, Scots, Xhosa & Zulu struggle with & against each other in taming of a harsh, but beautiful land. Woven into a gripping novel, the books is historically accurate, the author having travelled over 25,000 km. across S.A. to research it. It is sort of like a cross between Little House on the Prairie and Shaka Zulu. Editorial: Ilana Mercer author of Into the Cannibal's Pot: Lessons for America from Post-Apartheid South Africa: — “Cuan Elgin is a rare breed: a born-and-bred South African man; an English-speaking Afrikaner, a Caucasian African, married to a tenth-generation descendant of hardy Trek-Boer pioneers; the dour indefatigable people whom Sir Arthur Conan Doyle described as “one of the most rugged, virile, unconquerable races ever seen upon earth.” Except that Cuan’s “Bulala” is never dour. Uneven, maybe—like the events it describes. Infuriating perhaps too—in part because it pulsates with conspiracy and pooh-poohs politically correct conventions. Nevertheless, Cuan writes with a great heart; his “Bulala” throbs with a passion for the South-Africa landscape and people. In the true tradition of the African storyteller, he lives and breathes Africa. And—also in the true tradition of the same storyteller—his voice is raw and real. Men and authentic Boer women will delight in the action-packed, intertwined story of Boer, Briton and Bantu. (The man knows his firearms!) Decades of emasculation—legal and cultural—have created a hunger among modern men for heroic, historic narrative, fiction and non-fiction. The story of the South African settlers is every bit as epic as that of the American settlers. Despite their comparable foibles and frailties, the last haven’t been blackened by historians as much as the first.” 1025EULR5G8 9K-Y6FG-A52F 22 80 2009-10-25 07:52:47 PDT y 4 Paperback, 392pp., (3 Maps) 11 1588402940 9781588402943 0 DEFAULT

the Spirit Man or the Hidden man of the Heart: a work on Pneumatology and Psychology [Hardcover] Allen, Rev. J. H.
early Christian view of man's soul/spirit makeup/psychology. 0629IUERHBK A-17-Allen-Spirit 300 1
2011-06-28 23:58:58 PDT y 1 Would be like new if the previous owner had not dog eared
some pages and used color pencil to underline and mark in about half the book. pages 11-22 were missing, but I have one other
copy so I scanned them, paginated to read like a book (thus, double-sided) and inserted them loose in book where they belong.
Other than that, very good, tight binding and pages are in very good shape other than indicated above. Very rare book.

Mystery Babylon, from which comes the Anti Christ: An Expose, of the Most Fearful Menace the World Has Ever Faced Rader, Luke booklet 1031MNFY4W A-5-Rader-Mystery 45 1 2012-10-31 16:04:53 PDT y 1 between good and acceptable... cover is worn, there was water damage and minor discoloration to all pages (and little bleeding from red cover on end pages), but not interfering with text; few pages with creases, no writing or underlining, no foxing, binding holding well... no mildewing or wrinkling of paper resulted from the water damage. this book was NOT written in 1932 as most claim, the most recent date mentioned in the text is 1934, so 1935 is a more reasonable date, and as the book's short sequel "How Did We Get This Way" is dated at 1936, most likely this was written in the same year or the year before.3 B0008AH4WE

The Truth About Ruth: Ruth: The Israelite [Plastic Comb] Robert Alan Balaicius 328pp., 2013 PAPERBACK printing
 Contains an in-depth primer on Understanding God's Word, the Rules of Biblical Interpretation, ties in God's law and the
 issue of race, along with hundreds of other Bible verses, explains the immense ramifications if Ruth was a Moabite and also
 explains why this heresy has been promulgated; also contains an in-depth section showing how the error on this subject in
 numerous commentaries is easily refuted. 1025EUMNR8W A2-UNNJ-06RH 20 8 2009-10-25

---	---------	-------------------	--------

Sacred Truth Expository Commentary on the Book of the Prophet Jonah [Perfect Paperback] Robert Alan Balaicius 5 6 9 pages of main text, the remainder are appendices of additional information, historical, detailed refutation of liberal / heretical commentators, etc. ————— This is now the 12th in this series of commentaries totaling around 6,800 pages (and there are another 9 books in similar series [Apologetic Expositions], and other similar deep, detailed studies [What the Devil; The Creation of Man in Genesis 2 and 3; What Was the Mark that God Placed on Cain?] totaling around 2,000 pages) ————— No commentator that I know of, understands the purpose and message of the Book of Jonah. This book is an amazing journey; a simple book misunderstood in regard to its general purpose and overall lesson; and many elements of the book are interpreted different by many. A very short book with remarkably very little detail, actually presents a larger-than-life story with amazing insight that no other commentator or theologian has ever uncovered; the illogic and outright heresy of many commentators and “experts” is scrutinized and refuted; this will burn up various sacred cows. 0903UGWVY1C Balaicius-Jonah35 9 2018-09-03 10:04:31 PDT y 4 11 1588405443 9781588405449

-------------------------	--------

The Story of the Nations: Germany [Paperback] Sabine Baring-Gould 437pp., paperback, high quality, computer-enhanced, facsimile reprint of this rare (1887) title. NOT an “OCR” - scanned and reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray background, or crooked/shifting pages, no underlining, marginalia, notalia, no missing pages, no blurred, unreadable pages) faithfully as clean, clear images, most often producing a product better

than the original from which it was scanned. 100% scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to finish. Also, these are NOT lightening print on demand; they are a professional press run of books boxed and waiting to be ordered... hence you will not have the unprofessional "wave" in the books that lightening print on demand seem to have. Others in the series printed in pb. by STP are Normans, Goths, available in comb-bound, Norway, Balkans (inquire) Others to be printed in paperback: Franks, Early Britons, Scotland, Ireland, Wales, Bohemia, Tuscan Republics (inquire if interested) 0815QIQWWZQ Baring-Germany-pb-new

Speaking of: Sleeping Problems: Learning to Sleep Well Again, Including Directions for Making an Analysis of Your Sleep and Keeping a Sleep Diary (The ... Adviser Series) (English and German Edition) [Paperback] Dietrich Langen; Martha Humphries and Renate Zauner "This book is a self-help guide for people with sleeping problems. It tells what they themselves can do to eliminate their problems in sleeping. Difficulty in sleeping is not something that must be passively accepted. Just as it is possible to learn to remain awake under special circumstances, it is possible to learn to sleep well again."

Uncovering the Mysteries of Your Hidden Inheritance [Hardcover] Robert Alan Balaicius This book shows the importance between the Bible and history and prophecy. It delves into ancient and Biblical history and traces it to the modern era. Lively and intriguing, it is well-documented and well illustrated. It is highly endorsed by many famous people: Eustace Mullins, Col. Gordon "Jack" Mohr, Col. James "Bo" Gritz, F. Tupper Saussey, and many others. So impressive and convincing is it people who order this book, frequently turn around and order several other titles by the same author. The author does not state opinion, but fact, and firmly backs up what he says with documentation from the Bible, history, archaeology, philology, anthropology, and other sources. A highly informative book, the only people who can truly dispute the evidence are those who have never read it. Highly recommended. The information in this book holds the key to understanding not only the Bible, but past history and also prophecy. "The truth is the truth— regardless of whether it is pleasant; regardless of whether it is popular; regardless of whether it is profitable; regardless of whether it is convenient or easy to embrace." 1018ERN9VP2

The Divine Programme of the World's History [Plastic Comb] Dr. and Mrs. Grattan Guinness								reprint of the 1892	
edition, produced from an original that had some underlining in the first few chapters. Binding note: This book is plastic comb-bound. Plastic comb-binding strips come in only 1 size. 11 inches. Books with higher page count (like over 350 pages or so) have a locking tooth/tab on each end of the comb. Most books are only 8.5 inches long, which requires the comb to be cut to length. For higher page count books, the best way to bind is to cut off 5 tabs from one end (thus retaining the locking tab on that end with those 5 pieces), then cut out 5 tabs in the middle, and bind the book with 2 pieces of comb that have the locking tabs/teeth. That way the book is firmly secured on both ends. This is the best way to bind the book. If the book was bound with a single piece of comb, it would be insecure on one end and sometimes while reading a higher page count, heavier book, if you do not hold it firmly, the pages may possibly fall out of the comb teeth on one end, and it is nearly impossible to put the teeth back into the pages without the binding machine.					0112GGWEJKK	EL-UU0L-2AZ4	17		
9	2010-01-12 11:01:18 PST	y	1		Plastic Comb-bound, 455pp.			Binding note: This book

An examination of the alleged discrepancies of the Bible 1874 [Hardcover] [Hardcover] Haley, John William,						
1121UF1P0R7Haley-Discrep-Original-office	250	1	2018-11-21 05:31:16 PST	y	1	
The book overall is in very good shape. Some clear tape has been added to the cover binding just to prevent any cracking. Pages are unmarked, except maybe a stray pencil margin mark. Binding is fairly sound though some signs of separation. The text and pages are clear, the only issue is maybe 20 pages or so have creases through a few areas of text, which was due to the rollers in the printing process, but the text is all readable. Brown hardback with gold lettering; 1874, Andover / Warren F. Draper / Boston: Estes and Lauriat; intro by Alvah Hovey, D.D. Former copy of a Theological library; stickers and stamps in the front.

The Story of the Nations: Ireland (1891) [Paperback] Hon. Emily Lawless and NONE We ship normally on Mondays and Thursday or Friday; so your order may ship the same day (if you order on Monday) or if you order too late on Monday or earlier in the week, it will ship within a few days. 435pp., paperback, high quality, computer-enhanced, facsimile reprint of this rare (1891) title. With added Illustrations and information and photo and brief bio of the author added by the modern publisher; 502pp., total NOT an "OCR" - scanned and reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray background, or crooked/shifting pages, no underlining, marginalia, notalia, no missing pages, no blurred, unreadable pages) faithfully as clean, clear images, most often producing a product better than the original from which it was scanned. 100% scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to finish. Also, these are NOT lightning print on demand; they are a professional press run of books boxed and waiting to be ordered... hence you will not have the unprofessional "wave" in the books that lightening print on demand seem to have. Others in the series already reprinted in paperback: Franks, Germany, Goths, Ireland, Normans, Scotland. To be printed in paperback next: Wales, Early Briton. Currently available in plastic comb-binding: The Balkans and Roumania, and Norway (which can be printed in paperback if there is enough interest: inquire).

The seven times of prophecy and the seventy weeks of Daniel, including the numbers and cycles of chronology and Scripture,
 [Paperback] Frederick Haberman “Once we learn to know what the Seven Times of Prophecy signify, see them
 demonstrated in history, and realize that their termination in 1936 means the end of the dispensation, then we can understand
 the present breakdown of man-made civilization, and then we can find comfort in the words of Our Lord: “And when these
 things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.”
 1016EQOZ142 KV-ZNR8-X7E6 100 1 2009-10-15 17:41:40 PDT y 1
 Paperback, 88pp., Contains a fold-out chronological chart. Someone made a book cover for the book which has protected it
 better. The top inch of the original front cover is missing. Writing is in pencil and very light. 3

The Massacre of the Innocents [Perfect Paperback] I. I. Lyutostansky; Robert Alan Balaicius; Carlos Whitlock Porter and
 Alexander Onegin "The Massacre of the Innocents" — a collection, containing: The Jews and Ritual Murders of Christian
 Babies: A Theological and Legal Study, by I. I. Lyutostansky (translated into English for the first time from the third Russian
 edition of 1911), modern introduction by Carlos Whitlock Porter, Edited with Annotations and Supplementary Material by
 Robert Alan Balaicius (including U.S. Consulate report from Odessa, Russia on Ritual Murder, information concerning Sir
 Richard Burton's and his book, The Jew, Gypsie, and El Islam, and the long-lost, controversial appendix on Ritual Murder,
 information on Blood Ritual from many other sources: Geoffrey Chaucer's "The Prioress' Tale" from The Canterbury Tales,
 Christopher Marlowe's The Jew of Malta, Eustace Mullins, Alexander Solzhenitsyn's One Hundred Years Together, Ariel Toaff's
 Blood Passover, and other notes and information) 316 pages, 0904UH7PM2H Lyutostansky-Massacre 25 7

The Futurist and Rapture Conspiracy [Paperback] Robert Alan Balaicius A brief expose of the history of these subversive
 doctrines - and their Biblical refutation. The reader should realize that the assertion that the Rapture doctrine (the notion that
 Christ will come secretly and spirit His people to heaven before the Tribulation strikes them) is false theology is not to be
 misconstrued as meaning that Christ is not returning to His people: for He most certainly is! However, just because modern
 Christians want to believe in the Rapture - because it gives them a false sense of security that they will not suffer in the
 Tribulation - does not make it true. This book's assertion that there is no Rapture does not take away hope - it takes away
 irrational delusion which leads to irresponsibility. The assertion that there is no Rapture is not new theology (actually, the false
 doctrine of the Rapture is itself modernist theology). None of the Pillars of the Faith (Calvin, Luther, Moody, Mueller, Ryle,
 Spurgeon, Tyndale, Wesley, Wickliffe, etc.) believed in the Rapture. It is Antichrist propaganda designed to destroy the Protestant
 faith and the nations of Christendom. 0719SISTDAEM1-2F10-5EKR 14.5 12 2017-07-19 07:10:52 PDT

The Christian Anglo-Israel Message in the English-speaking World During the Late 19th and Early 20th [Unknown Binding] Robert Alan Balaicius What the Mainstream Media and Mainstream Preachers Thought of it; Men like Rev. William Poole,* Edward Hine, Bishop J. H. Allen, held numerous public meetings on how the Anglo-Saxon peoples were the actual lost tribes of Israel. Newspapers frequently announced the meetings—and even attended, giving favorable reviews. Ministers of all denominations also gave their comments. Most all comments and reviews were not only favorable, but praiseworthy, encouraging people to attend and hear the lectures.

The War Between the Children of Light and the Powers of Darkness [Hardcover] Balaicius Robert Alan “How the Christian -Israelite can live in an evil world system including: the true story of the Phinehas Priesthood.” This book contains a large section which is the best explanation of Romans 13, the terribly mistaught chapter concerning obedience to the “powers that be.” The words in these verses were poorly translated and the author in this very deep coverage shows that God does not expect His people to obey wicked, lawless rulers (much less illegitimate usurpers) and that the word power (anyone with force) was often mistranslated when it should have been authority (legitimate, lawful office holder)... this excellent section alone is worth the price of the book. When rulers violate the law, they step out of their authority and no one is bound to obey them; rulers (even the kings of Israel) are established by contract: we will obey you as long as you obey God. Further, in the U.S., it is entirely different, because established by the Constitution, the PEOPLE are the king and the elected officials are the servants. Everyone should read this book if only for this large section. 1027EV0GBPE OB-4A13-ZJMN 26 9

Brain Washing in the High Schools: An Examination of Eleven American History Textbooks [Paperback] E. Merrill Root

"A reprint of the 1959 edition. Professor Root presents the evidence in these pages, and upon it he bases the following conclusions: 1) That American students are indoctrinated with a Marxian concept of the United States History... 2) That the present school generation is being conditioned to accept a socialistic and totalitarian way of life... 3) That as a consequence, resistance to Communist cold-war techniques is being broken down."0801GY5X60Q Office - Brain Washing24

For Israel: The People of the Book [Paperback] Pastor Dan Gayman "This booklet is written to Israel, the people of the Bible. May this Word awaken and quicken your spirits to the truth of the Bible. If you are a Christian, called out of the darkness of Satan's Kingdom, the reign of sin, the power of evil, and translated into the glorious liberty of Jesus Christ, the kingdom of light, and the reign of righteousness, you will move forward in the truth and knowledge of your God. Millions of Christian people have parked themselves in a particular spiritual "comfort zone," content to spend the remainder of their mortal lives marking time, rocking life away in a spiritual rocking chair, getting nowhere. May this booklet placed into your hands by a Sovereign God awaken your inner man to the truth of his Word. It may be that your day has come. Is this the day for your eyes to be opened to the truth of the Bible? Can you be sure that it was not Divine Providence that placed this booklet into your hands? Has a moment of truth now arrived in your life? Are you about to be shaken loose from your religious chains and set free in Jesus Christ? This booklet could be your theological Mt. St. Helens." 0202IA0DRN8 Office - People 28 1 2011-02-02 06:23:15 PST y 1 Paperback, 261pp. 11

Champion of the Kingdom; The Story of Philip Mauro [Plastic Comb] Gordon P. Gardiner "Philip Mauro, who was a member of the bar of the Supreme Court of the United States, was graduated from the Columbian Law University, Washington, D.C. in 1880 and entered at once upon the practice of law, making a speciality of the law of patents. In his successful handling of the French Artillery case against the U.S. government, the Westinghouse Air Brake Case, etc., Mr. Mauro acquired an international reputation. In 1903 at the height of his professional career, he was converted to faith in Christ, since which time his chief occupation was the study of the Scriptures and the writing of Books on Bible themes, in the interest of the truth of God. Several of these have passed the 100,000 mark in circulation." 1110G6GHHOW Office Champion 14

charts; +3 fold-out maps; illuminating detailed study, unlocks many mysteries of Scripture, ties together large segments of						
Israel's history & prophecy, resolution of chronological conundrums; detailed analysis of Nimrod/Tower of Babel, foundation						
of Ninevah, history/origins most all important peoples/empires of Bible Akkad, Aramaeans, Assyrians, Babylonian, Canaanites,						
Chaldaeans, Edomites "Esau-ology", 9 tribes of Giants, Ishmaelites, Medes, Parthians, Persians, Philistines, Sumer, etc.; proof						
Simeon & Levi's extermination of Shechem for kidnapping/raping sister Dinah, including complete exegesis of grisly, odd						
history of Judges 19-21 with the near-extermination of tribe of Benjamin. Extra-biblical sources also consulted and explained.						

After reading this book, you will understand, better than ever, early Adamite and Israelite history and the racial identity of majority of nations/races in O.T., Bible prophecy, & God's overall plan. Deepest study of many of these key Biblical stories ever written. Truly fascinating; like Raisin Bran—more juicy nuggets in every spoonful. Don't let size of book scare you; you will learn more from this book than reading 12 other books. It is equal to about 5 books but at the price of 2.5. commentaries were consulted, among many other books, a very deep exposition of historical and spiritual truths. 1121GCB8YWK

The Chronology of the Bible [Paperback] Philip Mauro 120pp., paperback, high quality, computer-enhanced, facsimile reprint of this rare (1922) title. NOT an "OCR" - scanned and reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray background, or crooked/shifting pages) faithfully as clean, clear images, most often producing a product better than the original from which it was scanned. 100% scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to finish. This work is a condensation and correction of Martin Anstey's greater work, The Romance of Bible Chronology (which the same publisher has also reprinted). Serious students should also consider the full color wall-chart: A Coordinated Chronological Table of the Patriarchs (also by the same publisher) This work has sometimes been reprinted by other publishers as Wonders of Bible Chronology. 0311IX135AE Office Mauro 11.75 12 2011-03-11 14:02:24 PST y 4 11 1588403149 9781588403148 0 DEFAULT Migrated Books Template Active

The Futurist and Rapture Conspiracy [Paperback] Robert Alan Balaicius "A brief expose of the history of these subversive doctrines - and their Biblical refutation. The reader should realize that my assertion that the Rapture doctrine (the notion that Christ will come secretly and spirit His people to heaven before the Tribulation strikes them) is false theology is not to be misconstrued as meaning that Christ is not returning to His people: for He most certainly is! However, just because modern Christians want to believe in the Rapture - because it gives them a false sense of security that they will not suffer in the Tribulation - does not make it true. This book's assertion that there is no Rapture does not take away hope - it takes away irrational delusion which leads to irresponsibility. The assertion that there is no Rapture is not new theology (actually, the false doctrine of the Rapture is itself modernist theology). None of the Pillars of the Faith (Calvin, Luther, Moody, Mueller, Ryle, Spurgeon, Tyndale, Wesley, Wickliffe, etc.) believed in the Rapture. It is Antichrist propaganda designed to destroy the Protestant faith and the nations of Christendom." 0910GESSHD8 Office Rapture 13.5 5 2010-09-09 19:02:55 PDT y 1 Paperback, 164pp. 11 B0042IH8WY B0042IH8WY 0 DEFAULT Migrated Template Active

Preadamites; or a Demonstration of the Existence of Men Before Adam [Plastic Comb] Alexander Winchell “Together with a study of their condition, antiquity, racial affinities, and progressive dispersion over the earth, with charts and other illustrations.” Computer enhanced reprint of the 1901 edition. Binding note: This book is plastic comb-bound. Plastic comb-binding strips come in only 1 size. 11 inches. Books with higher page count (like over 350 pages or so) have a locking tooth/tab on each end of the comb. Most books are only 8.5 inches long, which requires the comb to be cut to length. For higher page count books, the best way to bind is to cut off 5 tabs from one end (thus retaining the locking tab on that end with those 5 pieces), then cut out 5 tabs in the middle, and bind the book with 2 pieces of comb that have the locking tabs/teeth. That way the book is firmly secured on both ends. This is the best way to bind the book. If the book was bound with a single piece of comb, it would be insecure on one end and sometimes while reading a higher page count, heavier book, if you do not hold it firmly, the pages may possibly fall out of the comb teeth on one end, and it is nearly impossible to put the teeth back into the pages without the binding machine. 0331I6L5558 Office Winchell 25 5 2011-03-31 05:32:05 PDT

y 1 Comb-bound, 526pp. Binding note: This book is plastic comb-bound. Plastic comb-binding strips come in only 1 size. 11 inches. Books with higher page count (like over 350 pages or so) have a locking tooth/tab on each end of the comb. Most books are only 8.5 inches long, which requires the comb to be cut to length. For higher page count books, the best way to bind is to cut off 5 tabs from one end (thus retaining the locking tab on that end with those 5 pieces), then cut out 5 tabs in the middle, and bind the book with 2 pieces of comb that have the locking tabs/teeth. That way the book is firmly secured on both ends. This is the best way to bind the book. If the book was bound with a single piece of comb, it would be insecure on one end and sometimes while reading a higher page count, heavier book, if you do not hold it firmly, the pages may possibly fall out of the comb teeth on one end, and it is nearly impossible to put the teeth back into the pages without the binding machine. 11 B004UK5RJ0

The Zionists & Zionist Wall Street [Paperback] Judge George W. Armstrong We ship normally on Mondays and Thursday
or Friday; so your order may ship the same day (if you order on Monday) or if you order too late on Monday or earlier in the
week, it will ship within a few days. 250pp., total paperback, high quality, computer-enhanced, facsimile reprint of these rare
(1950 + 1949) titles. “About the Author”, “Modern Publisher’s Note” and illustrations added by modern Publisher. NOT an
“OCR” - scanned and reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray
background, or crooked/shifting pages, no underlining, marginalia, notalia, no missing pages, no blurred, unreadable pages)
faithfully as clean, clear images, most often producing a product better than the original from which it was scanned. 100%
scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the
founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China.
100% USA from start to finish. Also, these are NOT lightening print on demand; they are a professional press run of books
boxed and waiting to be ordered... hence you will not have the unprofessional “wave” in the books that lightening print on
demand seem to have. 0309ST506H8Office-Amstrong-Z-Z-new 20 6 2017-03-09 13:28:04 PST

The Martyr of the Catacombs — A Tale of Ancient Rome [Paperback] Anonymous / probably Rev. William Henry Withrow
facsimile reprint from the 1880 Hunt & Eaton edition with added illustrations and biographical info and photos of the author
and publisher. [the original edition was Nelson & Phillips (1865) New York] Methodist minister William Henry Withrow, a
Canadian, is believed to be the author; others claim it was James De Mille 202 pages (who was the original publisher); thrilling
fiction based on history of what life was like in the catacombs, under Roman persecution, being fed to the lions, gladiators,
etc., pb. Prepared, Published and printed 100% in the USA by Americans who care about the product; not produced in sweat
shops in India or China or anywhere else. This is NOT an OCR; and not print on demand. This is a facsimile reprint and
quality paperback press run. 0317Q3M9DME Office-Anonymous-Martyrs 16.5 12 2016-03-16 17:16:09

A Bolshevik Primer: and the Planned Extermination of Christendom (Including “The Stalin Death”) [Paperback] Robert Alan Balaicius and Kenneth Goff 176pp., pb., with 145 illustrations; painstakingly documented, reveals the culprits behind Bolshevism and others whose unabashed goal is to exterminate Christendom outright (and by amalgamation with the rest of the world). This is a nice companion volume to Fearless and Godly Pioneers for the Truth, The Communist Manifesto, and The Talmud Unmasked. Powerful information that lays bare the secrets and identities of the conspirators, while also weeding through disinformation. 0324PV4HA08 Office-Balaicius-Bolshevik Primer 16 18 2015-03-23 17:39:22 PDT y 4 11 158840465X 9781588404657 0 DEFAULT Migrated Books Template Active

Confessions of an Anesthetized Person known as Jewish [Paperback] Robert Alan Balaicius 60-page stapleback booklet, humorous, interesting, illuminating booklet, in dialog fashion, easy to read, explaining one view of the conspiracy against Christendom and the attempted disarming of the only remaining bastion of freedom in the world. The danger that faces the US if disarmed, and proof that all gun control laws are not only unconstitutional, but illegal and invalid, no one is bound to obey such laws and no law enforcement and no courts are bound to enforce them. “Gripping reading,” “I was on the edge of my seat,” “a masterful presentation”—say the first readers. 0103NO2RBM8 Office-Balaicius-Confessions 8.5 94 2013-01-02 19:29:36 PST y 4 11 158840191X 9781588401915 0 DEFAULT Migrated Template Active

The Creation of Man in Genesis 1 and 2: Are They Separate Creations —or the Same Event? [With An In-depth Discussion Concerning the “Beast of the Field”] [Paperback] Robert Alan Balaicius a very sound discussion of these extremely controversial topics; the author does not speak smooth sayings to tickle people’s ears or fluff their auras, but to honestly expound what Scripture says. All of mankind’s problems are due to man devising his own notions of right and wrong in rejection of God; this is why we find ourselves in the immoral plight we do. 0527N9LUDQE Office-Balaicius-Creation-Man 10.5 3 2013-05-27 07:36:38 PDT y 4 11 1588403955 9781588403957 0 DEFAULT Migrated Books Template Active

Deliverance or Delusion...? —Which Do We Want...? [Paperback] Robert Alan Balaicius 88pp., stapleback booklet... powerful spiritual sermon calling God’s people to repentance as we face extinction/extermination. 0607NLVG9HE Office-Balaicius-Deliveranec 8.05 8 2013-06-07 08:27:29 PDT y 4 11 1588403963 9781588403964 0 DEFAULT Migrated Books Template Active

Sacred Truth Expository Commentary on The Epistle of James, Chapter 2 [...Expositions of many other chapters of Scripture] Faith Without Works Is Dead - Was Rahab a "Harlot"? a "Canaanite"? - Was Rahab the Rachab in Christ's Genealogy? ... [Paperback] Robert Alan Balaicius Sacred Truth Expository Commentary on The Epistle of James, Chapter 2 [and many other Mini-Expositions: the Epistles of Peter and John; the Epistle of Paul to the Ephesians and Galatians 3; the Epistle of Paul to the Israelites in Rome, Chapters 1 and 9; and the Revelation of Christ Jesus as Given to the Apostle John, Chapters 3 (and Isaiah 22), 7 (and Ezekiel 48), 12, 20, 21, 22.] Faith Without Works Is Dead...! Was Rahab a "Harlot"...? Was Rahab a "Canaanite" ...? Was Rahab the Rachab in Christ's Genealogy? The Promises and Covenants Stand...! detailed mini-expositions of: - Epistles of Peter: was Israel—not "nonIsraelite Gentiles"—those in Land of Israel & dispersion; - Epistles of John: love = obedience = good works = keeping the Law of God = walking in the Spirit = doing righteousness = walking in His Ways, etc. Proof Law not abolished, perfected in true believers as empowered by Holy Spirit to live holy lives pleasing to God: keeping His "House Rules" for His children; His Standard of Morality; - Paul's Epistle to Israelites of Rome, chapters 1 and 9: Predestination, Election of Israel alone written to Israelites, not nonIsraelite "Gentiles"; - Revelation 3 (church of Phila. & key of David) Isa. 22 (Key of David); Rev. 7 (sealing of 144,000 why Dan is missing); Ezek. 48 (Dan not disinherited) Rev. 12 (woman, child, Dragon), Rev. 17 (Beast), Rev. 20 (Millennial Kingdom), Rev. 21 & 22 (new Jerusalem, new Heaven/Earth, Eternal Kingdom). - Epistle to Ephesians, Galatians 3 (predestination; Paul wrote to Israelites, not nonIsraelite "Gentiles"). - detailed account of Jericho; Summary of Joshua 1-6 - intro. to author of Epistle of James; - difference between various disciples named James - 48 illustrations, original charts showing genealogy of Christ, 12 disciples (majority Christ's 1st & 2nd cousins);

Sacred Truth Expository Commentary... John 18-21: Passover, Betrayal, Arrest, Jewish & Roman Trials, Crucifixion, Resurrection, Post-Resurrection, Ascension... Pentecost, Harmony of Gospels, Making of Apostle Peter... Intricate Depth of Irony... [Paperback] Robert Alan Balaicius Author's "Magnum opus" - Sacred Truth Expository Commentary on The Gospel of John 18-21: Passover, The Betrayal, Arrest, Jewish & Roman Trials, Crucifixion, Resurrection, Post-Resurrection, & Ascension of our Lord, and Pentecost, with a Harmony of the Gospels, the Making of the Apostle Peter, and the Intricate Depth of Irony Revealed, 800 pages, well illustrated, numerous charts, 1 fold-out chart, paperback; Many mysteries revealed (the meaning of the 153 fishes caught in the post-Ressurrection miracles of fishes, the depth of meaning of Christ's "Simon, son of Jonah, lovest thou Me" and "feed My sheep" explained,) no other commentator has uncovered, deep spiritual truth, verse-by-verse commentary, harmonization of Gospels, shows relation of half of disciples to Christ, Christ's genealogy, Pilate vindicated, expose of the Herods, and much more. Author consulted 60 other commentaries distilling their best valid thoughts, and much more. This book will be hard to put down; incredible depth and insight. The intricate web of irony displayed in the Scripture (which is often hidden from the English translation and which is often not apparant if one does not understand the inter-connectedness of Scripture) is a woven thread throughout the book. 0319O1RWZFQ Office-Balaicius-John 18-21 40 9

Does God Repent...? Can God Change His Mind...? [Paperback] Robert Alan Balaicius - Does God Repent...? Can God Change His Mind...? [And an Utter Demolishment of the Humanistic Myth of Man's "Free Will" and Arminianism], 500pp., pb. Dovetails nicely with God and Evil and The Sovereignty of God.... Lively, profound, revealing, thought provoking, convincing thought, logic, Scripture. Dissects the false theology of Dr. Norman Geisler and Brother Andrew and exposes the subversion of the true Christian faith in the counter reformation re-introducing the false theology of Origen and Pelagius and the corruption of the modern church by Jesuits, terribly deceived humanists such as Scheiermacher, Kierkegaard, Barth, Schweitzer, Erasmus of Rotterdam, as well as outright infiltrators (some who feigned conversion, others who didn't even pretend to be conversos) such as Spinoza, and many, many more, including the undermining of the Puritan church by Solomon Stoddard, and much more. Also exposes the false doctrine of one chapter from two different books; one by Dr. Norman Geisler and the other by Brother Andrew. Dovetails nicely with Balaicius's other 2 books, "God and Evil" and "The

Sovereignty of God",. 1205OEC2TU8	Office-Balaicius-Repent	25	8	2014-12-04 16:10:02

The Sovereignty of God, Predestination, “Free” Will, and the Protestant Reformation [Paperback] Robert Alan Balaicius 192pp., paperback A very sound, concise, yet sober handling of these very unpopular theological topics, backed by a consistent and true contextual, hermaneutic Biblical interpretation which is easy to understand; the only difficult thing is man bowing to a Sovereign God and trusting that He is Good and Perfect and Holy and our conforming to His Will, not the other way around. Calvin and Armenius discussed, and shocking info about the Church of England. 0622N2V27PK Office-Balaicius-Sovereignty 17.5 7 2013-06-22 06:38:45 PDT y 4 11

Ten Commandments For You(th) —For Everyone! For Youth and Young-minded Adults ... Their Relation to the Entire Law of God with A Memory System using Bible Numerics and Relation Between Law and Grace [Paperback] Robert Alan Balaicius 6.25 x 9.25 paperback - “for youth” does not imply it is ONLY geared toward young people... it is written to be readable by youth and adults; the intent is: for YOU (everyone) and for youthfulness. Obedience to God is a “fountain of youth” of sorts. This has nothing to do with salvation; but with blessing, health, prosperity, long life in this this life (and honor in the next) because God blesses obedience. Young minded, refers to opposite of “you can’t teach an old dog a new trick”. Christ taught if one wanted to see/enter Kingdom he had to become as a little child, that is child-like faith and obedience.] 10 commandments are not 10 individual laws, but 10 categories of law under which the entire law of God is organized. I show how other laws are categorized; how breaking any one is tantamount to breaking all; all 10 categories if violated are sins against God; all 10 categories if violated are sins against our kinsmen. detailed, enlightening, instructional; profound new thought, clear teaching hard for antinomians to refute, if they will read; detailed exposition of Matthew 5:38-40 concerning loving our enemies, turning the other cheek, giving thy coat and cloak, etc. These were not general, broad based, universal statements, but only referred to accepting just punishment in court if one had truly sinned and damaged a kinsman and thus to accept the punishment gracefully, showing your true remorse for having damaged a brother and “going the extra mile” likewise had specific (not universal) application; but modern Christianity has perverted this Sermon on the mount teaching to mean we should just bend over and accept abuse and lie down and die. Christ taught Occupy till I come, and Paul wrote, have no fellowship with the unfruitful works of darkness but REBUKE them... this is not consonant with “turning the other cheek” to God’s enemies, the enemies of Christendom, immoral people, criminals, etc., which is not what Christ was teaching.

Rebutting a Limp 'Refutation': Christian Anglo-Israel Defended; "Heresies Exposed" —Exposed as Impotent Hearsay [Staple Bound] Robert Alan Balaicius William Irving wrote a 10-page chapter attempting to refute "British Israel" in his "Heresies Exposed" that went through many editions and printings from 1917-1950. This scholarly work shreds his illogical and unbiblical impotent attack that for nearly a century Christians have simply believed was a valid denunciation, since most do not know the Scriptures and do not know how to think critically. 0831QUPRZLK Office-Balaicus-Rebutting-new 9

The First Germanic Bible - Translated from the Greek by the Gothic Bishop Wulfila in the Fourth Century - and The Other Remains of the Gothic Language - with Introduction, Syntax and Glossary [Plastic Comb] Bishop Wulfila; Gerhard Hubert Balg (1852-1933) and [Modern Publisher's Introduction] Robert Alan Balaicius This reproduction is larger print than others; the original book has been expanded to 8.5x11 so the print is not so small. If other publisher's reprinted this in any smaller size, the print will be small. plastic comb-bound, facsimile reprint of this 1891 title. Attractive color cover with

protective, clear plastic cover sheets, 22-lb. archival quality paper, chipboard added front and back inside covers to add firmness. 466 pages of main text, and additional pages of original introduction, etc. New Introduction/comparison/discussion of the Gothic language/people and illustrations added by Modern Publisher, 504pp., total. NO shadows, NO lines, NO ghost-image text, NO off-center pages creeping into the margin, etc. Quality reprint. Contains extensive list of other resources added by Modern Publisher. The Gothic Bible is the earliest translation into any Germanic (including English) language, and predates the Latin Vulgate and was not translated from the Septuagint, but other extant Greek texts. It is fragmentary (only a chapter or two of the Old Testament have survived) and the books of the New Testament likewise did not all survive antiquity and those that have are fragmentary (like the Dead Sea Scrolls). —> Publisher will print in paperback if any individual/distributor/group orders 25 copies. Inquire. Expedited Domestic and Overseas shipping available for extra cost, since Amazon's unrealistic, out of touch shipping charges only cover half of the cost to mail this oversized, heavy book... inquire.

The Conflict With Rome [Paperback] Gerrit C. Berkouwer and David H. Freeman NOT an OCR / this is a facsimile reproduction; written in 1940, translated from the Dutch 1957, 6.25 x 9.25 paperback, (text enlarged 5%) Dr. Gordon H. Clark called this book "a masterpiece". Printed for the first time since 1958. High quality professional printing, NOT print on demand; 100% produced and printed in the USA by Americans who care about their product; not produced in sweat shops in Asia or China or anywhere else. There was a printing error and page 26 was printed twice, once in place of page 28, but page 28 has been printed and affixed where it belongs. 0316Q3DPFQQ Office-Berkowever 24.5 5 2016-03-16 15:28:27 PDT y 4 new, direct from publisher 11

The Conquest of the World by the Jews: An Historical and Ethnical Essay - with a Historical & Biographical Introduction by the Modern Publisher [Unknown Binding] Maj. Osman-Bey [Frederick Millingen] The Conquest of the World by the Jews (written in German in 1870, translated into English in 1878) by Major Osman Bey, to which has been added a 12-page Modern Publisher's Preface to the Reader discussing the history and nature of the book and the mysterious and controversial author; the book has come under great attack, it seems, because it was the first book in English to claim a world-wide Jewish conspiracy (predating the English translation of the Protocols by nearly a quarter-century, even pre-dating the Russian translation of the Protocols by decades), 88pp., stapleback 0913MUQB6N2 Office-Bey-new 11 5 2012-09-12 18:39:37 PDT y 1 11 B0099Z3V94

Bulala: A True Story Of South Africa [Paperback] Cuan Elgin and Robert Alan Balaicius Eustace Mullins read this book
and said, "This is great. They ought to make a movie out of this one!" History of South Africa from earliest times. Afrikaner,
Boer, Coloured, Dutch, English, Indian, Irish, Scots, Xhosa & Zulu struggle with & against each other in taming of a harsh,
but beautiful land. Woven into a gripping novel, historically accurate, the author travelled 25,000+ km. across S.A. to research
it. A cross between Little House on the Prairie and Shaka Zulu. Editorial Review: Ilana Mercer author of Into the Cannibal's
Pot: Lessons for America from Post-Apartheid South Africa: — "Cuan Elgin is a rare breed: a born-and-bred South African
man; an English-speaking Afrikaner, a Caucasian African, married to a tenth-generation descendant of hardy Trek-Boer pioneers;
the dour indefatigable people whom Sir Arthur Conan Doyle described as "one of the most rugged, virile, unconquerable races
ever seen upon earth." Except that Cuan's "Bulala" is never dour. Uneven, maybe—like the events it describes. Infuriating
perhaps too—in part because it pulsates with conspiracy and pooh-poohs politically correct conventions. Nevertheless, Cuan
writes with a great heart; his "Bulala" throbs with a passion for the South-Africa landscape and people. In the true tradition of
the African storyteller, he lives and breathes Africa. And—also in the true tradition of the same storyteller—his voice is raw and
real. Men and authentic Boer women will delight in the action-packed, intertwined story of Boer, Briton and Bantu. (The man
knows his firearms!) Decades of emasculation—legal and cultural—have created a hunger among modern men for heroic,
historic narrative, fiction and non-fiction. The story of the South African settlers is every bit as epic as that of the American
settlers. 0703IW9X6YK Office-Bulala 22 16 2011-07-03 09:44:29 PDT y 4

Alpha and Omega on the Birth and Death of the World [Hardcover] Carter, R. Kelso 1894 / 638 pages / around 9.5 x 7 inches Hb. 0129SUTM7S2 Office-Carter-Alpha-original 1500 1 2017-01-28 16:04:52 PST
y 1 First and presumably only edition. This is an extremely rare work, in any condition. Less than a dozen libraries even own a copy. The pages of this book appear to be pristine and unmarked, though tanning and a little darker tanning in the first pages; though nothing that affects the text). However, the pages are brittle and prone to chipping; furthermore, the back hinge has detached from the body of the book (but not from the cover itself), the front hinge is loosening and the signatures appear loose. Due to the brittleness of the paper, the first and second page have cracked and detached. The top portion of the cover spine has a tear or two in it (which is the most-likely spot, since that is sometimes the area in which people grab the book with one finger to slide it out from a shelf tightly wedged with other books). It is illustrated throughout, with many graphics (most of which appear to be by Dore, many of which are in monochrome color) and photos. Hardback with dark mustard-yellow cloth 8 B014K1DMDQ

Some Collected Works of Earnest Sevier Cox [Paperback] Earnest Sevier Cox containing: Let My People Go (1925), Virginia Racial Integrity Legislation (c.1925), The South's Part in Mongrelizing the Nation* (1926), The Virginia Memorial to Congress (c.1934), The Price of Failure, Three Million Negroes Thank The State of Virginia (1940), Monument to Herman (1959); with extensive notes by Robert Alan Balaicius, illustrations added, and photos and brief biography of Cox, 232., paperback, high quality, some of these rare titles are facsimile reprints, others have been re-typeset with illustrations and notes added. NOT an "OCR" - scanned and reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray background, or crooked/shifting pages, no underlining, marginalia, notalia, no missing pages, no blurred, unreadable pages) faithfully as clean, clear images, most often producing a product better than the original from which it was scanned. 100% scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to finish. Also, these are NOT lightening print on demand; they are a professional press run of books boxed and waiting to be ordered... hence you will not have the unprofessional "wave" in the books that lightening print on demand seem to have.

The Footsteps of Divine Providence or The Bountiful Hand of Heaven Defraying the Expenses of Faith... Displayed in... the
Hospital at Glaucha... [outside Halle in Prussia for Divinity Students &]... Cloathing Feeding and Educating of Poor Children...
[Plastic Comb] August Herman Francke / Franck / Franke / Frank 172pp., plastic comb-bound; The publisher will print
this in paperback if any individual/store/distributor places an order for 25 copies. The Footsteps of Divine Providence: or, The
Bountiful Hand of Heaven Defraying the Expenses of Faith: Wonderfully Displayed in Erecting and Managing the Hospital at
Glaucha without [outside] Halle, in the Prussian Dominions For the Education of Students in Divinity; and for the Reception,
Cloathing, Feeding, and Educating of Poor Children Carried on by the instrumentality of that humble, and blessed servant of
God, Augustus Herman Franck (1787) being a partial translation August Herman Franck's book, Segensvolle Fußstapfen
(1709) reprinting of this very rare work, one of the few books in English covering Francke's life and his teaching. Francke
predated fellow Prussian George Mueller by a century and was the inspiration for Mueller himself founding orphanages in
England funded by the same way as Franke—solely by prayer and faith in God. The original from which this was copies is over
200 years old, and some of the pages (less than 2%) have some words in which the print is very light and hard to read (less than
1%) but the worst of these the publisher has deciphered, retyped, and placed in between the lines of text.

Brave Little Holland and What She Taught Us [Paperback] William Elliot Griffis 252pp. (with one fold-out map),
paperback, computer-enhanced, facsimile reprint of this rare 1894. The author, William Elliot Griffis (1843-1912), born in
Philadelphia, was an educator and theologian (author of Welsh Fairy Tales and other titles); he wrote this as a history lesson
concerning the impact of the Dutch people on the culture and pedigree of both the United Kingdom and America... an
interesting read for anyone who likes tales of adventure, struggle, and pioneering spirit; how Dutch crusaders wound their way
through the British Isles and then to America; also important concerning America's societal development.

Just One More Chance [Paperback] Robert Alan Balaicius and Lawrence T. Shields Just One More Chance, Lorne T. Shields (Ireland, born in South Africa, singer-songwriter) / Robert Alan Balaicius, editor, adapter; 564pp., pb., The story begins in Ireland and progresses like a whirlwind, which, to explain more would give away the suspense of the story. A gripping read you will not be able to put down and one of those rare books that you wish would never end. · One rash decision, a regrettable mistake, can snowball and cause a chain-reaction like an avalanche; so-far reaching one may wonder if it can be outrun even if he flees to the other side of the world. When such a brief mistake is made, as Tom McCauley finds out, it can carry you about like a beach-ball in the ocean, and all you can do is hang on for dear life and pray to God that you land safely, somewhere, eventually. · Here begins a touching story of down-to-earth people (well... most of them), often real life stories from an earlier era. A story of love and romance interwoven with cultures spanning several nations of a bye-gone era, hard work, drama, intrigue, foul-play, good versus evil, faithfulness, respect, devotion, desperation, and hope combined with real historical events. The epic story of all creation is presented in a whirl: a momentary fall from grace followed by repeated attempts at restoration, while battling a myriad of unforeseen obstacles to that goal which creep out of the past into the present like vipers from a pit that just won't die. You will not be the same after reading this book; you may become a part of the drama itself: your heart knit with those of this story, as if they were family or dear friends. At least, that is how it affected me. Step back into the 1800s and enjoy an amazing story. . . This could (and SHOULD) be the next Hallmark t.v. miniseries or motion picture. First edition, limited printing of 150 (numbered) copies. 1121OL7D2RQ Office-Just-One-More 26 9 2014-11-20 19:13:45 PST y 4 11 1588404528

Germany Must Perish! [Paperback] [Jan 01, 2012] Theodore N. Kaufman and Sacred Truth Publishing 1 0 5 p p . , paperback, computer-enhanced reprinting of this rare 1941 title; modern publisher has added an introduction with a photo and brief biography of the author; unethical, shady Jewish author irrationally and rabidly, hatefully called for the extermination of all Germans (long before the Germans were even accused of Genocide themselves, long before the date that it is claimed that they began to implement the so-called "Final Solution")... yet the liberal mainstream (Jewish) press in the U.S. praised the book (which by today's standards would be considered a "hate crime"—but it's okay because he was Jewish). Similarly, John Sacks (Jewish author) in his An Eye For an Eye revealed how the Jewish people put in charge of POW camps interring Germans, systematically murdered hundreds of thousands of German civilians, and nothing was ever done about it. Sacks, however, got death threats from his own Jewish people for writing the book. See also: Dealing in Hate: The Development of Anti-German Propaganda (undated, prob. 1962), Dr. Michael Connors; Death at Katyn (1944) Thousands Polish/Lithuanian) officers murdered by Soviets WWII, buried mass grave in forest—at Nuremberg War Crimes trials Soviets blamed Germans; now proven Soviets did it, recently, Russian government confessed; A Greater Miracle Than The Lost Ten Tribes Discovered—The Dead Six Million Uncovered...!, Clèraubat, 544pp., pb.; You Gentiles, Maurice Samuel (1924) Jewish author exposes

The Post-Christian Era and the New Dark Ages [Paperback] Robert Alan Balaicius 112-page paperback book; attractive color cover. Christendom is nearly extinct. What will decide whether it continues toward the road to oblivion is whether Christians choose to remain in denial or actually consider the unpleasant facts. This little booklet is an eye-opener. All Christians and those who care about free society or Christian civilization need to read it before it is too late. Very important information for the survival of the nations of Christendom; information on the Christian roots of Germany now nearly extinct, and the U.S., England, and the other nations of Europe are in the same position. Information on early German Lutheran Pietism and the incredible work of August Hermann Francke and his supporters among the German/Prussian Nobility, other Pietists such as Spener, Arndt, and Count Zinzendorf (also Luther, Melancthon, and George Mueller). Very important book. 30 illustrations, in addition to the illustrations on the front and back cover. 1103IUBZ5N2 Office-Post-Christian-Era-NEW 13.5 7 2011-11-02 18:08:07 PDT y 4 direct from publisher 11 B0062SXDOY 9781588400567 0 DEFAULT Migrated Books Template Active

Sacred Truth Expository Commentary on The Epistle of Paul the Apostle to the Romans [Paperback] Robert Alan Balaicius Possibly the only correct commentary since Paul wrote his epistle... chapter by chapter, verse by verse... shows the “Gentiles” and “Greeks” were the Israelites of the dispersion, identifies all the Old Testament quotations and allusions made by Paul, shows Paul in no way suggested that the law was abolished, or changed, or that it was “optional”; lays bare the error of anti-Paulines and defends Paul’s identity and office. Shows the correct method of Biblical interpretation will prevent/dispell all false interpretations and false doctrine, also shows how many people, for some reason, read truth backwards and confuse themselves, and also misunderstand things because they focus on a minor point of a passage, rather than the major point; and often like a deer in headlights, focus on what they do not understand instead of focusing on what they do understand while meditating until God gives greater light on what they don’t understand. Ties in a plethora of Old and New Testament Scripture.

A Translation of the Old Testament Scriptures From the Original Hebrew a.k.a. A Translation of the Old Testament From the Original Hebrew a.k.a. The Spurrell Old Testament [Hardcover] Helen Spurrell quality reprint from an original copy of this very rare 1885 Bible translated by Mrs. Helen Spurrell—it is not actually original (that is, “paleo-Hebrew”), but unpointed square Hebrew; —the first and one of the only translations undertaken by an individual woman (rather than an entire Bible translating committee); very scholarly; VERY rare. —Also contains an Introduction by the Modern Publisher concerning the Hebrew Language, and a Table of Contents Page —(Modern Publisher has added new larger page numbers at the top of each page, since the page numbers of the originals at the bottom were so incredibly small). —The print size of the text was also enlarged 8.5% from the original. The format was also enlarged giving generous margins to the left and the right of the text and several lined, blank pages were also added in the back of the Bible for notes. —This rare Bible is not available new anywhere else and has not been since the 1985 printing sold out over a decade ago... there are 1 or 2 1885 originals on the used market for \$17,000-25,000. Used copies from a 1985 printing sell for \$500 or more. —7.38" x 9.25" x 2.5" Hardback, 850 pages, thick paper. 0807MSTX568 Office-Spurrell-new 110 1 2012-08-07 13:46:17 PDT y

A History of The Puritans and Pilgrim Fathers [Paperback] Rev. W. H. Stowell; D. Wilson and Robert Alan Balaicius
 - A History of The Puritans and Pilgrim Fathers (1888) which incorporates: The Puritans in England (1849), W.H. Stowell,
 & The Pilgrim Fathers (1849), D. Wilson, 508pp.; to which has been added 230pp. (which alone took about 500 hours
 to research and write) of historical and theological introduction to the Reformers, Puritans, Pilgrims, Nonconformists,
 Covenanters, the Westminster Assembly, the history of the Anglican Church and Presbyterian Church in England, Ireland,
 Scotland, and Wales, the Anglican Church and monarchs of Britain in their persecution of those Protestants who disagreed
 with the Anglican Church's Catholic ritual, and an insightful look at the Great Awakening and revivals in England, Ireland,
 Scotland (and its Isle of Lewis), Wales, and New England; with over 800 short biographies and over 250 illustrations added;
 also the print of these 2 reprinted titles was intolerably small, so it has been expanded to 7x8.5 which allows for generous
 margins as well as a normal sized print; 764pp total NOT an "OCR" - scanned and reproduced in its entirety, graphics,
 illustrations, original advertisements, etc. (no shadows, gray background, or crooked/shifting pages; no missing pages, no
 underlining, marginalia, notes, no illegible blurred text or gutter shadow creeping into the text) faithfully as clean, clear
 images, most often producing a product better than the original from which it was scanned. 100% scanned, placed, straightened,
 cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred
 Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to
 finish. 0324PV3OXEK Office-Stowell-Wilson-Puritans 32 10 2015-03-23 17:16:55 PDT

Whited Sepulchers : The Hidden Language of the Mormon Temple [Paperback] "Mormonism drastically revises
the temple ceremony. Are Mormon temples "sacred" or merely "secret"? The authors maintain that

the Salt Lake Temple - an architectural statement of Mormon theology - is not a house of God at all. They believe Mormon temples are "whited sepulchers" - a term Jesus used to describe the Pharisees of His day.

Historians' History of the World: Switzerland [Paperback] Henry Smith Williams 248pp., paperback, high quality, computer-enhanced, facsimile reprint of this rare (7.3 x 9.25) title. Some extra illustrations added by modern publisher. originally printed in vol. XVI as the second half of Scandinavia, and the remaining portion printed in vol. XVII as the first part with Russia; this reprint combines the 2 portions together and only contains Switzerland, in 1 volume. The same publisher has reprinted Scandinavia in a single separate volume. NOT an "OCR" - scanned and reproduced in its entirety, graphics, illustrations,

original advertisements, etc. (no shadows, gray background, or crooked/shifting pages, no underlining, marginalia, notalia, no missing pages, no blurred, unreadable pages) faithfully as clean, clear images, most often producing a product better than the original from which it was scanned. 100% scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to finish. Also, these are NOT lightening print on demand; they are a professional press run of books boxed and waiting to be ordered... hence you will not have the unprofessional “wave” in the books that lightening print on demand seem to have. 0630PG4GTM8 Office-Williams-Switz-new

A Distant Mirror: The Calamitous 14th Century [Paperback] Tuchman, Barbara W. Barbara Tuchman anatomizes the
century, revealing to us both the great rhythms of history and the grain and texture of domestic life as it was lived: what
childhood was like; what marriage meant; how money, taxes and war dominated the lives of serf, noble, and clergy alike. Here
are guilty passions; loyalties and treacheries; political assassinations; sea battles and sieges; fear of the end of the world; corruption
in high places and a yearning for reform; satire and humor; sorcery and demonology; lust and sadism on the stage. Here are
proud cardinals, beggars, bailiffs, feminists, jews, university scholars, grocers, bankers, clerks, sorcerers, mercenaries, saints and
mystics, lawyers and tax-collectors, and , dominating all, the knight in his valor and 'furious follies,' a 'terrible worm in an iron
cocoon.'" 0303GUK8N3W P-Box 6- Mirror 6.5 1 2010-03-03 12:11:48 PST y

You've Been Warned Patterson, James and Roughan, Howard "Struggling to make ends meet, photographer Kristin Burns works full time as the nanny for the wealthy Turnbull family. When her pictures are considered by an elite Manhattan art gallery, it seems she might finally get her career started. But Kristin has a major distraction: forbidden love. The man of her dreams is almost hers for keeps. Breathless with an inexhaustible passion and the excitement of being within the reach of her goals, Kristin ignores all signs of catastrophe brewing. Fear exists for a reason. And Kristin can dismiss the warnings for just so long. Searching desperately for the truth through the lens of her camera, she can only hope that it's not too late."

The fullness of the Spirit Rice, John R "This pamphlet is chapter 11 in The Scarlet Sin, a book of sermons taken down word for word as given before great audiences all over America. It was in Seattle in a union campaign with sixty churches that this sermon, 'Fullness of the Holy Spirit' was preached by Evangelist John R. Rice. That campaign resulted in 430 public professions of faith."

Evolution or Creation [Paperback]	Sir Ambrose Fleming	paperback Computer-enhanced reprint of the c. 1930 edition. "The present little book is an attempt to show, first, that the theory of Evolution gives no adequate solution of the questions of fundamental origins. It cannot explain the source of Matter, Life, or Mind, and it opposes all teleological arguments for their origin in a Supreme Intelligence and Creative Power. Then, secondly, the evolutionary explanation of the birth of the Moral Sense and Religious Instincts of mankind is entirely inadequate, and it cannot give the least amount of the mode of happening or cause of the great events on which the Christian faith is founded. Its general result is to destroy belief in them." See author's (an eminent English physicist) other title "the Origin of mankind Viewed from the Standpoint of Revelation and Research" 100% USA made from start to finish; no sweat shop labor foreign or domestic.

The Nigger Bible [Mass Market Paperback] Robert H. deCoy "The Nigger Bible - written by an acknowledged Nigger about the experience of Niggers, addressed and directed exclusively to my Nigger people for whom it was purposely conceived. Thus does the late internationally acclaimed author Robert H. deCoy introduce this explosive best seller. First published in 1967, The Nigger Bible is universally accepted as one of the true classics of the literature of the American Black experience. Robert H. deCoy has been praised and damned around the world for the volatile work. In his introduction of the edition, entertainer Dick Gregory calls deCoy 'one of the literay giants of our time' who has dared to discard the traditional vestiges of Judeo-Christianity in order to find and reveal a seething, shocking truth that all men know but none have dared to express."

A Coordinated Chronology of the Reformers: 95+ Reformers and Pre-Reformers (A.D. 1125-1700) [Wall Chart] Joseph Alexander

A Coordinated Chronology of the Reformers: : 95+ Reformers and Pre-Reformers (A.D. 1125-1700) Reformers are color coded by country, representing 24 countries 95 reformers on a time-line, another 85 or so not on the time line, showing dates of birth, death, how they died, what denominations they founded, etc. over 100 pictures; full color, thick poster paper; 41.25" x 32" Shipped in protective mailing tube. The Reformers are our greatest heroes. As their memory, their names, their accomplishments, their doctrines are forgotten, we lose sight of not only our heritage, but the Standard. They put their lives on the line, many giving their lives (even as those of our ancestors in the American Revolution—and there would have been no American Revolution had it not been for the Protestant Reformation.). By honoring their memory and legacy, we help preserve what they gave us. If we forget them, we will forget what they established and we will return to bondage. God said if we forgot His Law, He would forget our children. This is what is happening. The remedy is to return to the Standard: The Word of God as established by the Reformers. No other product with this depth of information and quality exists. It should be in every pastor's office, sunday school room, christian school classroom, christian college, library, homeschool, church foyer, waiting room, etc. Please tell everyone about it whom you think may be interested.

Reformers-chart-new	24	9	2012-09-13 14:17:18 PDT	y	4	0913MX5MYEK	direct from publisher -
---------------------	----	---	-------------------------	---	---	-------------	-------------------------

direct from publisher - Inquire for shipping rates outside the U.S. Inquire also for expedited shipping within U.S. Shipped, rolled in a protective sturdy tube and extra shipping costs and cost of mailing tube have been factored into the price. 11

Rights of The Kingdom or Customs of Our Ancestors: Touching the Duty, Power... [Plastic Comb] John Sadler, M.A., M.P.
Rights of The Kingdom or Customs of Our Ancestors: Touching the Duty, Power, Election, or Succession of our Kings and
Parliaments: Our True Liberty, Due Allegiance, three Estates, their Legislative Power, Original, Judicial, and Executive; with
the Militia. Freely Discussed through the British, Saxon, Norman Laws and Histories with an Occasional Discourse of Great
Changes yet Expected in the World 320pp., plastic comb-bound facsimile reprint (written 1649; 1682 edition), by Sacred
Truth Publishing. This old book was written Old English type print where s's look like f's. Note: this is from a manuscript that
is 325 years old. Due to acid from the ink, some pages bled through the other side (maybe only 6 pages in the beginning of the
book; which I cleaned up some and retyped some text. other pages contain some "noise" or spots; some text is faint; some dark.
It is all readable; but will not be an easy read (due also to the older type-face). This may be only for die-hard enthusiasts,
collectors, researchers. 100 hours have been invested in preparing this for printing. It is probably 99.5% readable; but may
take some concerted effort in some places. Do not order it if you do not think you will be able to handle the care required to
read it. Will attach some samples of the worst of the 6 bad pages and a standard page. Sadler also wrote The King's Cabinet
Opened (1645), in conjunction with Charles I. and others. John Sadler married Jane Trenchard, who descended from Elizabeth,

daughter of King Edward I. 0705IWSA0OK Sadler-Rights 18 2 2011-07-04 19:35:45 PDT
y 1 Binding note: This book is plastic comb-bound. Plastic comb-binding strips come in only 1 size. 11 inches. Books with higher page count (like over 350 pages or so) have a locking tooth/tab on each end of the comb. Most books are only 8.5 inches long, which requires the comb to be cut to length. For higher page count books, the best way to bind is to cut off 5 tabs from one end (thus retaining the locking tab on that end with those 5 pieces), then cut out 5 tabs in the middle, and bind the book with 2 pieces of comb that have the locking tabs/teeth. That way the book is firmly secured on both ends. This is the best way to bind the book. If the book was bound with a single piece of comb, it would be insecure on one end and sometimes while reading a higher page count, heavier book, if you do not hold it firmly, the pages may possibly fall out of the comb teeth on one end, and it is nearly impossible to put the teeth back into the pages without the binding machine.

The divine directive for our time [Unknown Binding] Coley, Gertrude Emily Altree "That the English-speaking cluster of
free nations together with the kindred United States is a force for good, despite many failings, has long been recognized by our
leaders, secular and religious. They have called it a 'Divine instrument' in the service of humanity. Yet we are now at our wits'
end, menaced everywhere by the gigantic oncoming forces of evil. What our leaders have not told us is that, if we as a race are
a Divine instrument, we must have been given at some time a definite commission embodying defined orders and guarantees
for successful action. This must be so or we are left to despairing guesswork. But we are not. The fact is that this race of ours was
long ago delineated in the Bible and given its mandate." 1115E0FFK0Q TC-Z1HJ-RN62 20 1

David Harum: A Story of American Life [Hardcover] Westcott, Edward Noyes		"The book is a novel, and throughout it runs a love story which is characterized by sympathetic treatment and a constantly increasing interest; but the title role is taken by the old country banker, David Harum: dry, quaint, somewhat illiterate, no doubt, but possessing an amazing amount of knowledge not found in printed books, and holding fast to the cheerful belief that there is nothing wholly bad or useless in this world."	1124GE81J9QTub 8 David	16	1	2010-11-24 05:41:54 PST	y	1

The War Between the Children of Light and the Powers of Darkness [Paperback] Robert Alan Balaicius				506pp.,					
paperback, "How the Christian -Israelite can live in an evil world system including: the true story of the Phinehas Priesthood."									
-----> This book contains a large section which is the best explanation of Romans 13, the terribly mistaught chapter concerning obedience to the "powers that be." The words in these verses were poorly translated and the author in this very deep coverage shows that God does not expect His people to obey wicked, lawless rulers (much less illegitimate usurpers) and that the word power (anyone with force) was often mistranslated when it should have been authority (legitimate, lawful office holder)... this excellent section alone is worth the price of the book. When rulers violate the law, they step out of their authority and no one is bound to obey them; rulers (even the kings of Israel) are established by contract: we will obey you as long as you obey God. Further, in the U.S., it is entirely different, because established by the Constitution, the PEOPLE are the king and the elected officials are the servants. Everyone should read this book if only for this large section.

Prophetic warfare Owen, Paul N “This booklet is written primarily to those of the Postmillennial and Dispensational Premillennial persuasion who are, or will be, in positions of teaching and preaching. We suggest the possibility of a third viewpoint on some of these questions we see and hear debated. Hopefully, many of these booklets will find their way into the hands of those on both sides of the question and that they will read and consider.” 1218E8YMHX2 V8-QNWT-4998 20 1 2009-12-18 05:23:20 PST y 1 Plastic comb-bound; 101pp. 1

MONEY Symbol & Substance [Paperback] Mooney, S. C. “Secular, and indeed Christian, economists have wallowed in the Slough of Confusion regarding money. In this book Scott Mooney offers Christendom a gigantic first step toward the restoration of obedience to God and Christian faithfulness in understanding money. There will never be a beginning of Christian restoration to our economy until first our sinful monetary system is brought into conformity with the plain requirements of Scripture. May God use this book to breathe into His people a desire for His righteousness in every aspect of their lives.” 0806E430KDW VB-LITP-NPVP 8.75 3 2009-08-06 10:08:19 PDT y 1

The Cross of Christ - The Throne of God [Paperback] F. J. Huegel 143pp., paperback, high quality, computer-enhanced, facsimile reprint of this rare (1935) title. NOT an "OCR" - scanned and reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray background, or crooked/shifting pages) faithfully as clean, clear images, most often producing a product better than the original from which it was scanned. 100% scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to finish.

Computer enhanced reprint. "The purpose of the following chapters is to silence the cry: 'Let him now come down from the cross and we will believe on him,' and to kindle the fires of the Pauline passion expressed in such affirmations as, 'God forbid that I should glory save in the cross of our Lord Jesus Christ.' If some faint conception of the vast significance and of the utter centrality of the Cross, in the great purposes of God, is conveyed to my kind readers, The Cross Of Christ - The Throne Of God will not have been written in vain. May the Lord Himself unveil the Cross." 0219IID2OIQoffice cross of Christ

Whom Has God Joined Together?: A Biblical Examination of Miscegenation Jackson, Dallas paperback book, controversial topic, well presented. Only for those who actually care what the Word of God says and who care about obeying God. If you don't fall into this category, there is no sense reading it. Those who only follow when the truth leads where they want it to lead

are not interested in the truth, only self-aggrandizing pseudo-piety. God is Holy. He commanded we be holy. God does not change. His Holiness does not change. His standard of morality/holiness for us does not change. Those who reject what the Word of God says, with the false doctrine that God somehow changed or abolished His Law are unconverted and do not even realize it. If God/Christ is “Lord” then He will be OBEYED. John wrote in his epistle, “he who says I know Him [God] and keepeth not His Commandments is a liar and the truth is not in Him.” Christ said, “My sheep hear My Voice (recognize truth from error) and follow (obey) Me.” Christ asked, “Why call ye Me, Lord, Lord, and do not the things I say?” “I and My Father am one.” “not one jot or tittle shall pass from the Law”

Rolling thunder: Is America's future—ancient history? : a daring plan to save thousands of lives! Robinson, Edgar Wallace

"What was the real reason for America's involvement in Vietnam? Who stood to profit by that war? Haiphong Harbor was mined on May8, 1972, cutting off the enemy's supplies. Why on that particular date? Why not sooner? The answers, based on some very interesting facts of history, are all in this book. This is a true story...one that you have never heard before - It will thrill the heart of every Red-blooded American!! The bold and daring plan of three men which forced the United States government to end the war in Vietnam, thereby saving untold thousands of lives! Does history repeat itself?"

The Diamond Principle [Paperback] James M. McCanney "Man is still living by the law of the jungle, survival of the fittest, in a distorted terminal game of monopoly. We live in an economic model that forces slavery onto the masses...while rewarding those who cheat and steal. Our existence as a species is at a crossroads as we realize space faring capacity...we also realize that this fragile existence could be wiped out on a moments notice by forces we cannot control. New sets of universal principles are presented based on Professor McCanney's proven science and like a well cut diamond "The Diamond Principle" has many complex facts." 0401I74ZKKEA-18 Diamond30 0 2011-04-01 05:30:43 PDT y

Gene Pools & Out of the Balls of Satan [Unknown Binding] Carol A. Morrison, M.D., F.A.C.C.	2 booklet set...	"Gene Pools," - undated 31pp., stapleback booklet & "Out of the Balls of Satan" - 49-page stapleback booklet, 1990, both booklets with front cover obscene depiction (previous owner pasted a piece of paper over obscene portion of cover and title page...) odd seedline presentation... rare... authoress, an M.D. was an associate/intimate with Dr. William Kelly, D.D.A., M.S., author of One Answer to Cancer. Gene Pools apparantly written by both Morrison and Kelly, no date or publisher or address. Out of the Balls of Satan lists Morrison as author and Kelly as consultant of sorts; published possibly by Israel-American Mission/School of Sacred Writings, Winfield, Kansas	0323MYJWARQ	A-19—Morrison-Gene-&-Out-of-Balls	60
0 2012-03-23 11:07:34 PDT y 1	new, unread, though previous owner glued paper cardstock over obscene portion of illustration on cover and title page. 2- staple-back booklet set	11

War is a racket Butler, Smedley D 1991 Noontide Press edition - 62.pp As a patriot and nationalist, he (Butler) 'fervently
 opposed actions which might lead to American military involvement abroad.' When World War II broke out in 1939, he
 declared that the U.S. did not have 'one solitary blessed thing to do with the making of this mess over there, and there is no
 possible sane and logical reason why we should feel any impulse to take a hand in it.' Yet he supported a strong military rather
 than disarmament. The U.S., he insisted, should build an 'iron-clad defense a rat couldn't crawl through.'

A Greater Miracle Than the Lost Ten Tribes Discovered...- the Dead Six Million Uncovered [Paperback] Brian Alois Cleraubat
Exposes entire Holocaust lie as well as multi-billion dollar Holocaust Industry , exposes Holocaust Mafia; Hall of Fame for
those who have spoken out and have had their lives ruined—100s photos) and those behind it. Extensive list of nations (with
dates) which expelled the "jews." Very compelling compilation of evidence and insight, proves 6 million were not murdered
("jewish" experts, population data, chemistry, math and science, history, etc.) Revisionist book list, indexed. Actual photocopies
from original copies of the census data (compiled by "jewish" sources) from the World Almanac and Book Facts for 1934,
1945, 1946, 1950 Illustrated. A powerhouse of information. 1015M6MPFA8 A-5-Greater-Miracle 25 0

Twelve Reformation Heroes [Hardcover] G. A. Neilson "A tale of courage of a high order is told in these pages, gripping all who admire the courageous as they behold twelve of the best known Reformers of various European countries play their heroic part in great historic drama. The days in which they lived were dark and dangerous; the Bible an unknown Book because it had not then been translated into the language of the common people. Yet these brave Reformers were prepared for sufferings, sacrifice, and even death itself, in order to accomplish their God given task." 0111GGN94SQ AC-8W4S-N3NS

Myth of Open Borders (AICF) Monograph Series) Lutton, Wayne "Immigration will play an important part in determining the nature of the American society of the future. Yet discussion of United States immigration policy, in Congress, the news media and the academic world, often fails to rise above the level of cliches about 'a nation of immigrants' and 'huddled masses yearning to breathe free'. The mission of the Foundation is to provide objective information on immigration and immigration control." 1206E5Y5XZE CT-YC0G-9AND 7.25 0 2009-12-06 11:13:43 PST y 1 Staple-back booklet. 47pp., Edge of spine on blue cover has faded. 1 0936247096 0936247096 0

History's Most Terrifying Peace Thirteen Reprinted & Original Articles [Paperback] Austin J. App, Ph.D "Who committed the greatest crime of this age? The Italians, Japanese, or Germans? Wrong. It is the Allies. Who is committing this crime? The self-appointed re-educators of Germany and Japan, the United Nations organizers, are committing it. This collection of articles is published as one small little outcry against the atrocities of the peace and as one little torchlight against this perhaps greater atrocity, the slimy conspiracy of silence on the part of those who while "smearing" the vanquished is self-shielding war crimes trials are committing the most large- scale lootings, rapings, and expulsions in literally all of Christian history."

War is a racket Butler, Smedley D As a patriot and nationalist, he (Butler) 'fervently opposed actions which might lead to American military involvement abroad.' When World War II broke out in 1939, he declared that the U.S. did not have 'one solitary blessed thing to do with the making of this mess over there, and there is no possible sane and logical reason why we should feel any impulse to take a hand in it.' Yet he supported a strong military rather than disarmament. The U.S., he insisted, should build an 'iron-clad defense a rat couldn't crawl through'."

The Sanctity of Private Property [Paperback] Anthony M. Ludovici 48pp., stapleback booklet, high quality, computer-enhanced, facsimile reprint of this rare (1932) title by Italian-English philosopher Anthony Mario Ludovici. NOT an "OCR" - scanned and reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray background, or crooked/shifting pages) faithfully as clean, clear images, most often producing a product better than the original from which it was scanned. 100% scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to finish.

Duty to civilization, Neilson, Francis "When will the great silence be broken, and who will dare be man enough to break it?
 Maybe the people themselves will start from their seeming apathy, and some day soon seek the truth pertaining to the whole
 horrible business of the destruction of Europe. Well, all they have to do is seek. The evidence is extant, and anyone who
 earnestly desires to know the truth of the matter can have it for the seeking." 0112GGU3PA2 O8-00QY-G0R8

The United States: A Christian Nation [Paperback] David J. Brewer Computer enhanced reprint of the 1905 edition. "Indefatigable proof that the United States, was founded as a Christian nation - at its very roots. This truth has been denied by liberals, enemies of freedom, haters of Christianity, and subversive elements working to undermine our unique Constitutional Republic. Read the evidence and decide for yourself based upon the facts: The U.S. was founded by the Framers of our nation as a Christian nation - a spiritual heritage left as a will to thier posterity. Rather than 'second-class citizens,' Christians are the true heirs. Those who would attempt to change or pervert our form of governemt are enemies of the State and are guilty of subversion, sedition, revolution, treason, and hate crimes." 0310IWDEMI2 OffiCe BreWer50 0 2011-03-10 13:54:32 PST y 1 Paperback, 136pp. 11 1588403025

The Romance of Bible Chronology; an Examination of the Meaning, and a Demonstration of the Truth, of [Plastic Comb] B.D., M.A. Rev. Martin Anstey 56pp., 8.5 x 11 paperback, high quality, computer-enhanced, facsimile reprint of this rare (1913) title. NOT an “OCR” - scanned and reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray background, or crooked/shifting pages, no underlining, marginalia, notalia, no missing pages, no blurred, unreadable pages) faithfully as clean, clear images, most often producing a product better than the original from which it was scanned. 100% scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to finish. Also, these are NOT lightening print on demand; they are a professional press run of books boxed and waiting to be ordered... hence you will not have the unprofessional “wave” in the books that lightening print on demand seem to have. 0514ODWBJZW Office-Anstey-2-charts-outside US 28 1 2014-05-14 07:20:13 PDT y 4 price adjusted for overseas shipping; Amazon’s shipping charge for this is unrealistic. 11 1588402339 9781588402332 0 DEFAULT Migrated Template Inactive

Bible Lessons to Nourish Growing Minds: Lessons from Nature [Paperback] Robert Alan Balaicius Endorsed by Rev., Dr. D. James Kennedy, Coral Ridge Presbyterian Church/Coral Ridge Ministries, Ft. Lauderdale, Florida. "In 'Bible Lessons to Nourish Little Minds: Lessons From Nature,' Bob Balaicius has provided a helpful tool that takes Scripture passages and makes specific applications that will open God's Word in a deeper way to children." — profusely illustrated, 8.5x11, large size paperback, uses Scripture verses dealing with animals, insects, weather, and other elements of nature to teach young people important lessons from God's Word and how to apply each passage of Scripture to their daily lives, using unique analogies and ideas to achieve a deep level of teaching on a younger person's level. Enjoyable for any age, even adults have said they enjoyed it and learned from reading it. 1121OL3EXC8 Office-Balaicius-Lessons-Nature-dinged

Does God Repent...? Can God Change His Mind...? [Paperback] Robert Alan Balaicius - Does God Repent...? Can God Change His Mind...? [And an Utter Demolishment of the Humanistic Myth of Man's "Free Will" and Arminianism], 500pp., pb. Dovetails nicely with God and Evil and The Sovereignty of God.... Lively, profound, revealing, thought provoking, convincing thought, logic, Scripture. Dissects the false theology of Dr. Norman Geisler and Brother Andrew and exposes the subversion of the true Christian faith in the counter reformation re-introducing the false theology of Origen and Pelagius and the corruption of the modern church by Jesuits, terribly deceived humanists such as Scheiermacher, Kierkegaard, Barth, Schweitzer, Erasmus of Rotterdam, as well as outright infiltrators (some who feigned conversion, others who didn't even pretend to be conversos) such as Spinoza, and many, many more, including the undermining of the Puritan church by Solomon Stoddard, and much more. Also exposes the false doctrine of one chapter from two different books; one by Dr. Norman Geisler and the other by Brother Andrew. Dovetails nicely with Balaicius's other 2 books, "God and Evil" and "The Sovereignty of God";. 1205OEBVGRQ Office-Balaicius-Repent foreign standard 45 10 2014-12-04 16:04:34 PST y 4 11 1588404242

The Conquest of the World by the Jews: An Historical and Ethnical Essay - with a Historical & Biographical Introduction by the Modern Publisher [Unknown Binding] Maj. Osman-Bey [Frederick Millingen] The Conquest of the World by the Jews (written in German in 1870, translated into English in 1878) by Major Osman Bey, to which has been added a 12-page

Modern Publisher's Preface to the Reader discussing the history and nature of the book and the mysterious and controversial author; the book has come under great attack, it seems, because it was the first book in English to claim a world-wide Jewish conspiracy (predating the English translation of the Protocols by nearly a quarter-century, even pre-dating the Russian translation of the Protocols by decades), 88pp., stapleback 0930OS96EZW Office-Bey-like new 10.5 0 2014-09-29 17:02:52 PDT y 1 new, but slight crease in cover 1 B0099Z3V94 B0099Z3V94 0 DEFAULT M i g r a t e d Template Inactive

Germany Must Perish! [Paperback] [Jan 01, 2012] Theodore N. Kaufman and Sacred Truth Publishing 1 0 5 p p . , paperback, computer-enhanced reprinting of this rare 1941 title; modern publisher has added an introduction with a photo and brief biography of the author; unethical, shady Jewish author irrationally and rabidly, hatefully called for the extermination of all Germans (long before the Germans were even accused of Genocide themselves, long before the date that it is claimed that they began to implement the so-called "Final Solution")... yet the liberal mainstream (Jewish) press in the U.S. praised the book (which by today's standards would be considered a "hate crime"—but it's okay because he was Jewish). Similarly, John Sacks (Jewish author) in his An Eye For an Eye revealed how the Jewish people put in charge of POW camps interring Germans, systematically murdered hundreds of thousands of German civilians, and nothing was ever done about it. Sacks, however, got death threats from his own Jewish people for writing the book. 0928MKVCT9Q Office-Kaufman-Germany-pb-imperfect 15.5 0 2012-09-28 05:40:15 PDT y 1 new, but ever so slight/minor indentation on cover, barely noticeable. 11 B008UFQWRW 0928MKVCT9Q 0 B008UFQWRW 0 DEFAULT Migrated Template Inactive

March of the Titans: A History of the White Race Arthur Kemp The photo listed by whoever uploaded it is a B&W photo, but the book cover itself is full color, as many of the photos in the book also are. 1128ICTMW6E Office-Kemp 40 0 2011-11-28 06:35:08 PST y 1 SHIPPING NOTE: This is a large book and it just barely squeezes into a Priority Flat Rare Mailer, thus, there is no room for additional packing material and the book may suffer damage in shipment if paying for priority shipping. The next option would be to pay additional shipping to provide for a large box to protect this book en route. Email for details. 11 0974230332 0974230332 0 DEFAULT Migrated Template Inactive

A Coordinated Chronology of the Reformers: 95+ Reformers and Pre-Reformers (A.D. 1125-1700) [Wall Chart] Joseph
Alexander A Coordinated Chronology of the Reformers: : 95+ Reformers and Pre-Reformers (A.D. 1125-1700) Reformers
are color coded by country, representing 24 countries 95 reformers on a time-line, another 85 or so not on the time line,
showing dates of birth, death, how they died, what denominations they founded, etc. over 100 pictures; full color, thick poster
paper; 41.25” x 32” Shipped in protective mailing tube. The Reformers are our greatest heroes. As their memory, their names,
their accomplishments, their doctrines are forgotten, we lose sight of not only our heritage, but the Standard. They put their
lives on the line, many giving their lives (even as those of our ancestors in the American Revolution—and there would have
been no American Revolution had it not been for the Protestant Reformation.). By honoring their memory and legacy, we
help preserve what they gave us. If we forget them, we will forget what they established and we will return to bondage. God
said if we forgot His Law, He would forget our children. This is what is happening. The remedy is to return to the Standard:
The Word of God as established by the Reformers. No other product with this depth of information and quality exists. It
should be in every pastor’s office, sunday school room, christian school classroom, christian college, library, homeschool,
church foyer, waiting room, etc. Please tell everyone about it whom you think may be interested. 0303NT2CNO2

The Restoration of Apostles and Prophets In the Catholic Apostolic Church [Plastic Comb] Robert Norton The publisher
will print this (or any other comb-bound title they print) in paperback if any individual/distributor places an order for 25
copies. Computer-enhanced, plastic comb-bound printing of this very rare book originally published in 1861 centering on
the religious movements started by John Darby and Edward Irving. This is not about the “Catholic” church, but about the

founding of the Plymouth Brethren Protestant denomination in the U.K. and the secret origins of the founding of modern “Dispensational” doctrine. [For more light on these two, see “The Futurist and Rapture Conspiracy,” by Balaicius.]

Just One More Chance [Paperback] Robert Alan Balaicius and Lawrence T. Shields Just One More Chance, Lorne T. Shields (Ireland, born in South Africa, singer-songwriter) / Robert Alan Balaicius, editor, adapter; 564pp., pb., The story begins in Ireland and progresses like a whirlwind, which, to explain more would give away the suspense of the story. A gripping read you will not be able to put down and one of those rare books that you wish would never end. · One rash decision, a regrettable mistake, can snowball and cause a chain-reaction like an avalanche; so-far reaching one may wonder if it can be outrun even if he flees to the other side of the world. When such a brief mistake is made, as Tom McCauley finds out, it can carry you about like a beach-ball in the ocean, and all you can do is hang on for dear life and pray to God that you land safely, somewhere, eventually. · Here begins a touching story of down-to-earth people (well... most of them), often real life stories from an earlier era. A story of love and romance interwoven with cultures spanning several nations of a bye-gone era, hard work, drama, intrigue, foul-play, good versus evil, faithfulness, respect, devotion, desperation, and hope combined with real historical events. The epic story of all creation is presented in a whirl: a momentary fall from grace followed by repeated attempts at restoration, while battling a myriad of unforeseen obstacles to that goal which creep out of the past into the present like vipers from a pit that just won’t die. You will not be the same after reading this book; you may become a part of the drama itself: your heart knit

with those of this story, as if they were family or dear friends. At least, that is how it affected me. Step back into the 1800s and enjoy an amazing story. . . This could be the next Hallmark t.v. miniseries or motion picture. First edition, limited printing of 100 copies. 1205OE29A8 Office-Shields-outside US 40 0 2014-12-04 16:09:32 PST y 4 11 1588404528 9781588404527 0 DEFAULT Migrated Books Template Inactive

A History of The Puritans and Pilgrim Fathers [Paperback] Rev. W. H. Stowell; D. Wilson and Robert Alan Balaicius - A History of The Puritans and Pilgrim Fathers (1888) which incorporates: The Puritans in England (1849), W.H. Stowell, & The Pilgrim Fathers (1849), D. Wilson, 508pp.; to which is added 230pp. (which alone took about 500 hours to research and write) of historical and theological introduction to the Reformers, Puritans, Pilgrims, Nonconformists, Covenanters, the Westminster Assembly, the history of the Anglican Church and Presbyterian Church in England, Ireland, Scotland, and Wales, the Anglican Church and monarchs of Britain in their persecution of those Protestants who disagreed with the Anglican Church's Catholic ritual, and an insightful look at the Great Awakening and revivals in England, Ireland, Scotland (and its Isle of Lewis), Wales, and New England; with over 800 short biographies and over 250 illustrations added; also the print of these reprinted titles was intolerably small, so it has been expanded to 7x8.5 which allows for generous margins as well as a normal sized print; 764pp total NOT an "OCR" - scanned and reproduced in its entirety, graphics, illustrations, original advertisements, etc. (no shadows, gray background, or crooked/shifting pages; no missing pages, no underlining, marginalia, notes, no illegible blurred text or gutter shadow creeping into the text) faithfully as clean, clear images, most often producing a product better than the original from which it was scanned. 100% scanned, placed, straightened, cleaned up, printed and bound in the USA by with painstaking time, care, and integrity by the founder/director of Sacred Truth Publishing. Nothing foreign, no cheap labor or sweat shops, nothing done in India or China. 100% USA from start to finish. 0324PV3V4QK Office-Stowell-Wilson-outsideUSstandard 68 0 2015-03-23 17:22:07 PDT y 4 Note: this higher price is to provide for shipping cost outside the US. Amazon's shipping prices are often unrealistic and out of date. This book is heavy and will not ship first class (which is "Standard"), so if you choose Standard, it will actually ship in a priority flat rate bubble wrap envelope (which is currently \$26.50). However, understand that we cannot guarantee the book will not arrive with any damage... that all depends on the conscientiousness of the postal workers in the US and in your country. The flat rate priority medium sized box is a lot more expensive (this is Amazon's Expedited, but the post office now charges \$66.25 for this outside the US) but protects better. 11 1588404676 9781588404671 0 DEFAULT Migrated Template Inactive

------------	---	---------	------------------------------------	----------

The War Between the Children of Light and the Powers of Darkness [Hardcover] Balaicius Robert Alan "How the Christian -Israelite can live in an evil world system including: the true story of the Phinehas Priesthood." This book contains a large section which is the best explanation of Romans 13, the terribly mistaught chapter concerning obedience to the "powers that be." The words in these verses were poorly translated and the author in this very deep coverage shows that God does not expect His people to obey wicked, lawless rulers (much less illegitimate usurpers) and that the word power (anyone with force) was often mistranslated when it should have been authority (legitimate, lawful office holder)... this excellent section alone is worth the price of the book. When rulers violate the law, they step out of their authority and no one is bound to obey them; rulers (even the kings of Israel) are established by contract: we will obey you as long as you obey God. Further, in the U.S., it is entirely different, because established by the Constitution, the PEOPLE are the king and the elected officials are the servants. Everyone should read this book if only for this large section. 0311N5N338E Office-War-Hb-outside-US 40

TORQUEMADA. A Novel. [Hardcover] Fast, Howard [1914 - 2003]. Jaques, Faith - Dust jacket illustrator. "Thomas de Torquemada was Prior of Segovia in the year 1483, and as such, the head of the local inquisition. It was a grievous responsibility. It hurt him when people cast down their eyes as he passed, just as he truly suffered each time he sent a heretic to the stake in order to cleanse and purify his immortal soul. Thomas was a man without friends; save for the three members of one family; Alvero de Rafel, one of the noblest Knights of Spain, his gracious wife Maria, and his beautiful daughter Catherine. This is the starting point for Howard Fast's forceful and grim tale of the fifteenth century: the insights it offers into the terrible truth at the core of the Inquisition has chilling overtones for the twentieth." 0707GOYZLIW P-16 - Torquemada 9.5

The English Bible. History of the Translation of the Holy Scriptures Into English Tongue [Hardcover] CONANT, H. C.: "This volume was undertaken from the wish to meet a widely extended and increasing desire for information, in a popular form and within moderate limits, respecting the history of our English Bible. How came we by this Bible? What were its antecedents? In what religious, social, political condition of England had its birth? What influences determined its primitive character and form? To what modifying agencies has it been subjected in the progress of its history? These and similiar questions are now, in the present awakened state of public interest on the subject of Bible -translation, asked by multitudes of intelligent and thoughtful persons, who have neither the time nor the means for searching out the answers for themselves."

A Translation of the Old Testament Scriptures From the Original Hebrew a.k.a. A Translation of the Old Testament From the
Original Hebrew a.k.a. The Spurrell Old Testament [Hardcover] Helen Spurrell quality reprint from an original copy of
this very rare 1885 Bible translated by Mrs. Helen Spurrell—it is not actually original (that is, "paleo-Hebrew"), but unpointed
square Hebrew; —the first and one of the only translations undertaken by an individual woman (rather than an entire Bible

translating committee); very scholarly; VERY rare. —Also contains an Introduction by the Modern Publisher concerning the Hebrew Language, and a Table of Contents Page —(Modern Publisher has added new larger page numbers at the top of each page, since the page numbers of the originals at the bottom were so incredibly small). —The print size of the text was also enlarged 8.5% from the original. The format was also enlarged giving generous margins to the left and the right of the text and several lined, blank pages were also added in the back of the Bible for notes. —This rare Bible is not available new anywhere else and has not been since the 1985 printing sold out over a decade ago... there are 1 or 2 1885 originals on the used market for \$17,000-25,000. Used copies from a 1985 printing sell for \$500 or more. —7.38" x 9.25" x 2.5" Hardback, 850 pages, thick paper. 0224O6DNT6Q Spurrell-New-overseas 130 4 2014-02-24 10:15:58 PST y

Man on Fire: A Study of Maynard James [Paperback] James, Paul "A Man On Fire" is the story of Maynard James, who
died in 1988 after many years of vibrant Ministry in many countries. He trained at Cliff College under the great Samuel
Chadwick, and went on to become a leader in the Holiness Movement. Along with Jack Ford, Leonard Ravenhill, and Clifford
Filer he established churches all over the British Isles. He was President of the Calvary Holiness Church, but when this
denomination was merged with the larger Church of the Nazarene he was given a roving commission, having close ties with
leaders in several denominations, including those in the pentecostal and charismatic movements. For nearly fifty years he was
editor of the Flame magazine. This book covers many topics, and some of the thorny issues are tackled with courage and
conviction." 1118E18GCQ8 UJ-KPWP-AYIK 17.5 0 2009-11-18 08:59:05 PST y

Guidance Some Biblical Principles [Paperback] Oliver R. Barclay

"How does God guide the Christian? Through feelings?

Through special signs? Through circumstances? Through verses of Scripture? This booklet is a sane, balanced study of the evidence of the Bible itself. It gives no rule-of-thumb methods, or special techniques. It does not argue from special experiences

or the way God has guided others. But it does give a summary of what the Bible really does say about the subject, in a practical and specific way.” 0105GDG7QB8 WL-4Q7M-QT3G 3 0 2010-01-05 12:55:36 PST

The Religious Philosophy of Quakerism: The Beliefs of Fox, Barclay, and Penn As Based on the Gospel of John Howard H.
Brinton “In this book a distinguished authority on Quaker life and thought presents the religious philosophy of the
founders of Quakerism: George Fox, Robert Barclay, and William Penn. This philosophy of religion was based on the Fourth
Gospel, in which the relation between God and Christ and man is organic, for in an organism all parts are united by sharing
a common life. The early Friends suffered severe persecution because they followed John’s Gospel at a time when orthodox
Christianity found the source of its faith in the Epistle to the Hebrews, with its emphasis on a somewhat external and mechanistic
view of salvations.” 0103GCXS67K WS-728F-U0VV 6.75 0 2010-01-03 10:17:26 PST

Jeff and the Case of the Missing Uncle Nordtvedt, Matilda Jeff Stacy has problems. He has no father. He has to find his missing uncle. And could use a friend. He meets Brad Woods - but will Brad be his friend? In a cemetery, he meets a man with the same first name as his missing uncle - but is the man Jeff's uncle or a thief? And he meets a man who would be a great father - but the man is Brad's father. One mystery is solved in Brad's tree house. Another is solved in a farmhouse. And a third is solved by Jeff's mother's unexpected appearance.

P4-LHCX-CGG6 B000OLZ9R4 The English Bible. History of the Translation of the Holy Scriptures Into English Tongue
[Hardcover] CONANT, H. C.: "This volume was undertaken from the wish to meet a widely extended and increasing desire for
information, in a popular form and within moderate limits, respecting the history of our English Bible. How came we by this Bible?
What were its antecedents? In what religious, social, political condition of England had its birth? What influences determined its
primitive character and form? To what modifying agencies has it been subjected in the progress of its history? These and similiar questions
are now, in the present awakened state of public interest on the subject of Bible -translation, asked by multitudes of intelligent and
thoughtful persons, who have neither the time nor the means for searching out the answers for themselves." 1129E4F17SQ 30
0 2009-11-29 14:23:31 PST 1 Hardcover, 466pp., Illustrated. Binding is intact but the spine is held together with

UJ-KPWP-AYIK 0860714217 Man on Fire: A Study of Maynard James [Paperback] James, Paul "A Man On Fire" is the
story of Maynard James, who died in 1988 after many years of vibrant Ministry in many countries. He trained at Cliff College under the
great Samuel Chadwick, and went on to become a leader in the Holiness Movement. Along with Jack Ford, Leonard Ravenhill, and
Clifford Filer he established churches all over the British Isles. He was President of the Calvary Holiness Church, but when this denomination
was merged with the larger Church of the Nazarene he was given a roving commission, having close ties with leaders in several denominations,
including those in the pentecostal and charismatic movements. For nearly fifty years he was editor of the Flame magazine. This book
covers many topics, and some of the thorny issues are tackled with courage and conviction." 1118E18GCQ8 17.5 0 2 0 0 9 -

WL-4Q7M-QT3G B002KWN51C Guidance Some Biblical Principles [Paperback] Oliver R. Barclay "How does God guide the Christian? Through feelings? Through special signs? Through circumstances? Through verses of Scripture? This booklet is a sane, balanced study of the evidence of the Bible itself. It gives no rule-of-thumb methods, or special techniques. It does not argue from special experiences or the way God has guided others. But it does give a summary of what the Bible really does say about the subject, in a practical and specific way." 0105GDG7QB8 3 0 2010-01-05 12:55:36 PST 1 Staple-back booklet, 32pp., Some underlining present. 2 B002KWN51C 0 DEFAULT

WS-728F-U0VV B0006C9T0E The Religious Philosophy of Quakerism: The Beliefs of Fox, Barclay, and Penn As Based on the Gospel of John Howard H. Brinton "In this book a distinguished authority on Quaker life and thought presents the religious philosophy of the founders of Quakerism: George Fox, Robert Barclay, and William Penn. This philosophy of religion was based on the Fourth Gospel, in which the relation between God and Christ and man is organic, for in an organism all parts are united by sharing a common life. The early Friends suffered severe persecution because they followed John's Gospel at a time when orthodox Christianity found the source of its faith in the Epistle to the Hebrews, with its emphasis on a somewhat external and mechanistic view of salvations." 0103GCXS67K 6.75 0 2010-01-03 10:17:26 PST 1 Paperback, 115pp., Clean with no markings. YA-YRZ8-01VJ B001PT9204 Whited Sepulchers : The Hidden Language of the Mormon Temple [Paperback] "Mormonism drastically revises the temple ceremony. Are Mormon temples "sacred" or merely "secret?" The authors maintain that the Salt Lake Temple - an architectural statement of Mormon theology - is not a house of God at all. They believe Mormon temples are "whited sepulchers" - a term Jesus used to describe the Pharisees of His day." 0923EIXVYE2 18 0 2009-09-23 05:56:32 PDT 1 Staple-back booklet, 50pp., Clean with no markings. YK-707B-MVEV 0802434444 Jeff and the Case of the Missing Uncle Nordtvedt, Matilda Jeff Stacy has problems. He has no father. He has to find his missing uncle. And could use a friend. He meets Brad Woods - but will Brad be his friend? In a cemetery, he meets a man with the same first name as his missing uncle - but is the man Jeff's uncle or a thief? And he meets a man who would be a great father - but the man is Brad's father. One mystery is solved in Brad's tree house. Another is solved in a farmhouse. And a third is solved by Jeff's mother's unexpected appearance. 0916EGX750Q 3 0 2009-09-16 08:41:53 PDT 1 Paperback, 96pp., Cover shows wear around edges. Back cover corner has crease.
