**This book holds the key to understanding history, current events & what the future holds.**

**One reader recently wrote:** "In 2005 I read your monumental book, Uncovering... It was like the movie *The Matrix* for me. Do I take the blue pill and stay asleep or the red one and see the truth knowing things can never be the same again."

### **What do 6 highly-decorated, Patriotic, retired U.S. Military officers & 2 of the foremost conspiracy authors know that *you* don't...?**

**Eustace Mullins** (1923-2010) [foremost conspiracy researcher, author, lecturer] "Many thanks for sending me your excellent book, *Your Inheritance: The Best Kept Secret In The World*. I find it extraordinarily well researched and presented. It is a valuable addition to our knowledge on our origins... Thank you again for this fine work. I certainly hope it finds the national audience which it deserves.... It is a well-researched presentation of vital information. It is not too extreme to say, If you do not know the information which is in this book —you do not know anything ! (That is, You know nothing about yourself—about who you are—about this nation or why this nation exists.) *Your Inheritance* has not been written merely to inform you who you are, but further, to tell you of your responsibility. With this knowledge, you have no excuse to malingering, to allow the Satanists to wreak havoc on the earth, and to destroy God's (true) people. The appearance of this work is itself a very heartening sign: It means that we are coming to the end of an Era (the Era of the Satanists) and that God's people will once again command the earth for the noble purposes for which God intended." "...[This] is an extremely important work. [I] have read many books on the hidden history of our people, but this book is one which stands alone, not only because of its succinct revitalization of our buried past, but also because of its excellent illustrations, which dovetail with the written text....[This book will prove to be] a vital weapon in the battle against the forces that seek to destroy our nation... Read this book to prepare for the coming tribulations."

**Lt.-Col. Gordon "Jack Mohr" (AUS. ret.)** (1916-2003) "I received your book and went over it carefully. I find no criticism of it in any place... I have just read a fascinating book written by Sacred Truth Ministries: *Your Inheritance: The Best Kept Secret in The World*.\* It vividly explains the heritage and inheritance of our people (a heritage unknown by most church-goers in America, because of the shroud of secrecy placed over this subject by the enemies of our people)... While I have been studying this exciting and important truth for a number of years, this book brings new truths to light in a manner which can be understood by everyone, and this book backs these facts with Scriptural Truth and Historical Documentation which cannot be refuted... This book belongs in the library of every true Christian minister in America who is interested in Scriptural Truth, and should be read by every true American who is concerned with what is happening in the world and in America... As we see the world breaking up before our eyes, *this book has the clue* as to why it is happening, and it gives us the only formula for survival which will save our nation from destruction."

#### **[\* The first edition of Uncovering the Mysteries... was titled Your Inheritance....**

\*\* Col. Mohr entered the Army as an enlisted man. Later on, he was the first American soldier wounded and decorated in the Korean War. He was captured, given a "trial" by the "people's" court and was sentenced to death. He escaped the night before he was scheduled to be executed. He received the Silver Star, 12 combat medals, and 4 Army Commendations. He was a Baptist evangelist for many years. He is an avowed anti-communist, respected, prolific author, and beloved, tireless, dedicated American patriot. Interestingly enough, he had tickets and planned on being on Flight 007 of Korean Airlines (the same plane Congressman Larry MacDonald (another dedicated Christian and anti-communist) was on, which was blown out of the sky by communists) but he at the last minute chose not to go to Korea, where he was scheduled to speak on the anniversary of the ending of the Korean War.]

Col Mohr also wrote: "I cannot take credit for these thoughts, for they come from an excellent book, *Your Inheritance: The Best-Kept Secret in the World*, written by my good friend and Christian colleague, Pastor Robert Balaicius of Sacred Truth Ministries, P.O. Box 18, Mountain City, TN 38683. I wish I could supply each of you with a copy of this priceless book. Since I don't have funds available to do this, I am putting this article together especially for you men in the gulag, who are trying to spread Identity truth in the Babylonian Prison System. I deeply appreciate the permission Pastor Balaicius has given me to use his research. If you find it possible to purchase this book, I would consider it an excellent addition to your Identity Library.

**Lt.-Col. H. Speed Wilson (USMC, ret.)** "The Bible emphasizes the importance of knowledge... The acquisition of knowledge requires effort, time, and study. Sacred Truth Ministries' extended effort is concisely and succinctly recorded in their book *Your Inheritance*, which contains end-time knowledge for seekers of truth in a time when false prophets and their deceptions are rampant. As a source document reference, *Your Inheritance* can be an important factor in "being established in the present truth."

[Col. Wilson served our nation valiantly in three wars. In recognition of his achievement as a fighter pilot in WWII and Korea, he was awarded (3) Distinguished Flying Crosses and (19) Air Medals. During combat duty in Viet Nam, he served as Chief of Staff of the 9th Marine amphibious Brigade, an air-ground team of 20,000 Marines. In this assignment he was awarded the Legion of Merit with a Combat "V" & the Republic of Viet Nam's Distinguished Service Cross, one of the highest decorations a foreigner can receive. During his (8) years of duty in Washington D.C., he served on many high level planning & policy boards. Retiring in 1973 after 31 years of service, Col. Wilson has gained international popularity & recognition as a Bible teacher & patriotic speaker at churches, conferences, retreats, camps, and radio & t.v. talk shows.]

**Lt.-Col. Cyril W. Minett (USAF, ret.)** “As a student of history, several things always puzzled me—and what puzzled me even more was that few scholars or historians ever had the courage or honesty to explain these areas of seeming “mystery.” “If you believe our Lord when He said, “know the truth and the truth shall set you free,” **then you must read** Your Inheritance: The Best Kept Secret In The World, by Sacred Truth Ministries: for the facts presented in this book provide unrefutable evidence concerning these “mysteries.” Is it possible that a veil has purposely been drawn over this segment of history? In this **well-researched book**, you will find the “truth” and it will make you **free.**”

[Col Minett served in Viet Nam as a combat pilot, for a tour of 2 1/2 years starting in 1967, earning 4 rows of medals, including 4 Air Medals and Viet Nam’s Combat “V”. Upon his return to the U.S. he in 1970 he was immediately assigned as Editor of the *Aerospace Safety Magazine*, at USAF Headquarters, 12th Air Force, Austin, Texas. He retired in 1974.]

After this assignment, he was assistant Chief-of-Staff at USAF Headquarters, 12th Air Force, Austin, Texas. He retired in 1974.]

**Lt.-Col. James “Bo” Gritz (AUS, ret.)** “I highly recommend this book to those who wish to know liberating truths essential to the Christian religion and vital to the American way of life.”

[Col. Gritz is America’s most highly decorated Viet Nam Green Beret Commander; He has for many years been in the forefront of trying to locate and expatriate American POW’s still in concentration camps in Asia. Col. Gritz also exposed the CIA drug ring in his books and videos. Col. Gritz was the role model for the movies “Uncommon Valor,” “First Blood,”...He also ran for President of the United States in 1992 on the Populist Party ticket. He is constantly active in patriotic circles giving strategy and self-defense training seminars, speaking at conferences, nationwide radio programs.]

**Colonel Dan Daniels (AUS, ret.)** “Your Inheritance is truly a gem! I enjoyed reading it very much, and would consider it **MUST READING** for every Patriot and Christian in this great land of ours, so rapidly being decimated by the liberal, Satanist hordes in leadership positions. You have obviously put tons of brainpower, research time, experience, knowledge, and intelligence to work in writing Your Inheritance. I congratulate you on the work. It is truly superb! Your Inheritance is truly within the 1% of material in this Republic—**WELL-WORTH READING.** Even within the 1% of published works in this country, it will rank very high. God’s people truly **ARE** being destroyed...Perhaps your book will inspire them to resist the beast, accept their responsibilities before God, and work yet again, toward living and governing in a Godly way.”

[Colonel Daniels is a full Colonel retired from the Regular U.S. Army, and he is also retired from being the Sheriff of Polk County, Florida. Colonel Daniels is also the Publisher and Editor of a Paper out of Eagle Lake, Florida entitled “The Eagle.” Colonel Daniel is also highly involved in various patriotic causes, and he is a field writer for the Patriot Press.]

**Lt.-Col. George P. Remmenga (USAF, ret.)** “At the age of 17, I read through the family Bible, cover to cover. When I completed the reading, I had many questions about the Bible. Those questions have now been answered in YOUR INHERITANCE, in a straight-forward, scholarly manner. No longer do we have to wonder. Further, a person gains a bright, new view on life, and is inspired with new purposes. YOUR INHERITANCE should have a very preeminent place in the library of each patriotic American, each patriotic organization & each true church in this once proud land of ours. Further, every true American family should have a copy of YOUR INHERITANCE to properly teach their children of their heritage and the only true purpose in life. I sincerely believe that had my family and I had this book, I might have lived my life differently in many regards.”

[Col. Remmenga was a B-17 pilot during WWII, flying 24 missions over Germany and receiving the Distinguished Flying Cross, among other medals.]

**F. Tupper Saussy (1936-2007).** “You have my endorsement on your excellent book with which I whole-heartedly agree.”

[Of French Huguenot descent, Tupper won 3 Grammy nominations for his achievements as a pop music composer and producer (he wrote and arranged the music for Anita Bryant’s Orange Juice network TV commercials). He has also acted on stage, owned numerous restaurants, and is an accomplished watercolor artist. He wrote: *The Miracle On Main Street: Saving Yourself and America From Financial Ruin* (1980) and *The Rulers of Evil: Useful Knowledge About Governing Bodies* (1999).
